

CATCHING UP

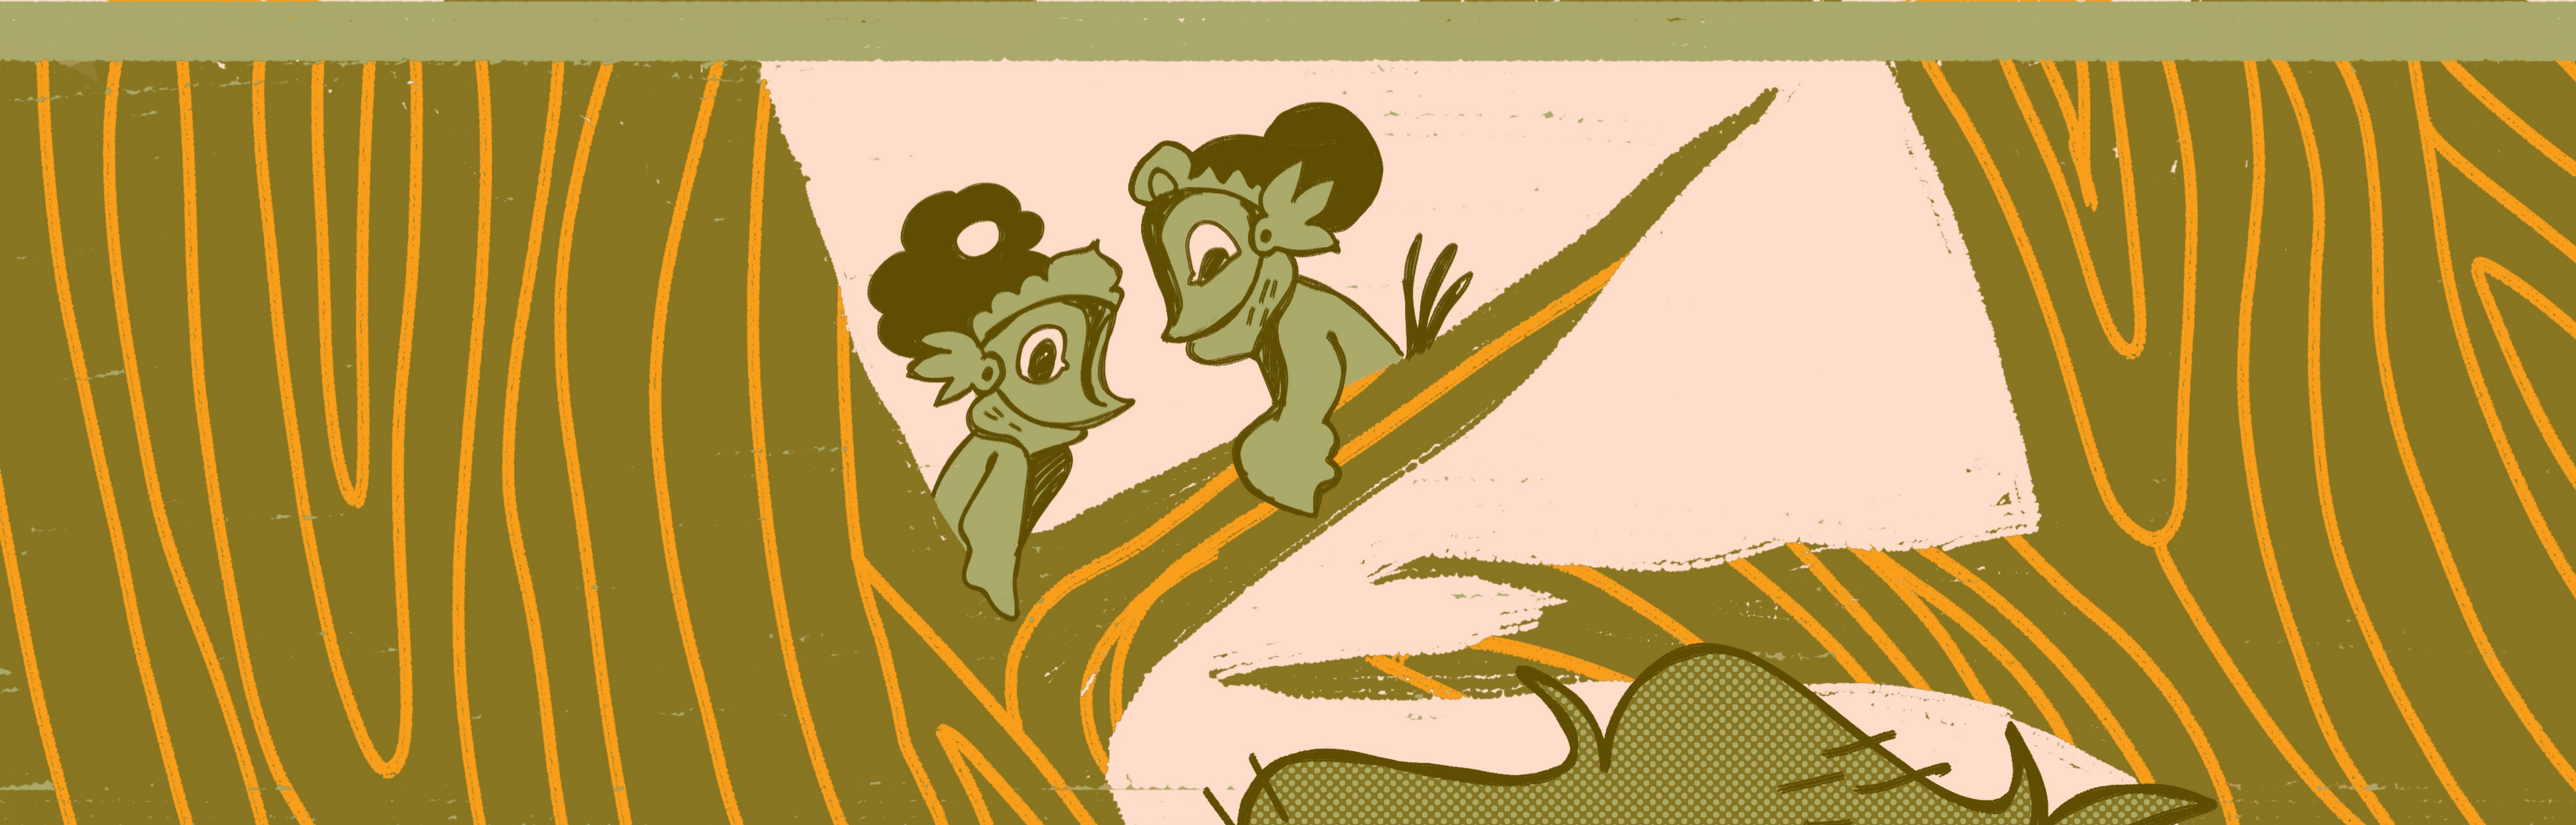

FWO-OAH

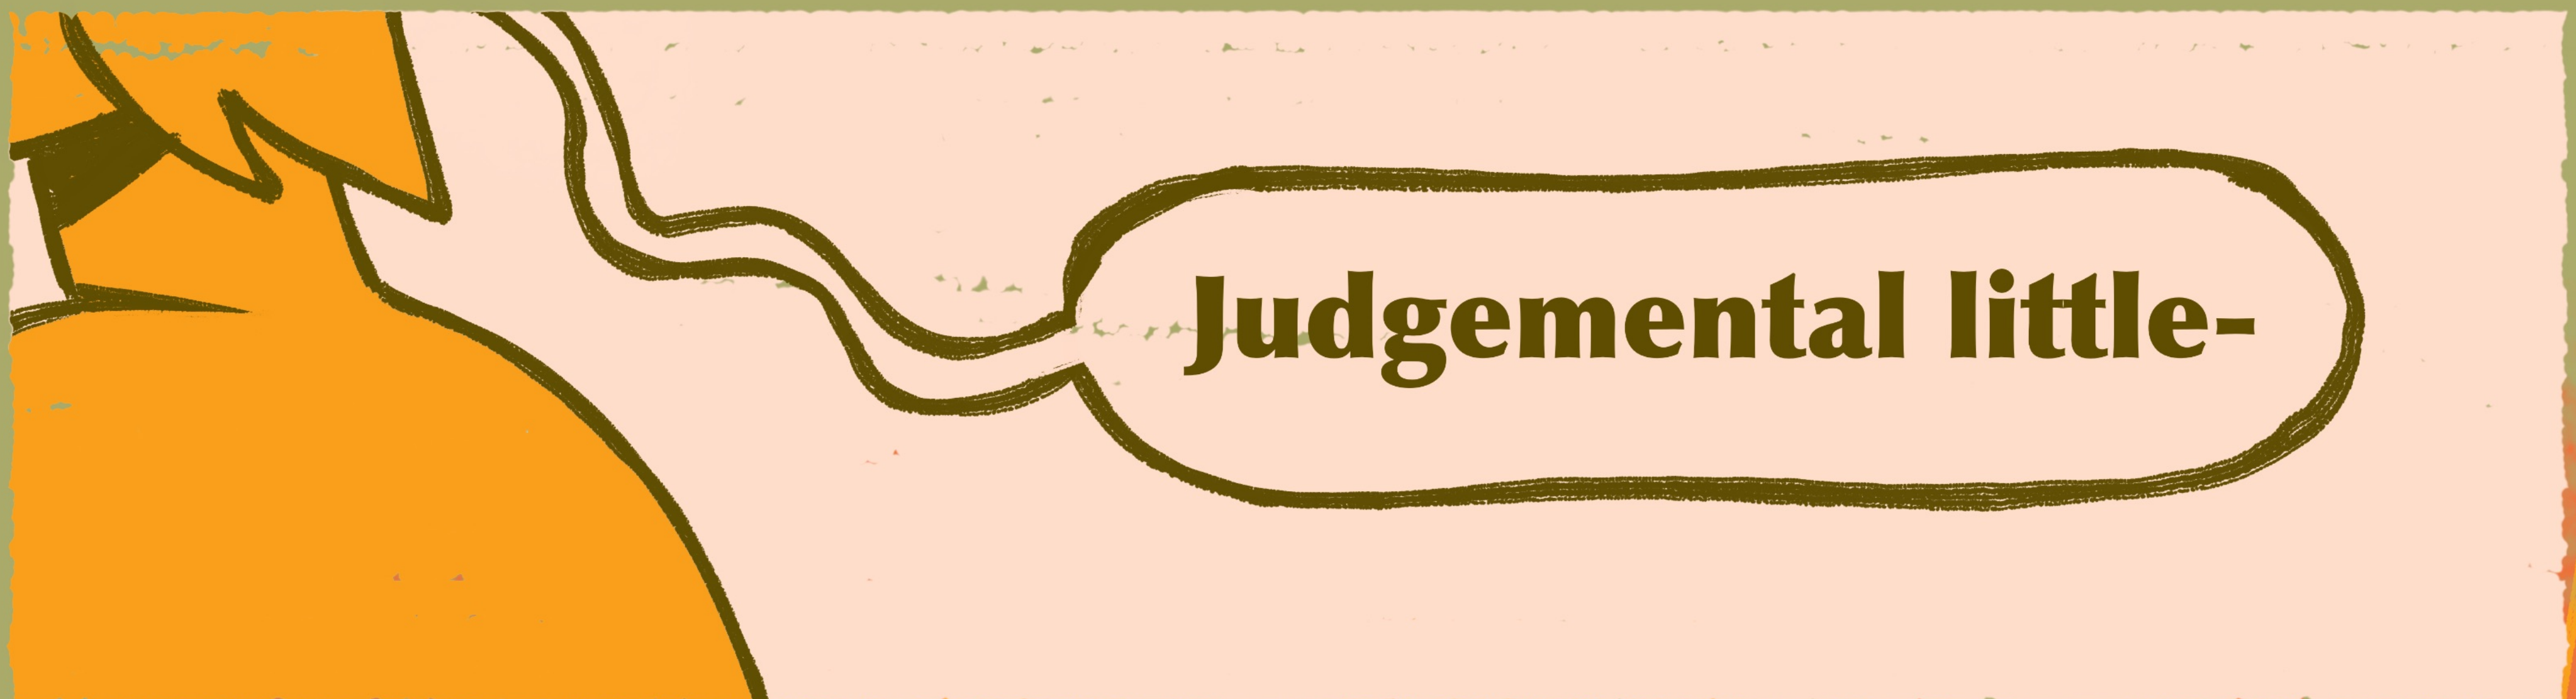

Ugh....

...

Shush.

**Heeey! How
are you Lime?**

**Oh that's great
to hear!**

**Me? Im doin
great!!!**

**I've been
sooooo busy
and-**

**Ugh, what
am I doing...**

**Talking to
myself...**

**It's just
a regular
person**

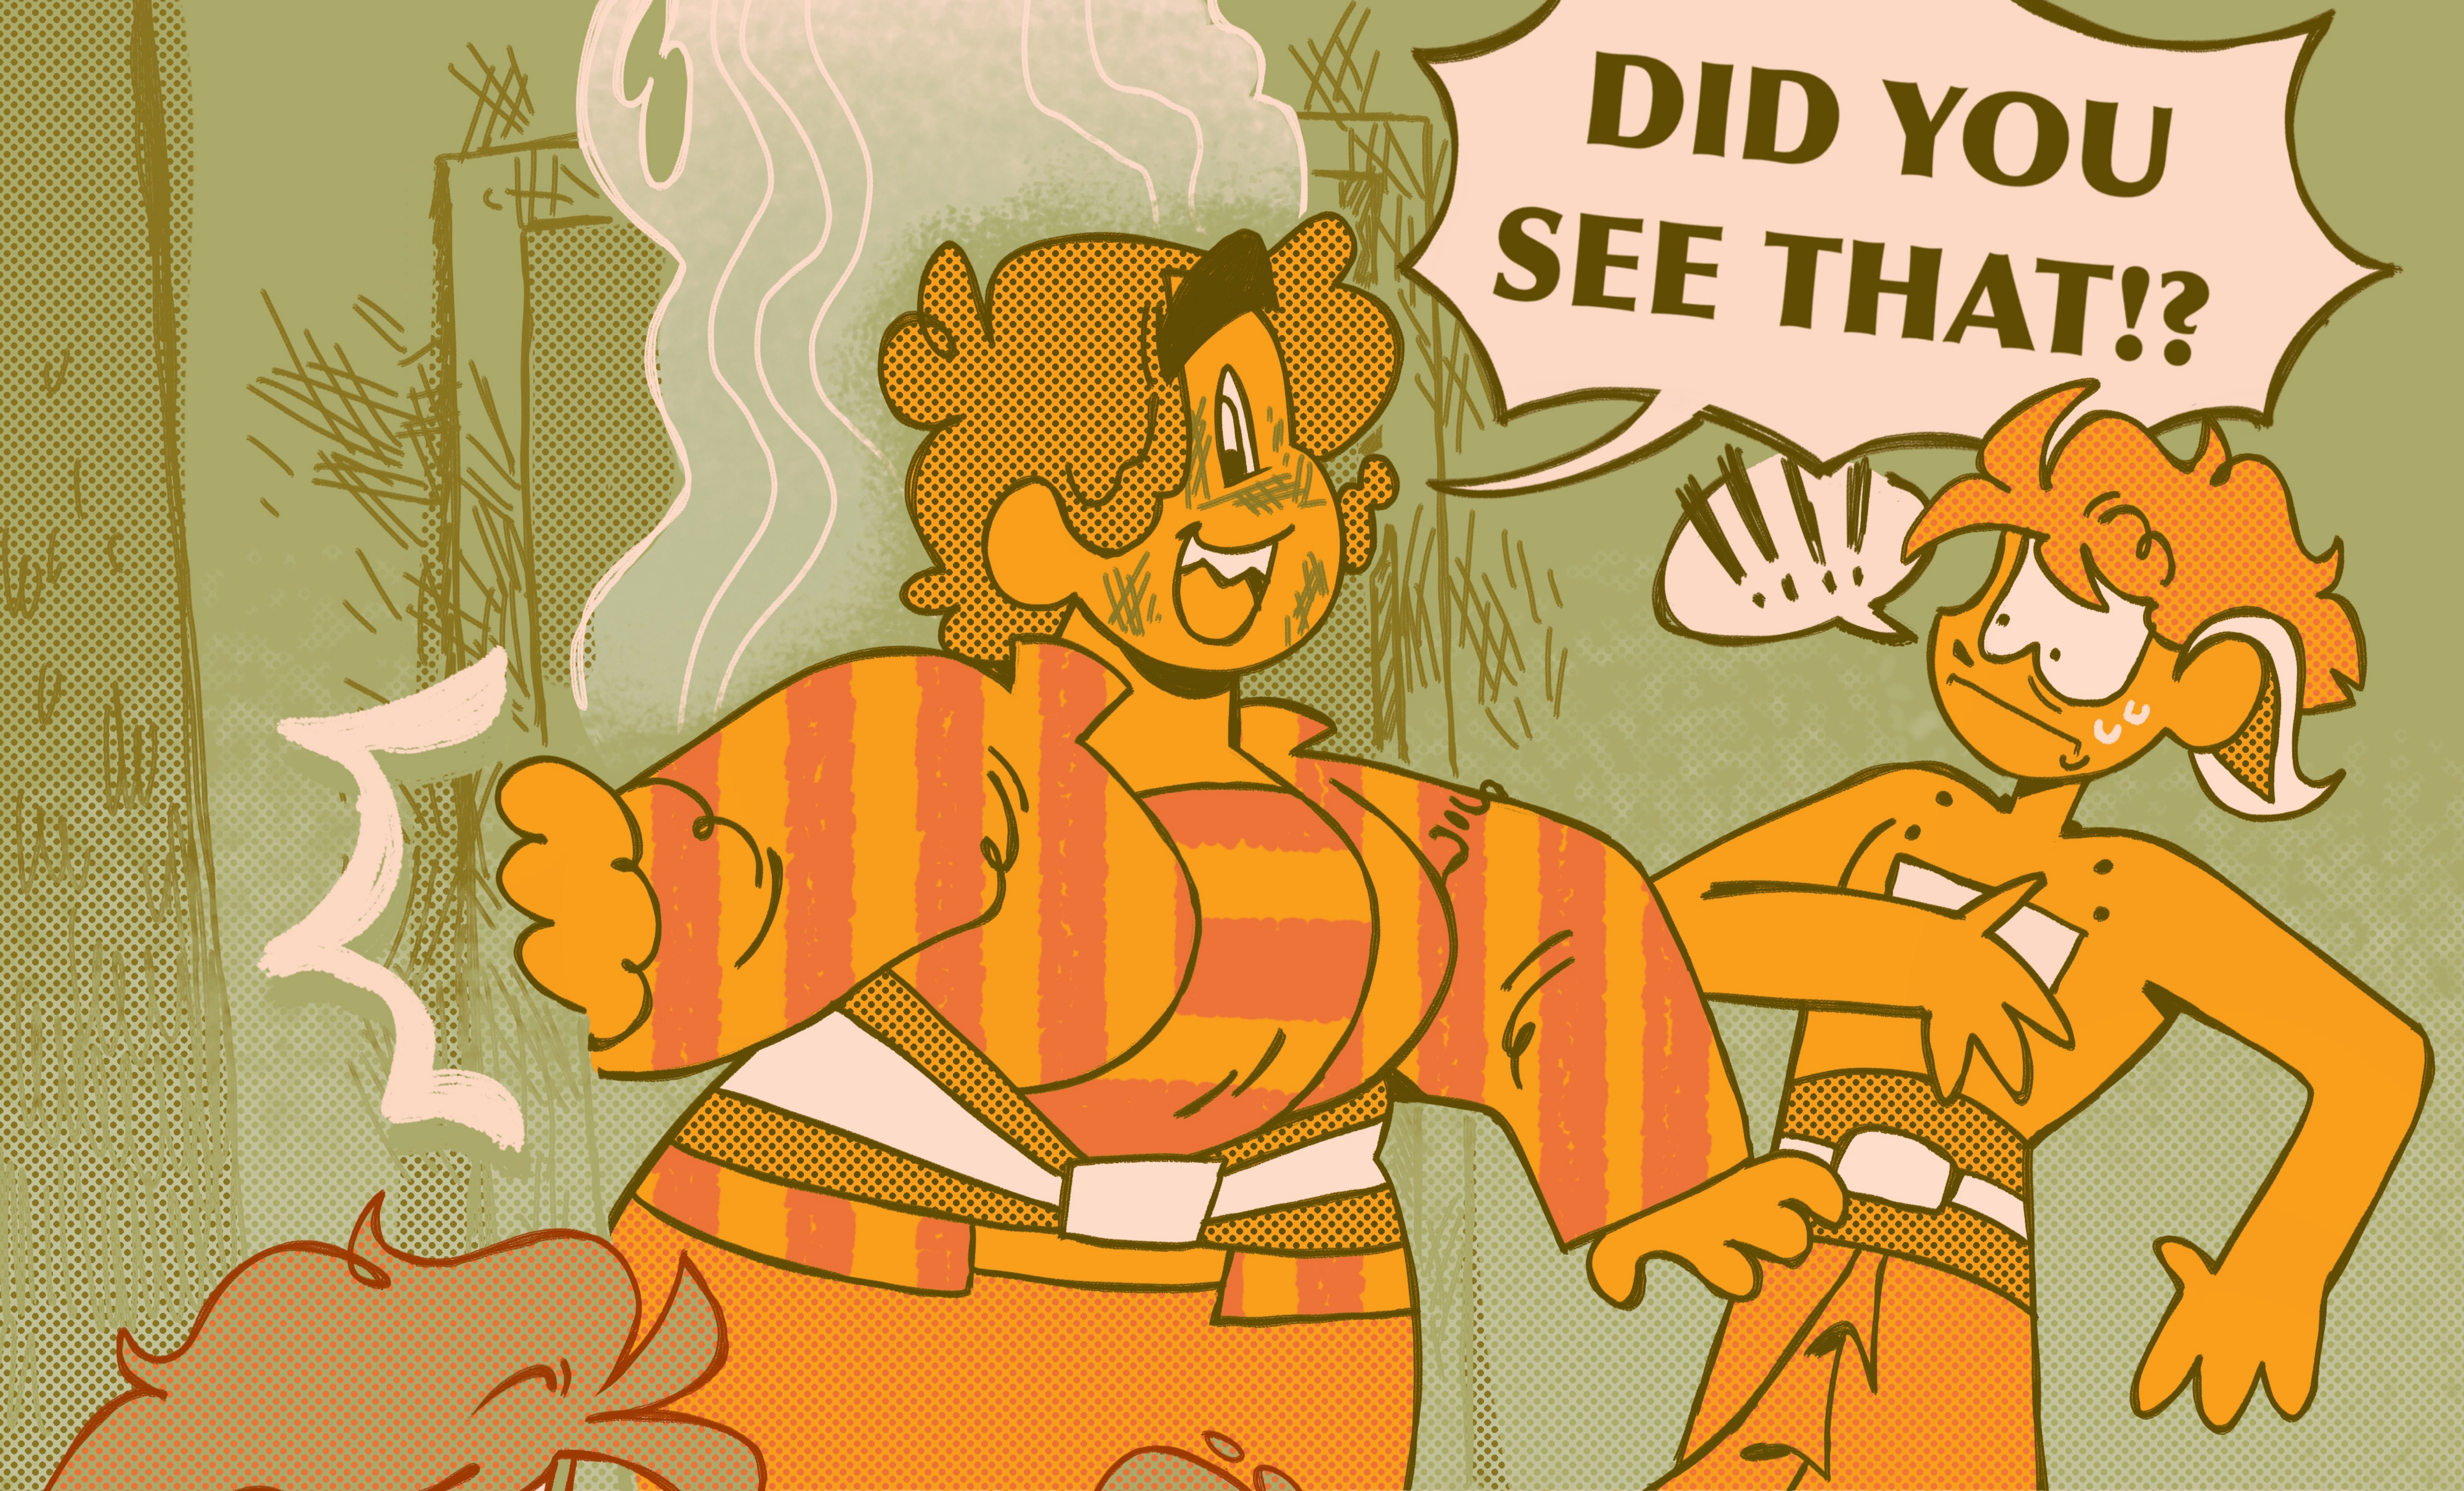

**Just take
it easy...**

**I wonder how
Cahaya is doing-**

BOOM

fsssshhh-

WHAT

**DID YOU
SEE THAT!?**

**It only
exploded after
a minute!**

**Hell
Yeah!!!**

PILOUGH

Eh- your tooth...

Awh! Nice!

Add that to the tooth pocket...

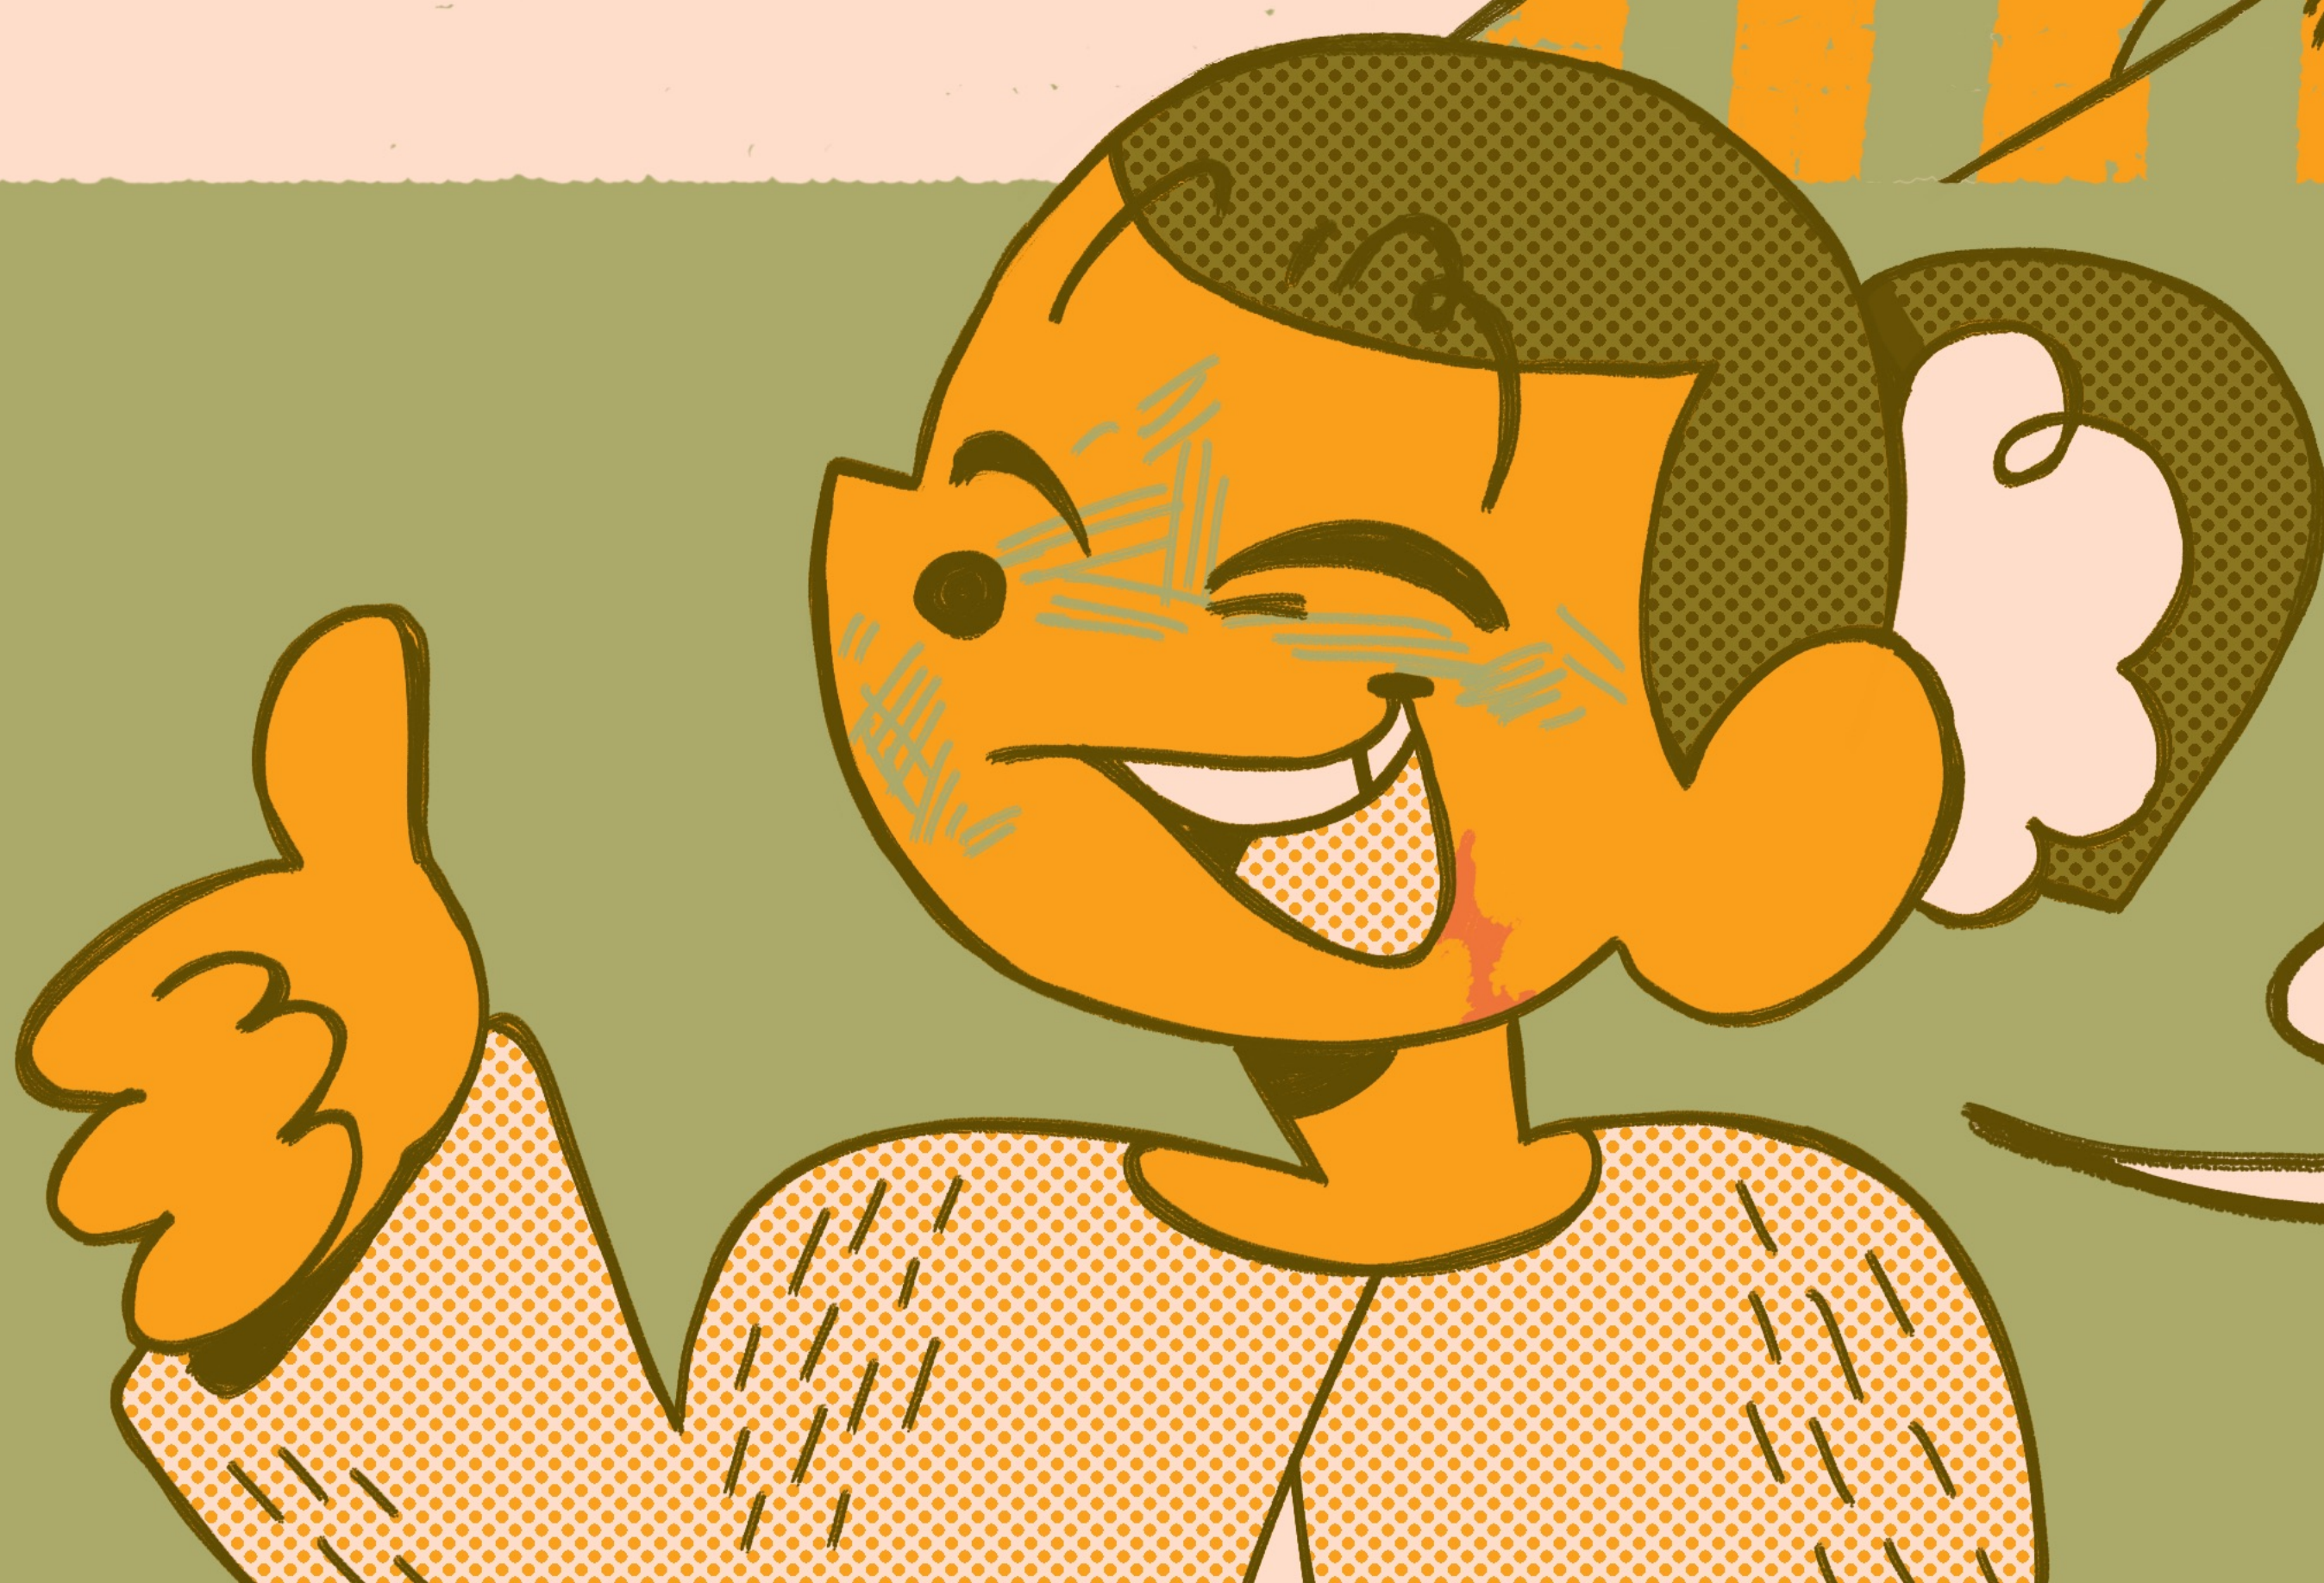

Tooth pocket?

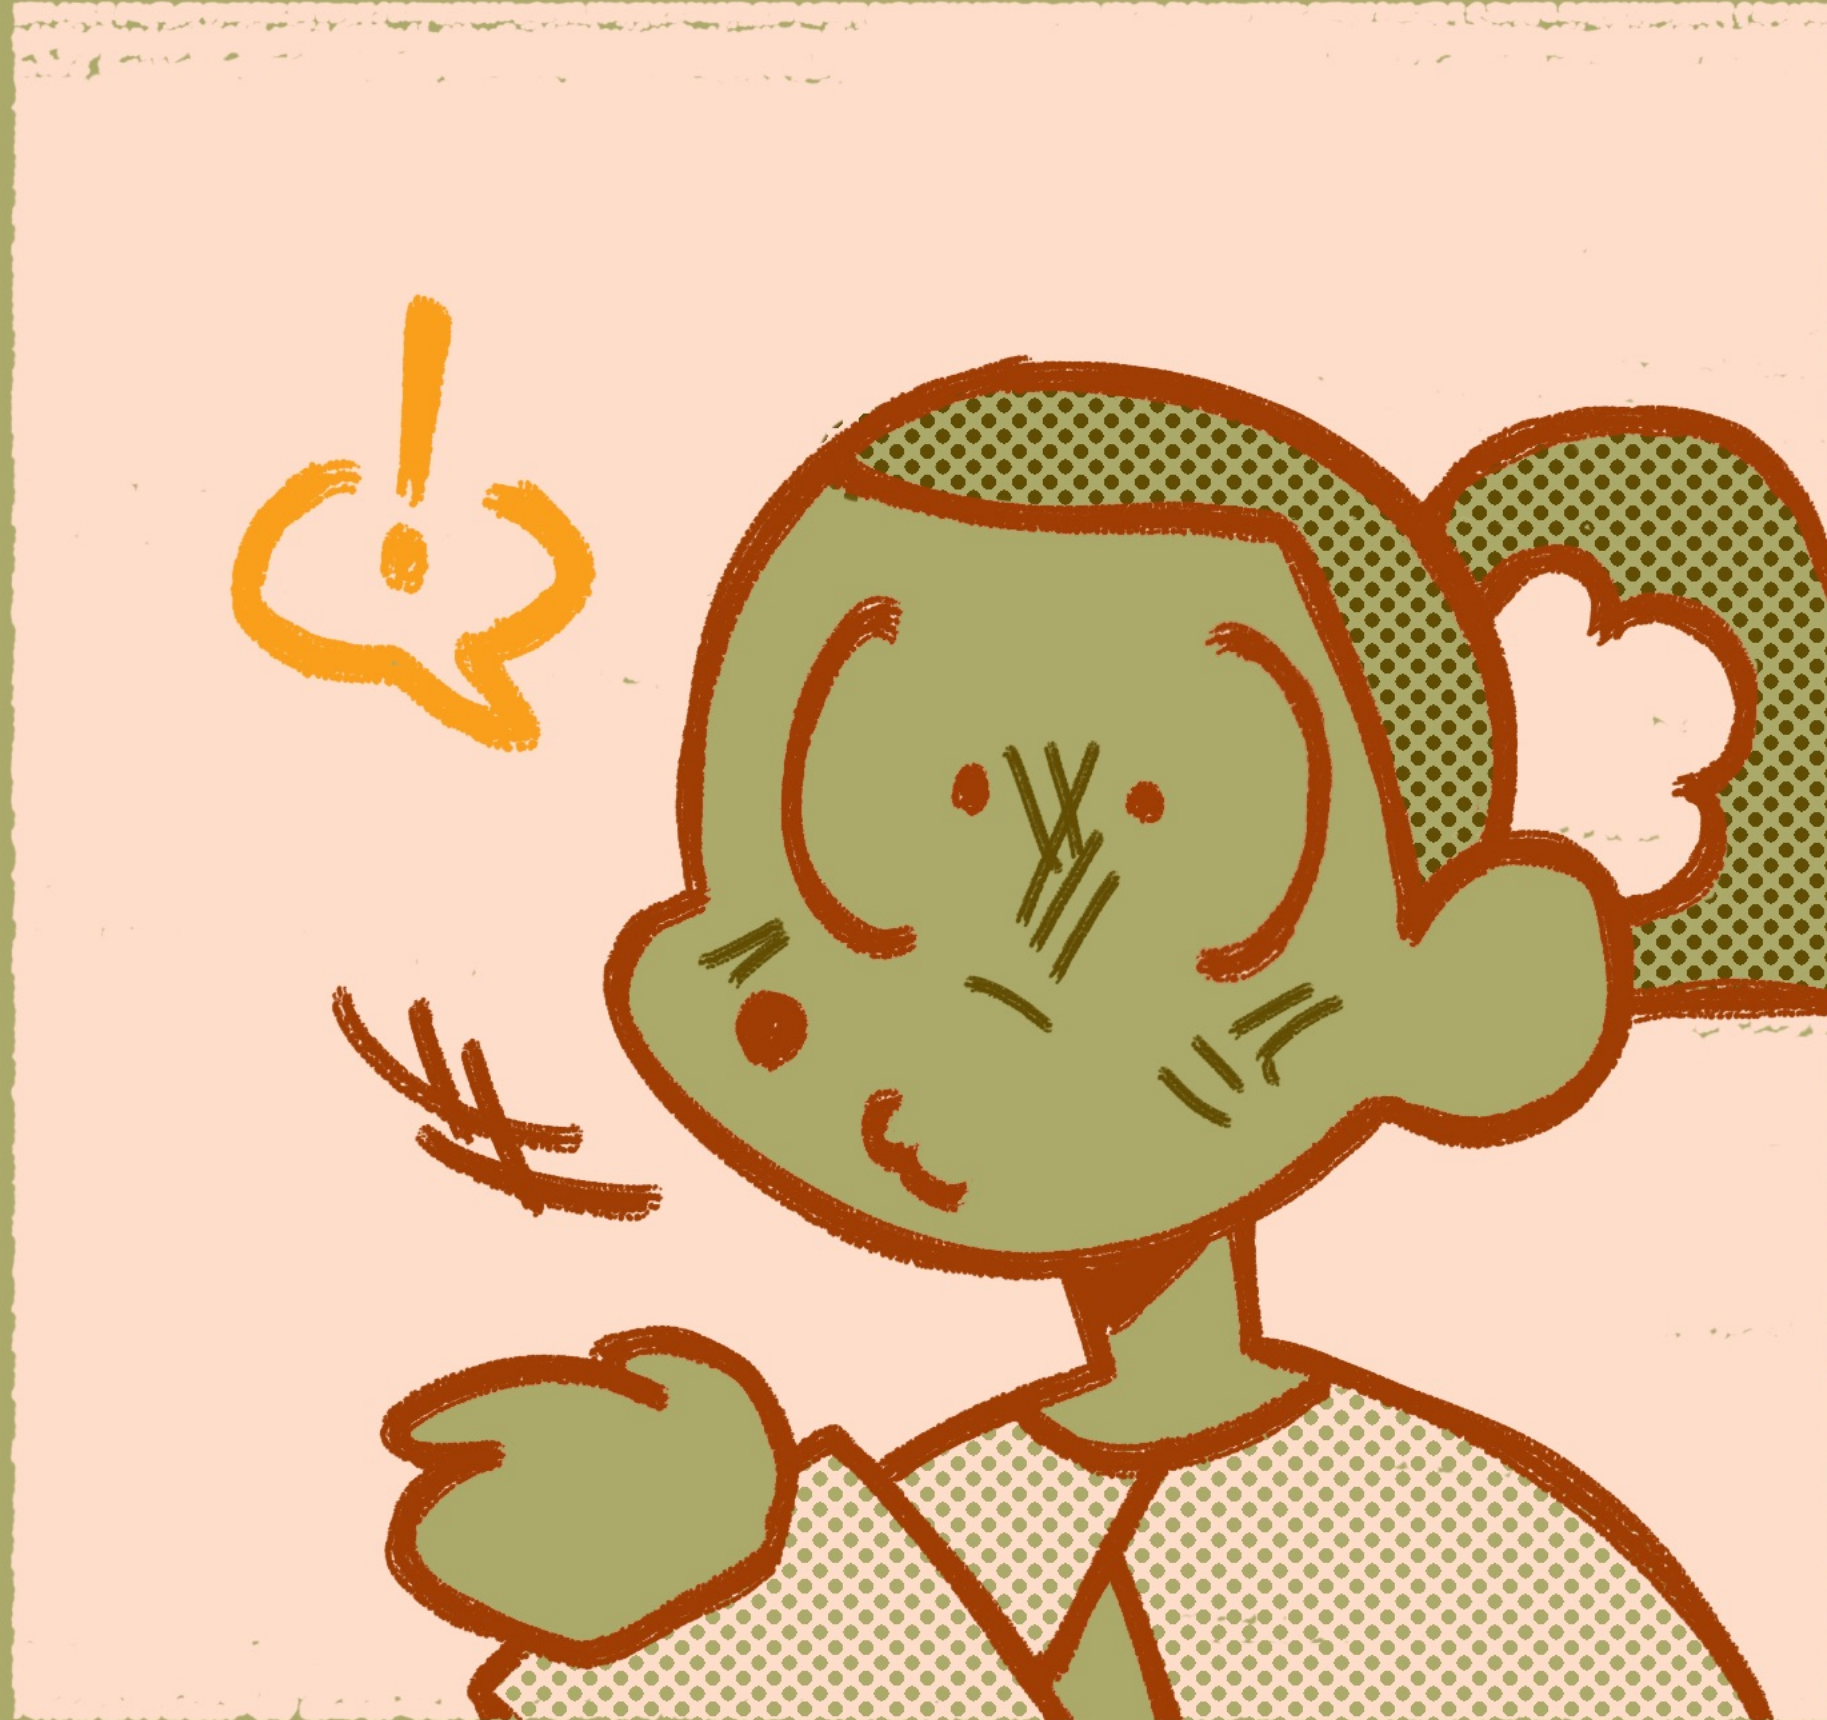

Pocket full of my teeth! Self explanatory, really...

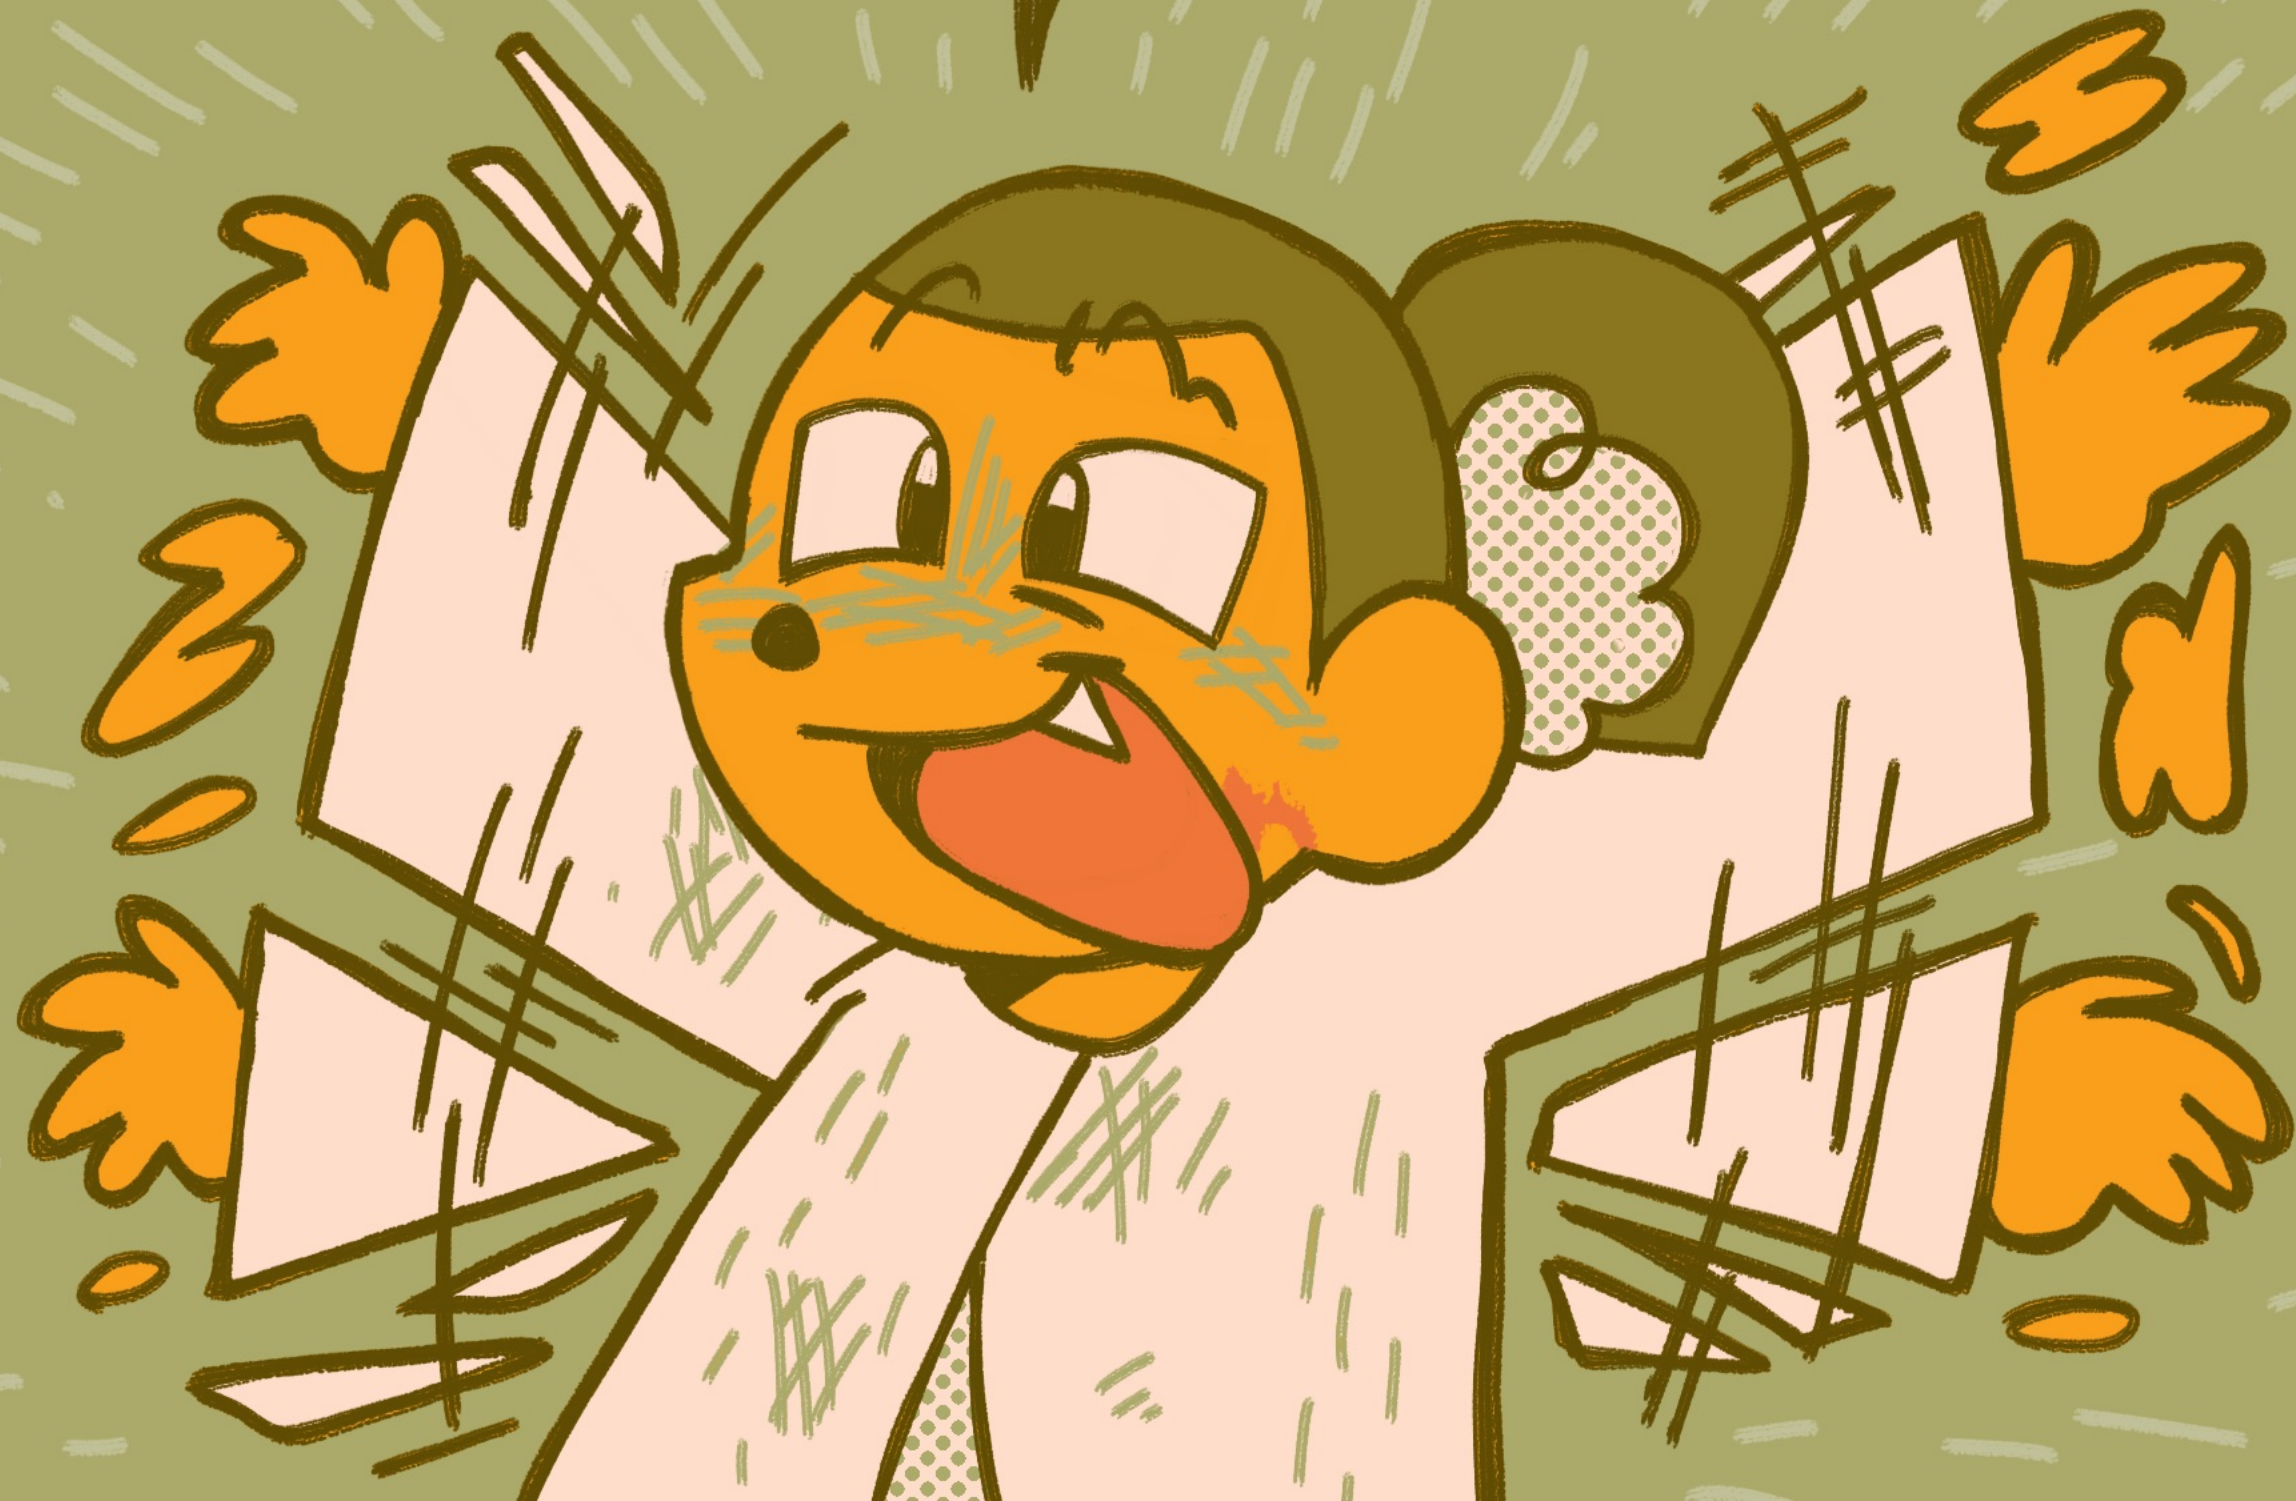

Okay, teeth pocket aside, let's get you patched up
Okay?

Okay!!!

SATRIO!!!

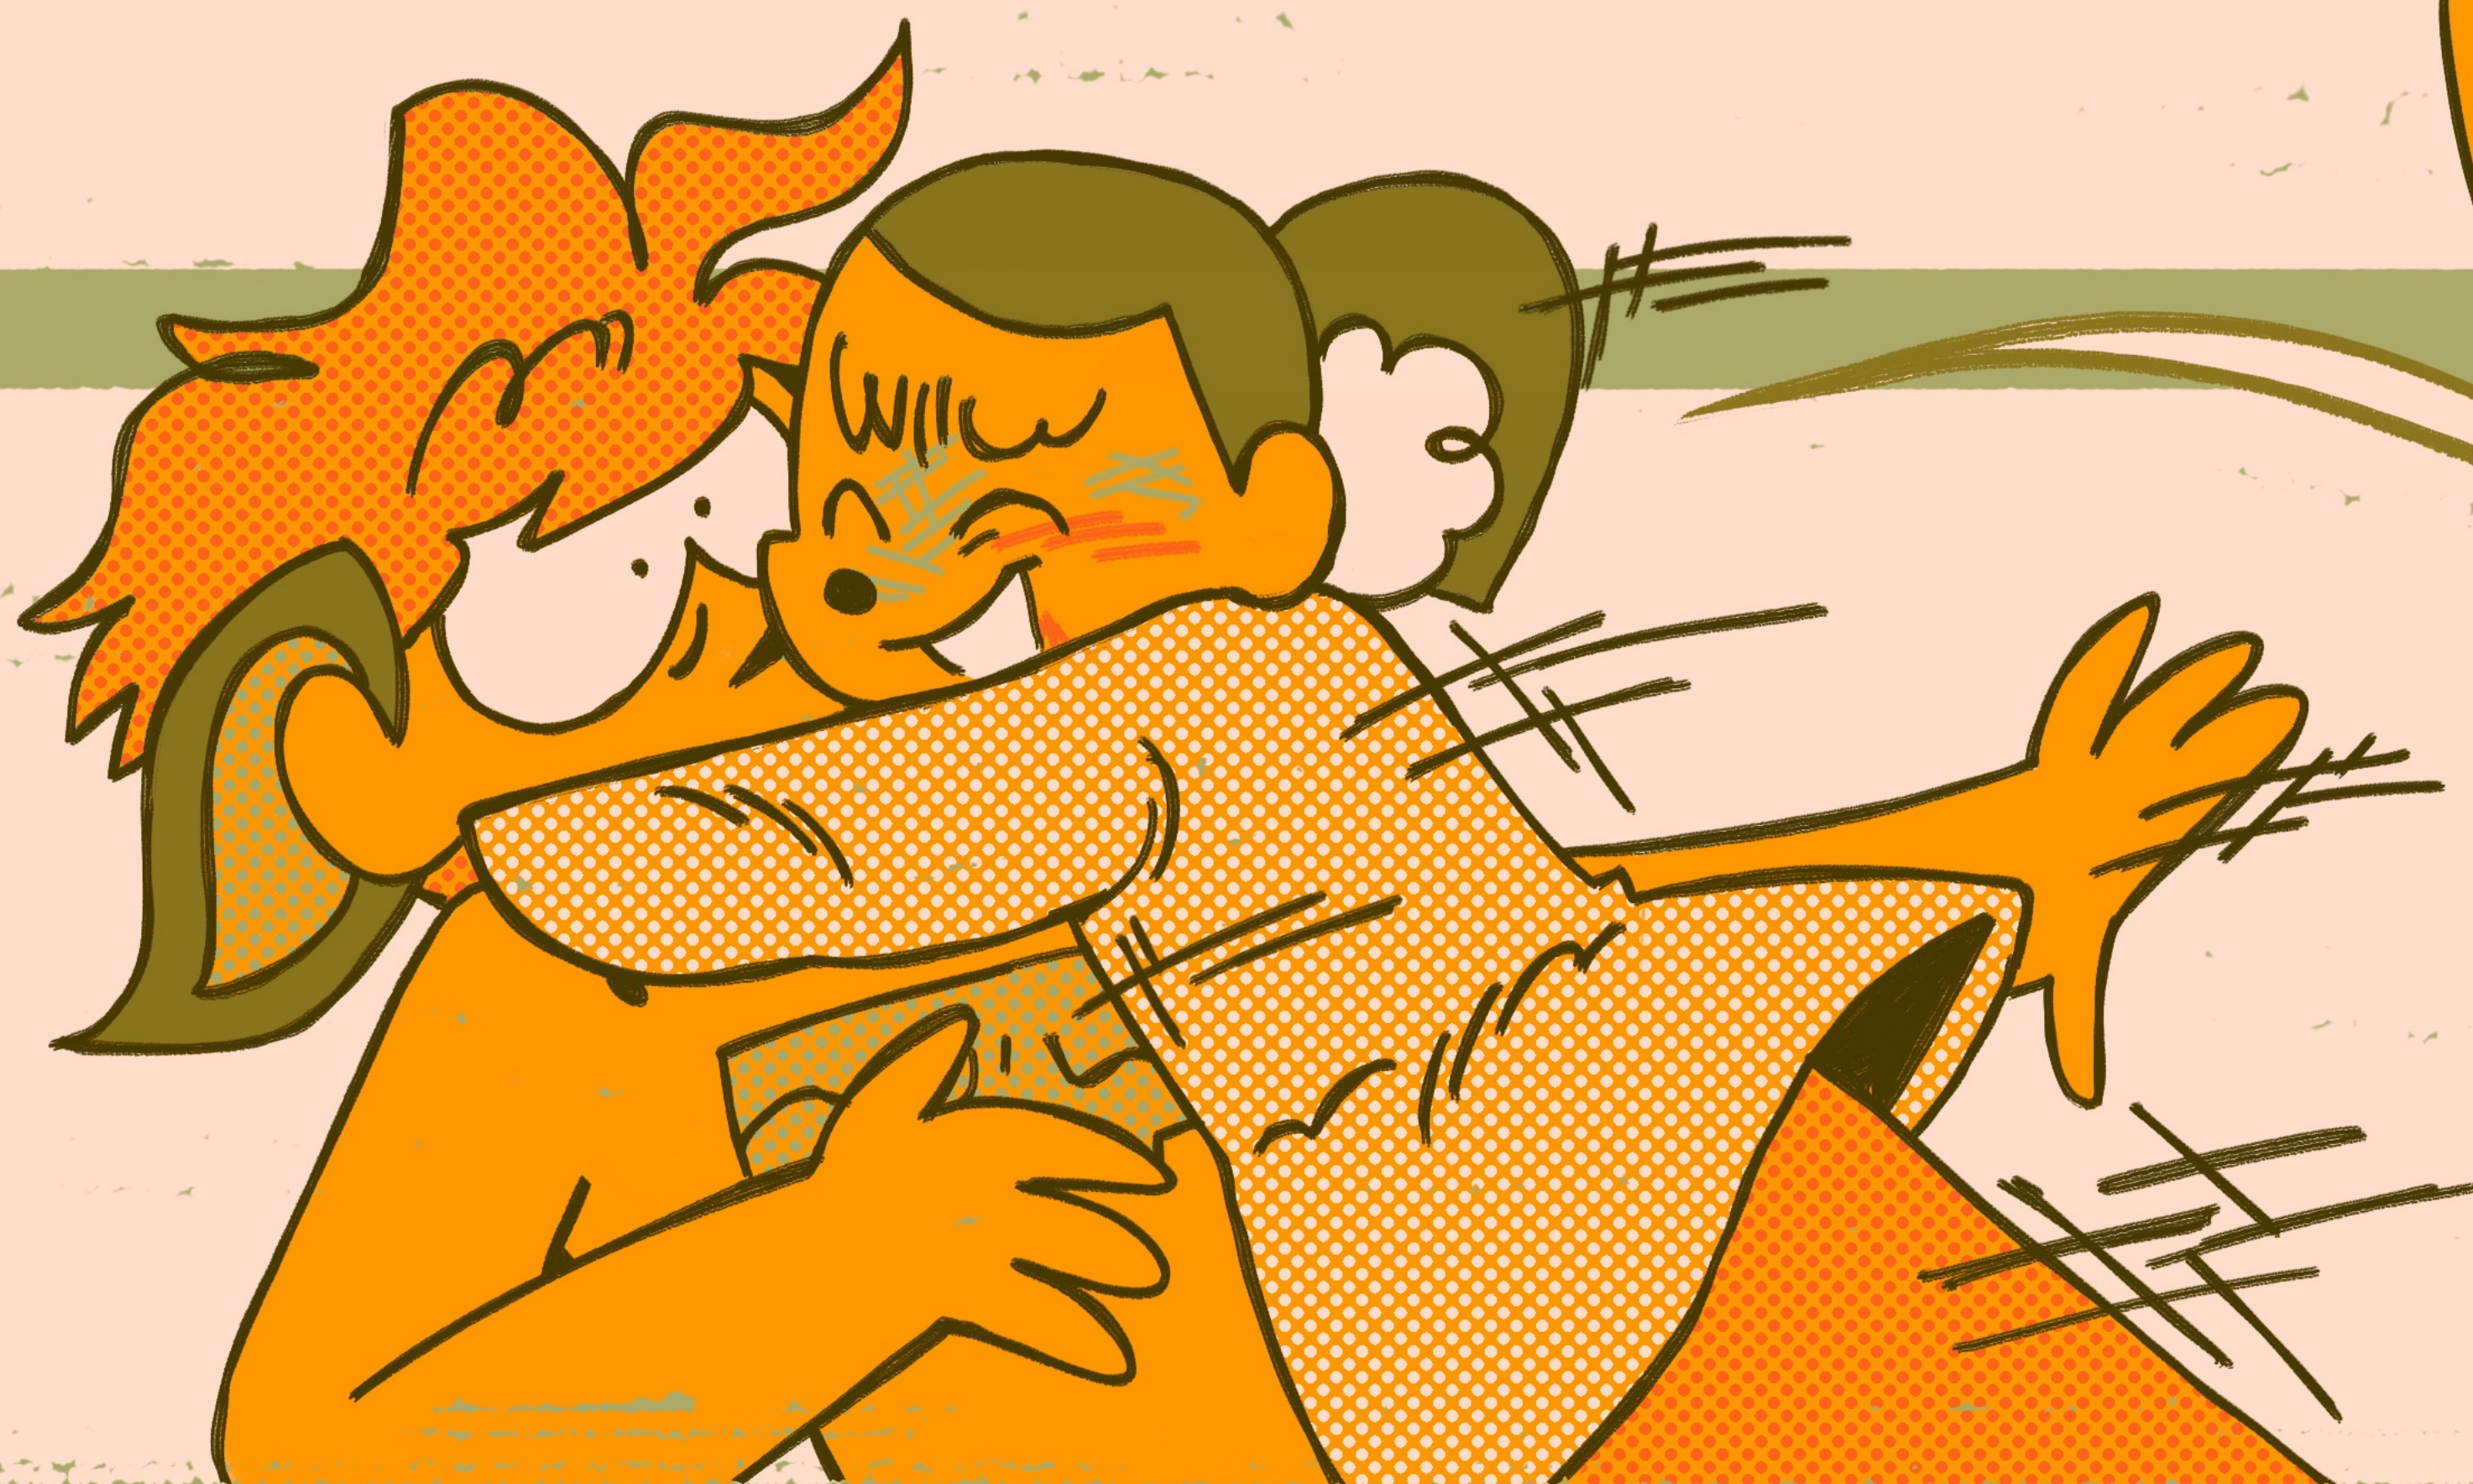

**Hi guys! Sorry
for dropping in out
of nowhere-**

**Augh! We
don't mind man!**

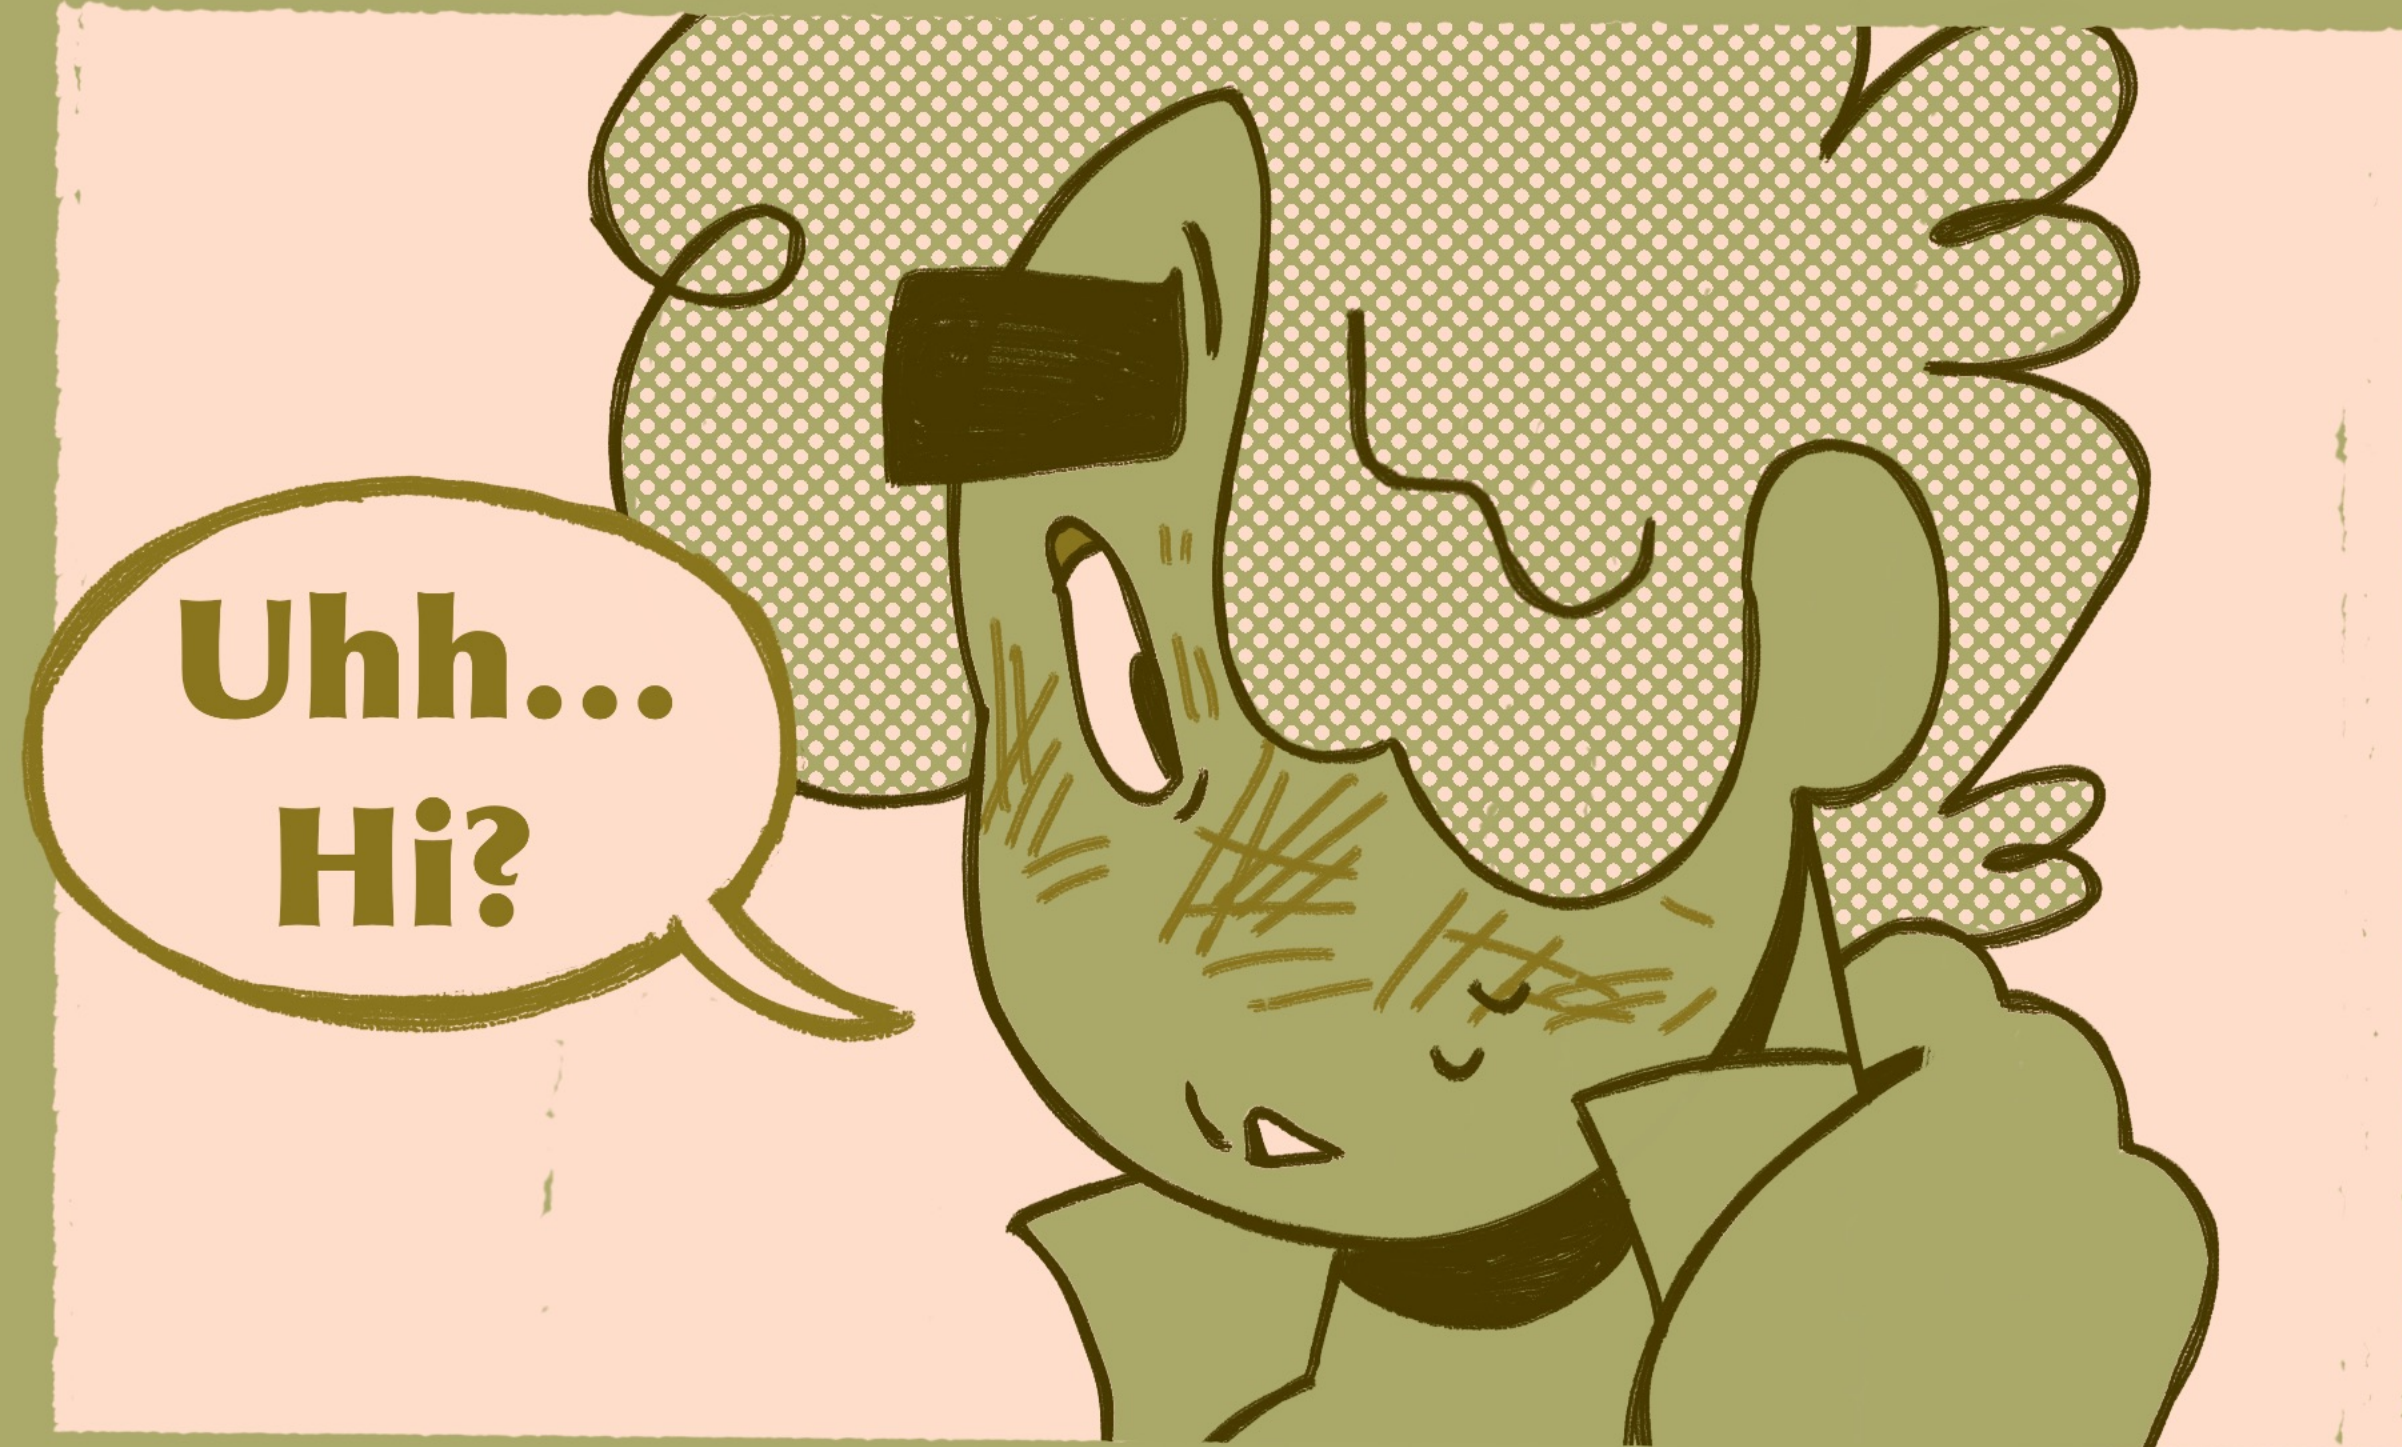

**I'm so happy
to see you again!**

**Heh, it's good
to see you too**

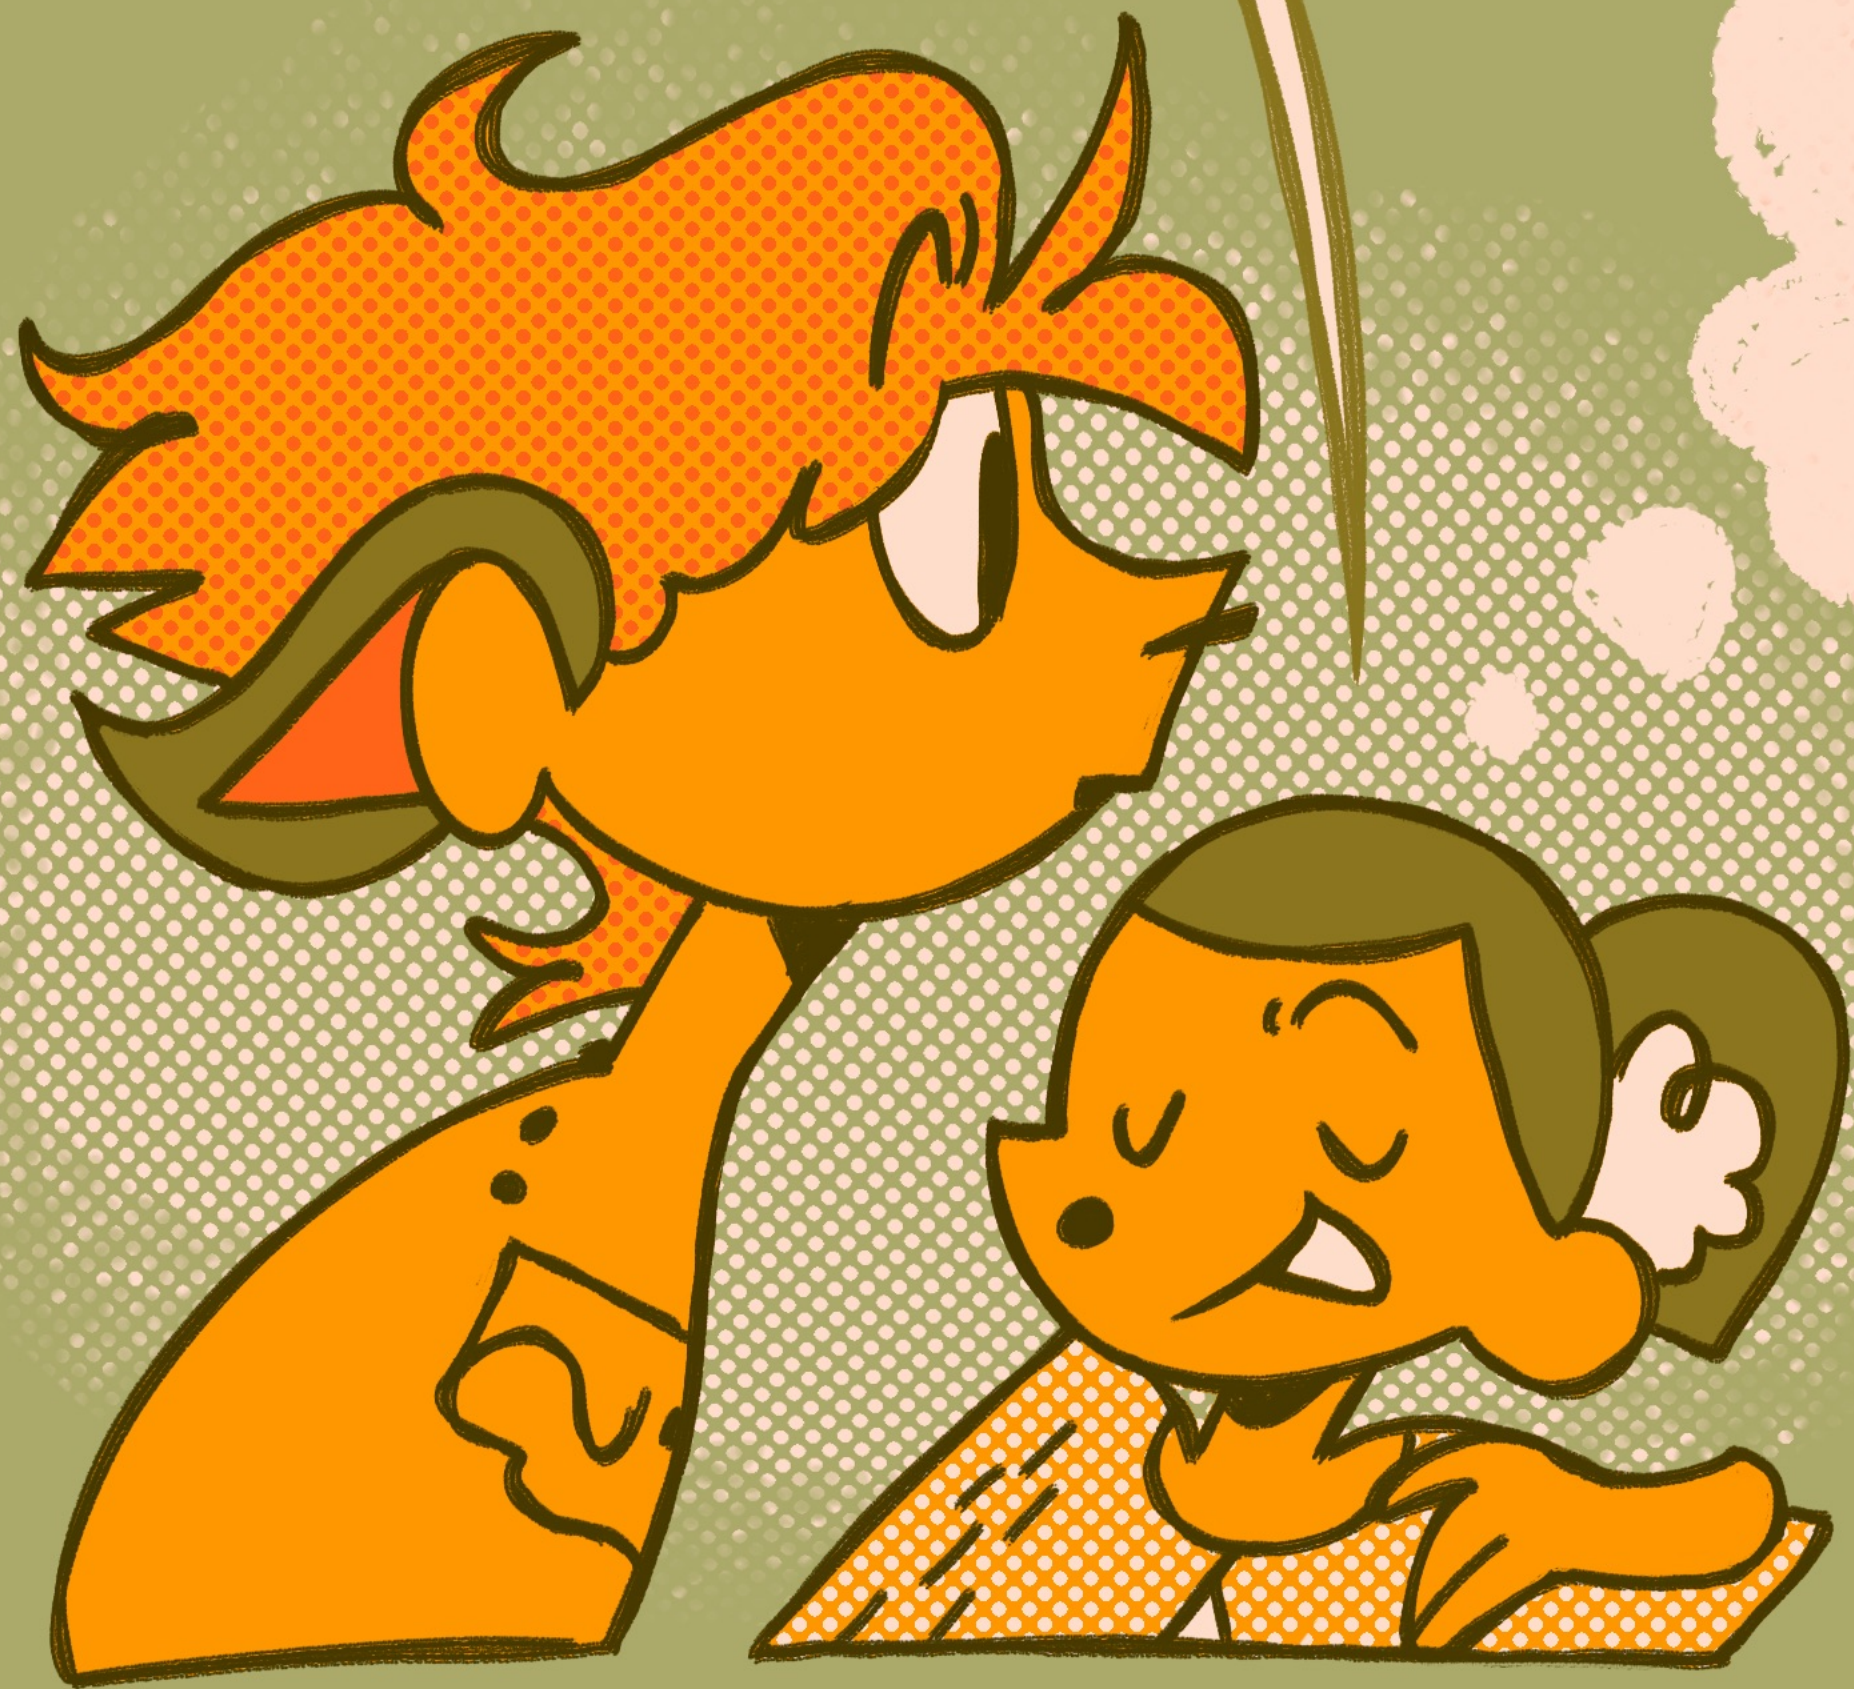

**Sorry that I've
been gone**

**You're lucky you
got awkward weird**

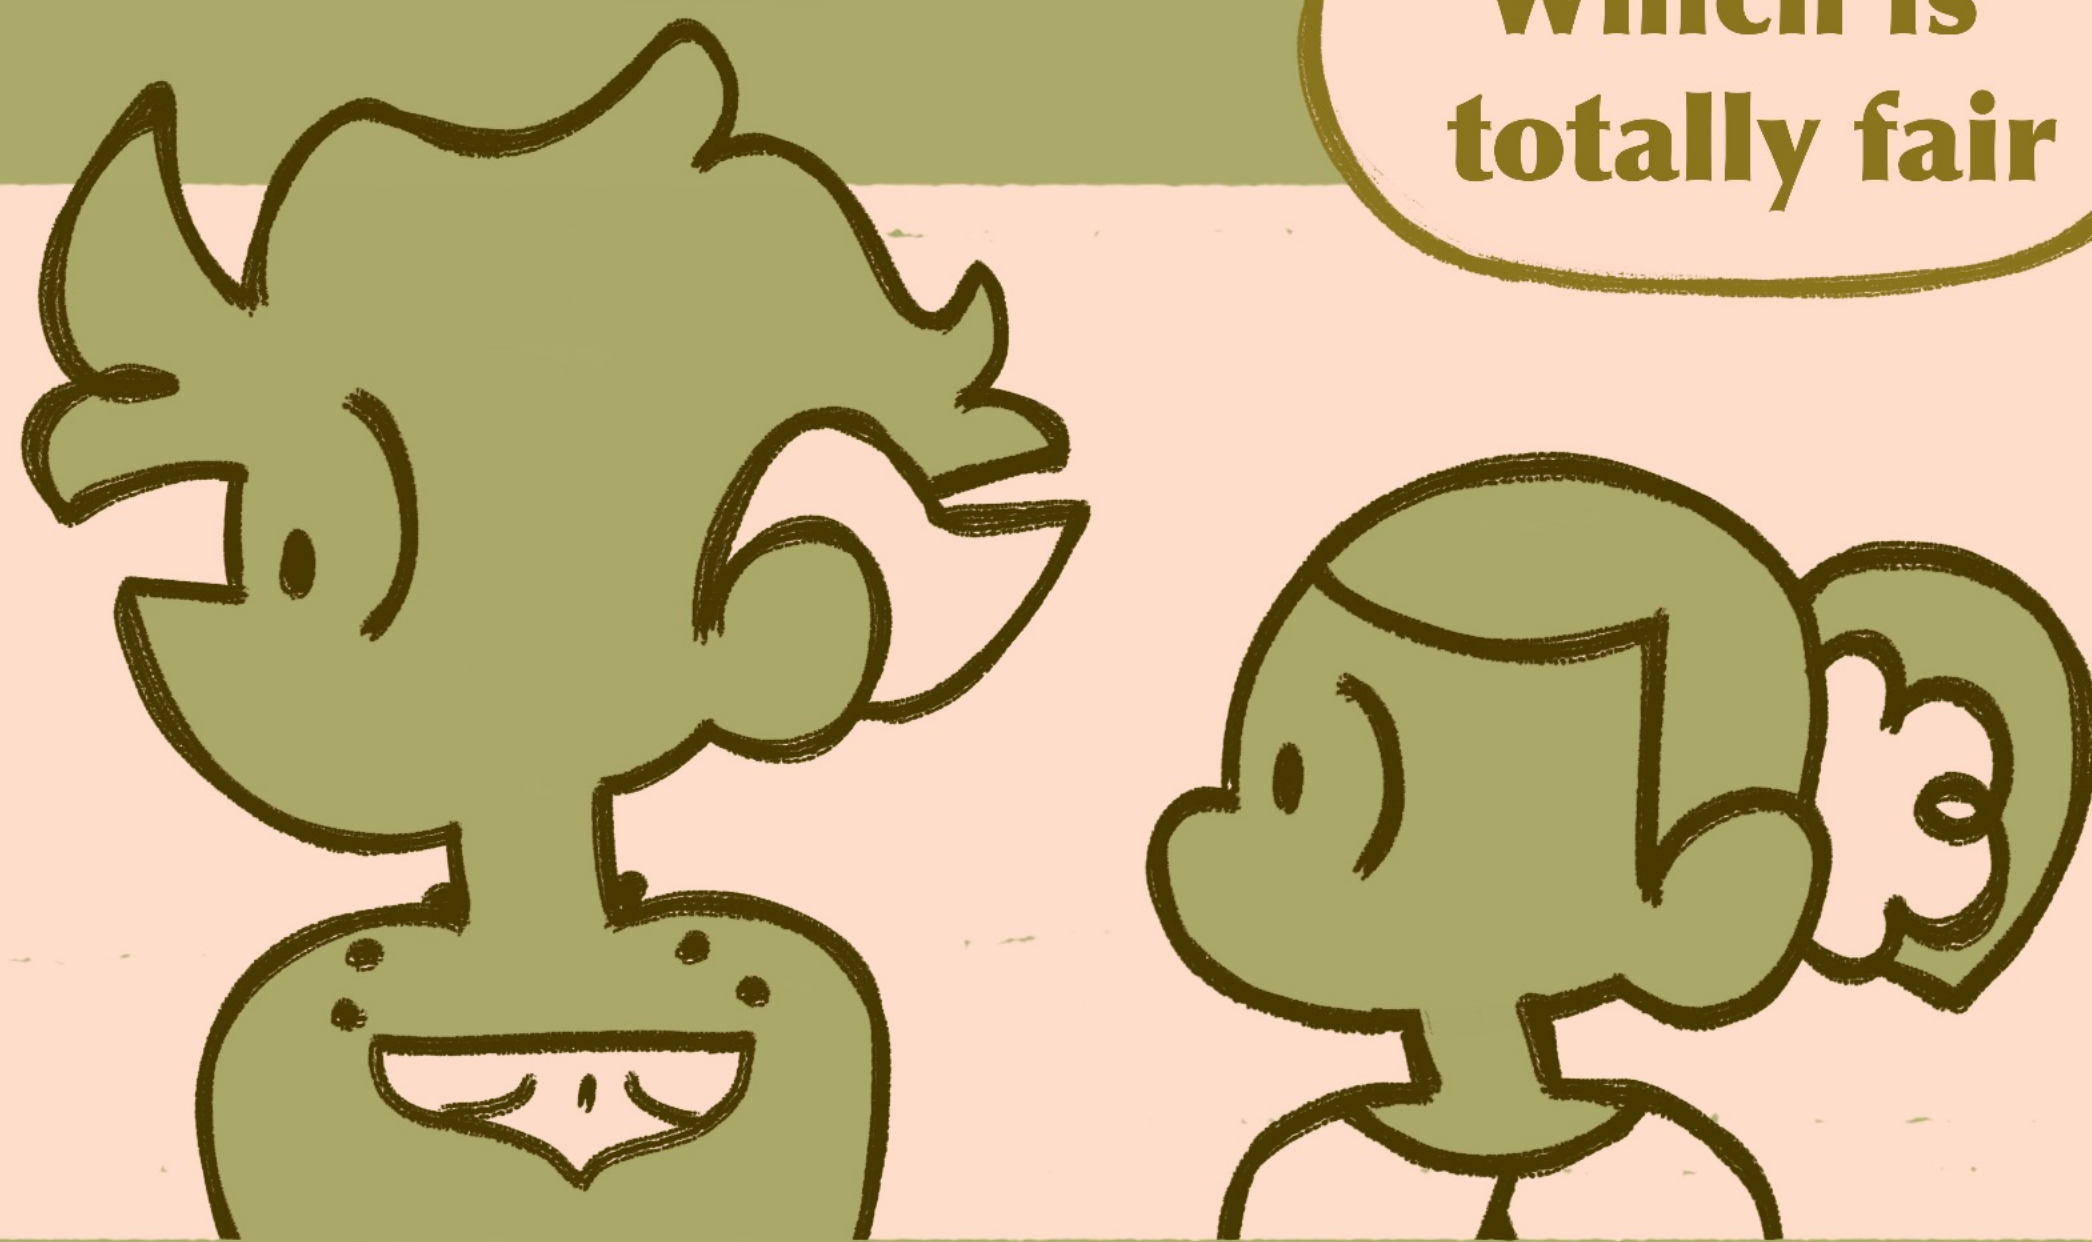

**The first couple
of days, I got creepy
weird from Lime**

**I think it was just
making sure i didn't
steal anything**

**Which is
totally fair**

**CAHAYA!
Get in here!**

**In a
minute!**

Up-

**Look Cahaya,
it's just really weird
for me**

How so?

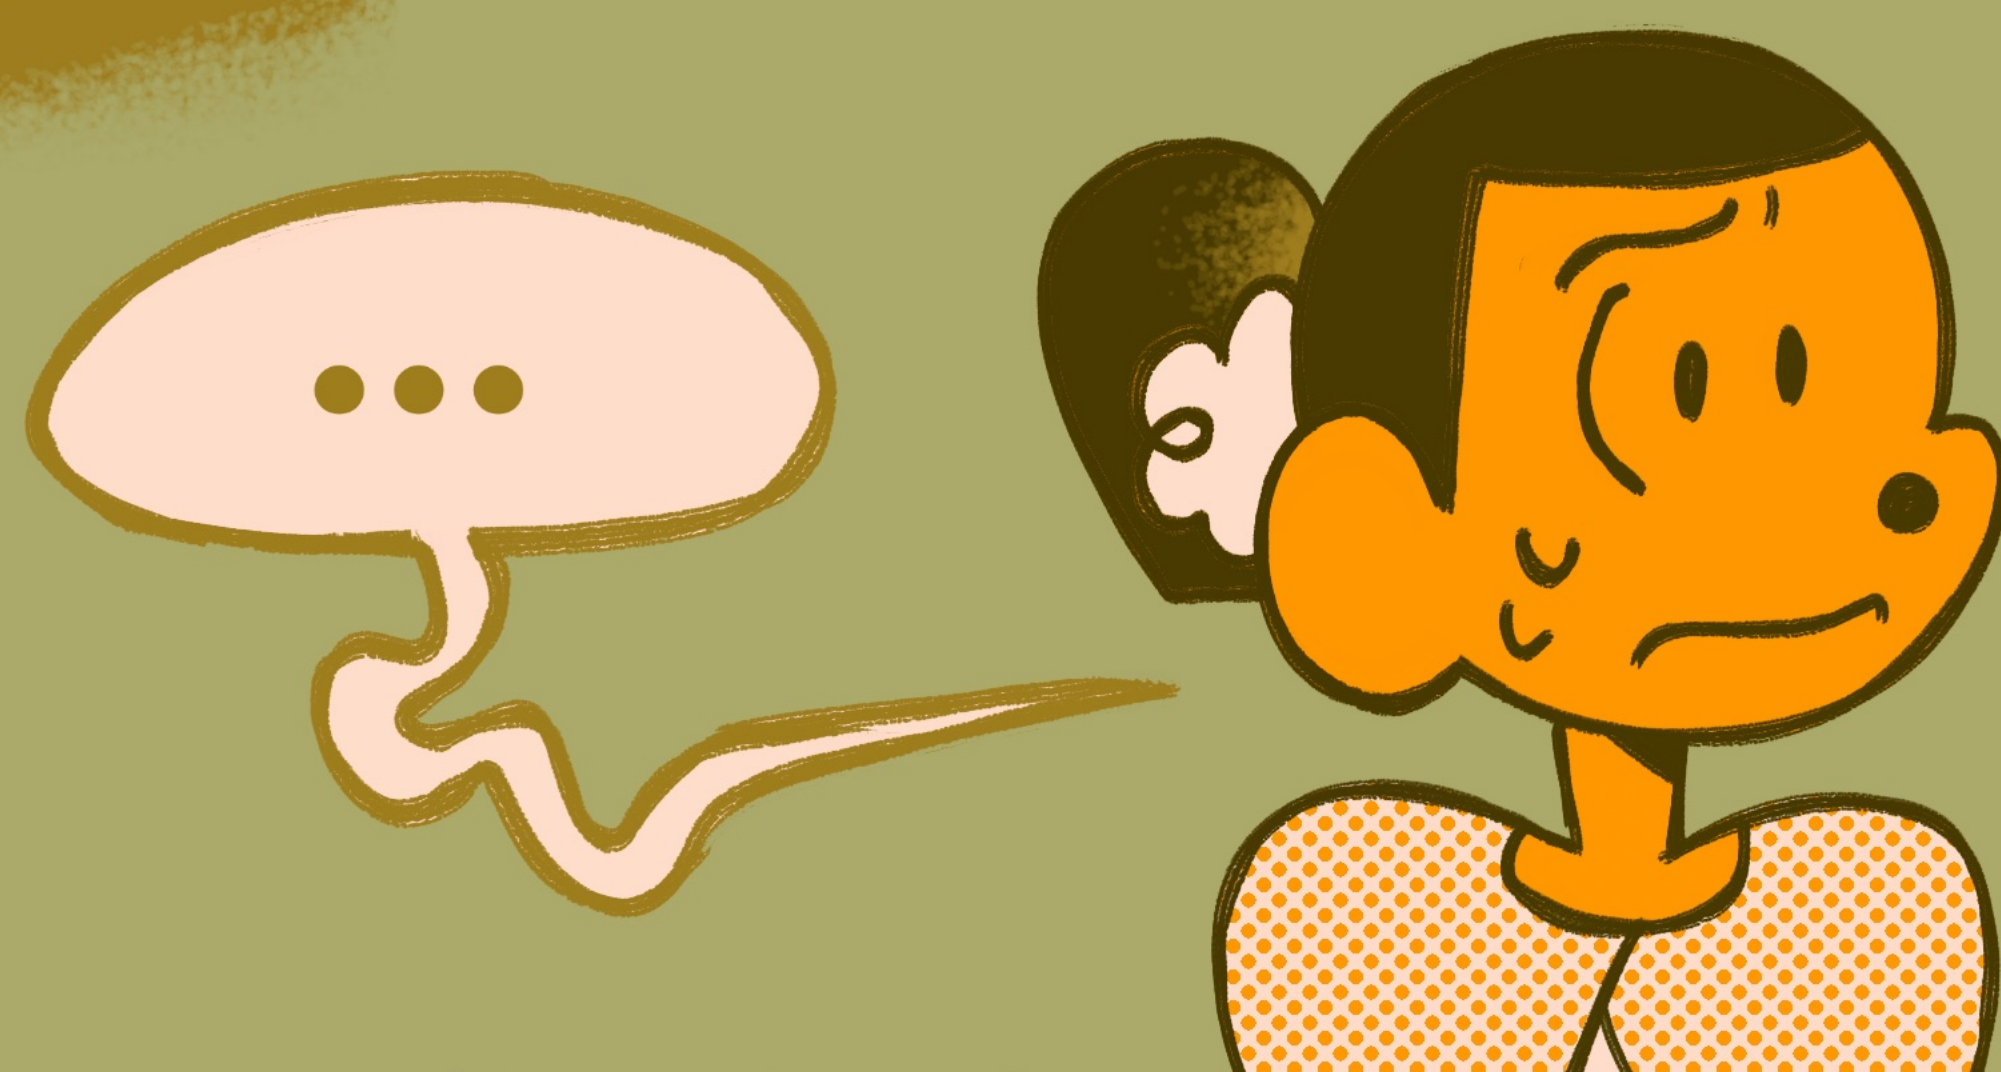

When I knew it, it didn't use to act like this

Well it's been a while, right?
Give it some time?

I've taken time too, Cahaya...

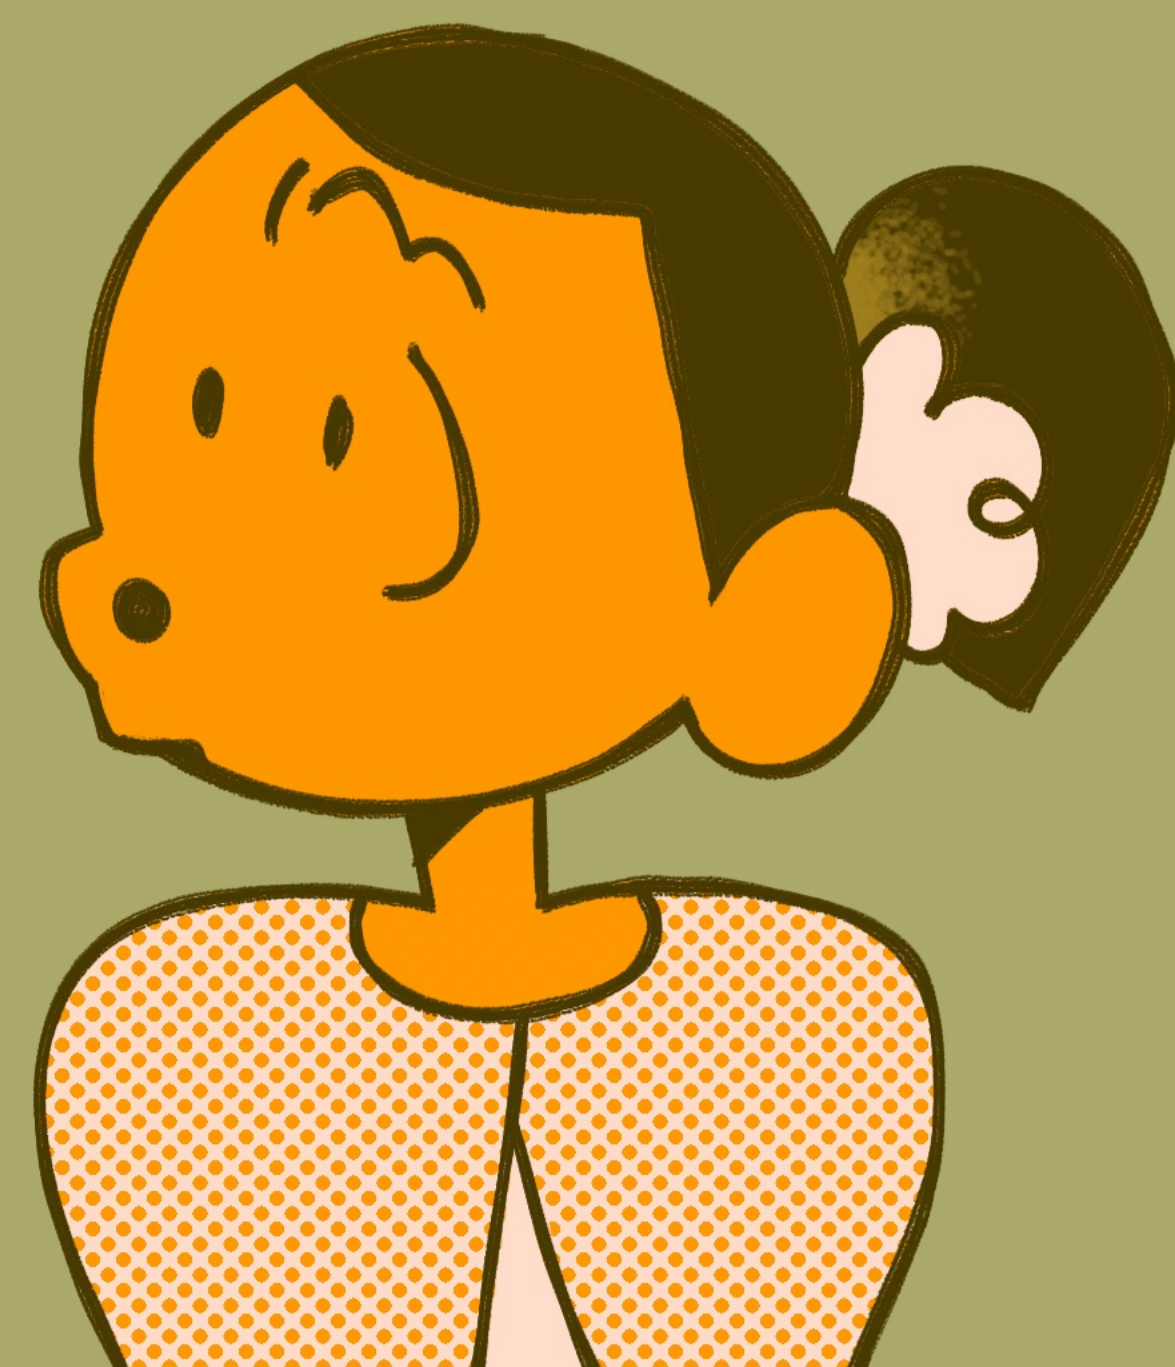

...

Satrio I-

Cahaya
come on!

There you are
Come here
and open your
mouth

Chew and
don't swallow

What is this
for anyways?

To stop the
bleeding and the
headache

so you might
feel a bit woozy

Wait what?
Is she gonna
be okay?

Relax, it's not
my first time being
hammered

Shut up

You're still
a lightweight
though

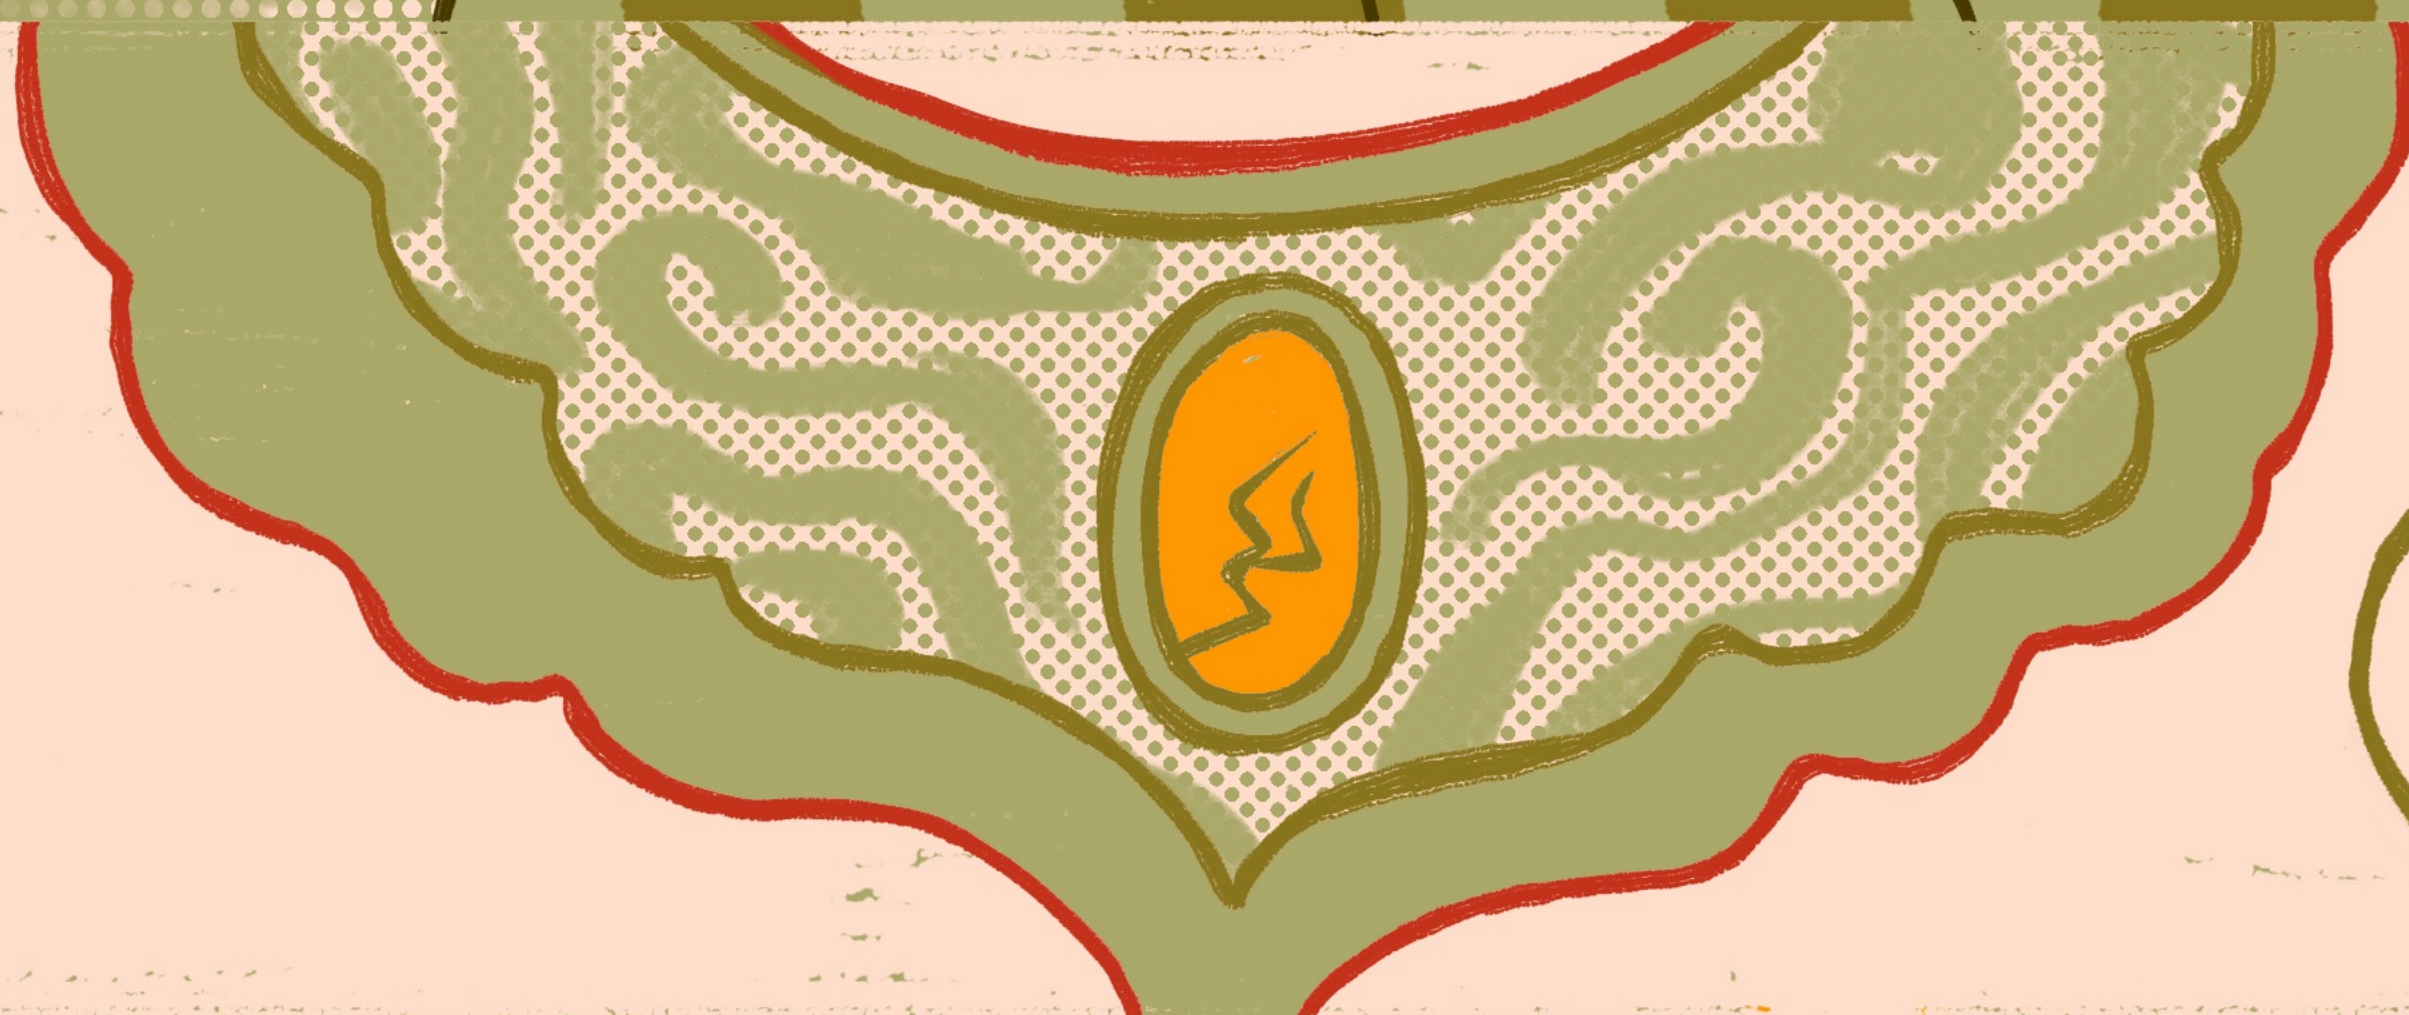

What were you guys doing anyway?

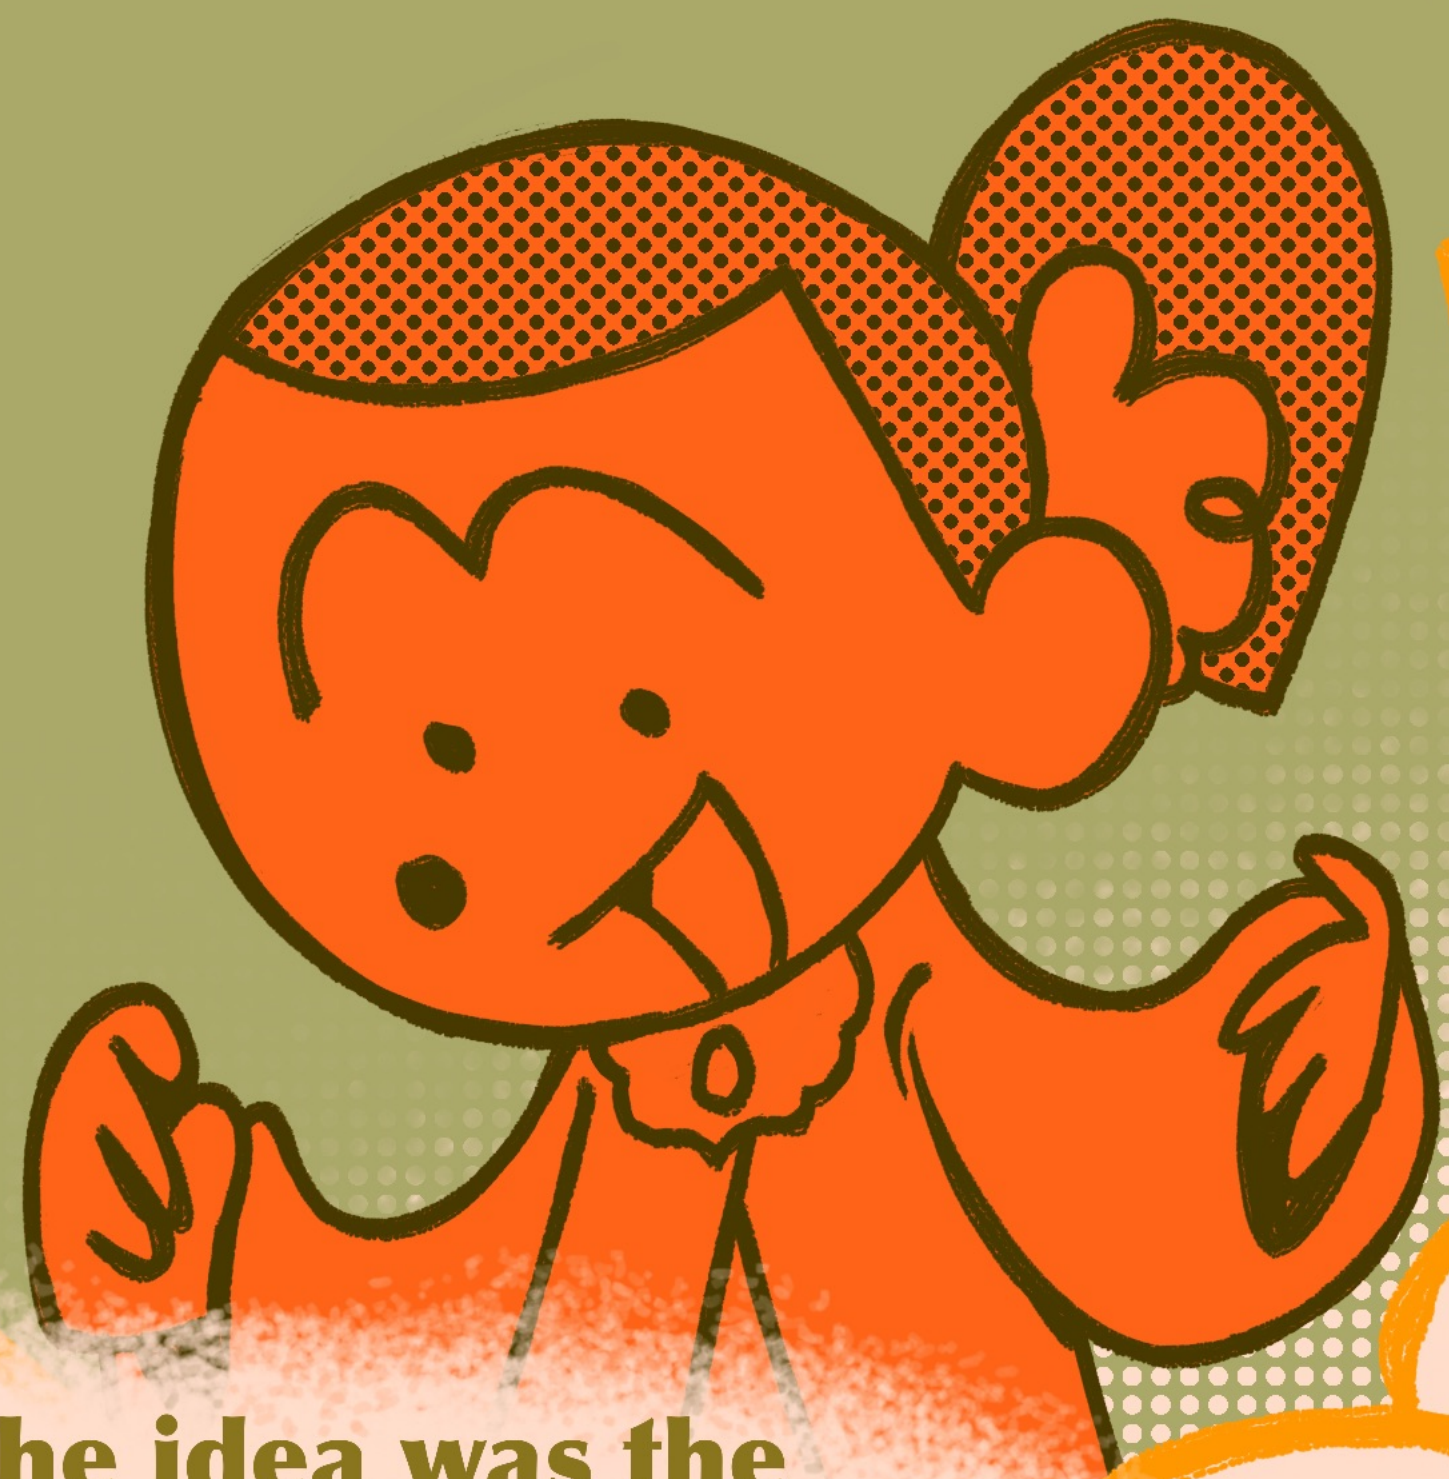

Well, we were working on this

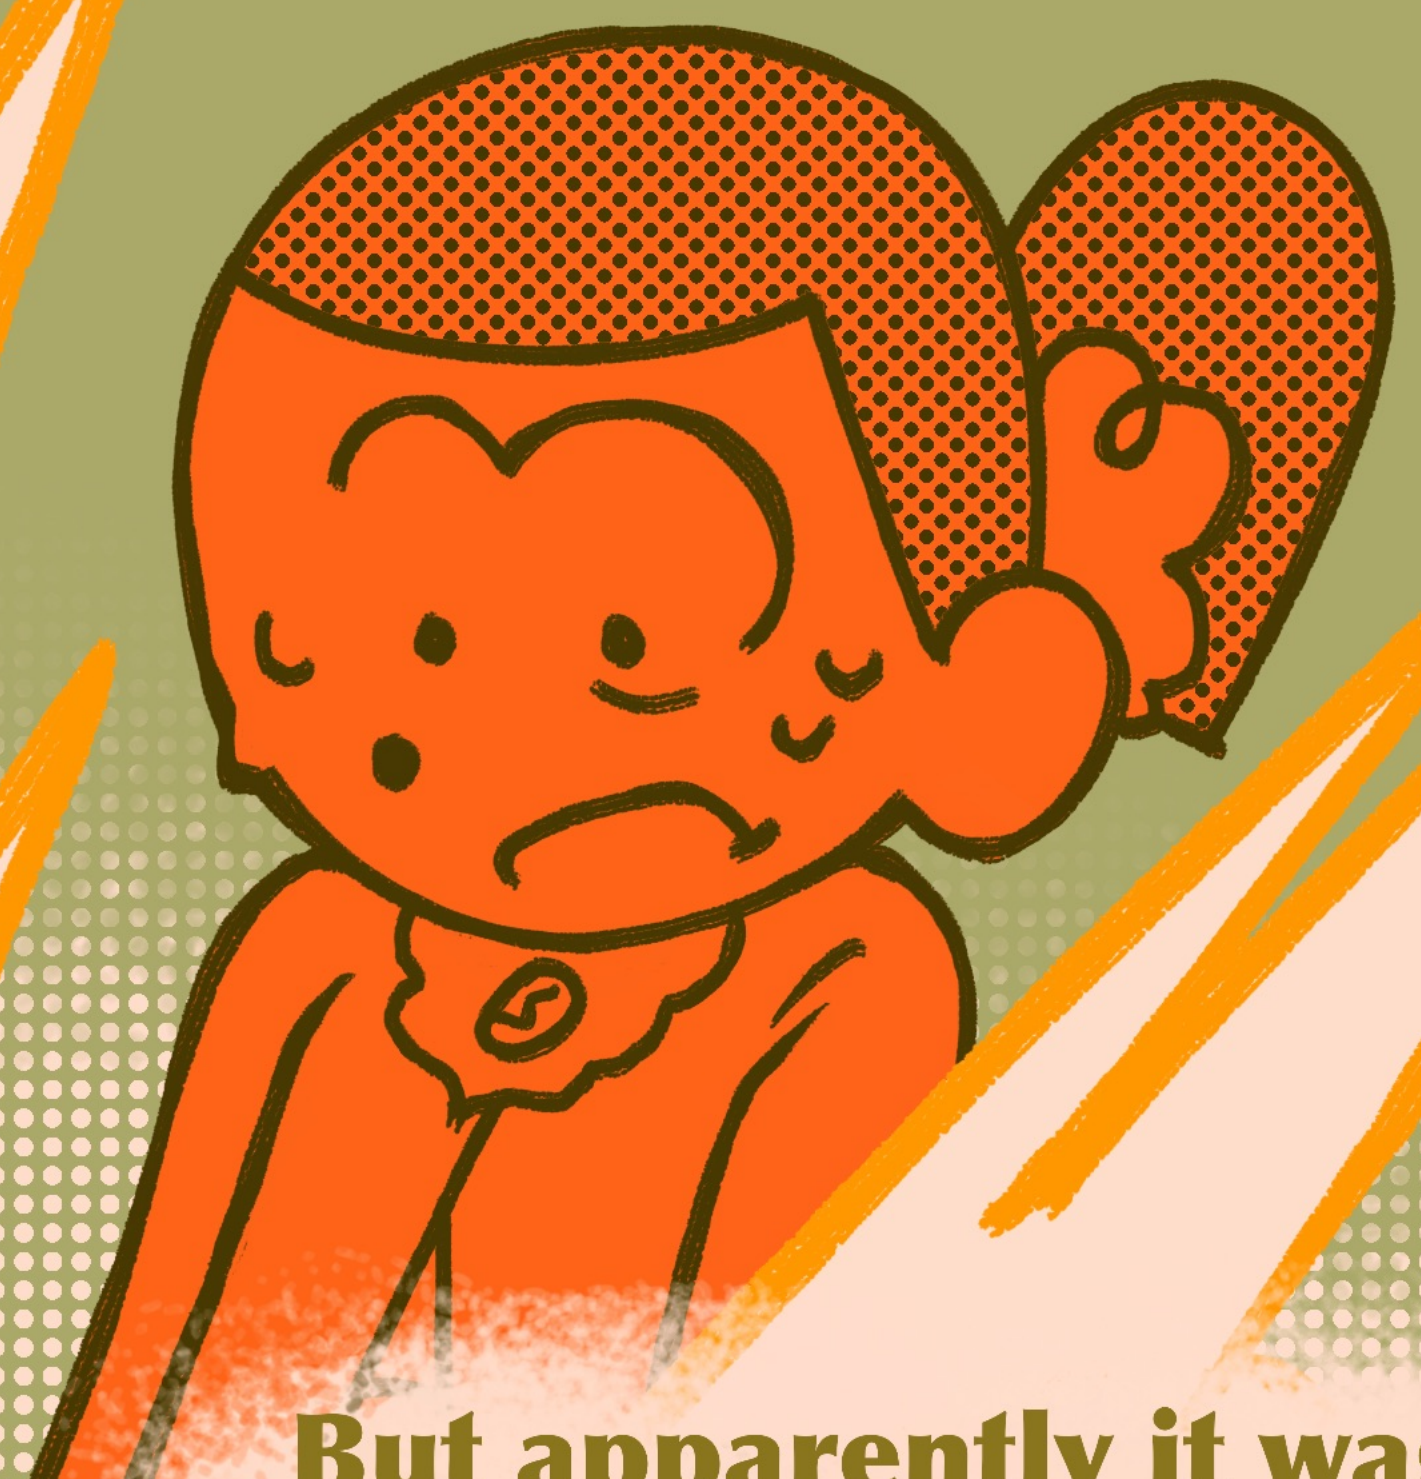

What's that?

An amulet I had laying around
it worked once
for an old client

The idea was the amulet absorbs any curse the wearer have

But apparently it wasn't enough for Cahaya's curse

And well you've seen what happened

Uwweeh...

So whgat
awe we doin
nyow bwoss...

Well YOU are
laying down

NoOoOoo

Hup, let's go

PUT ME DOWN!

Nope, you need
sleepy time

**I AM
A GROWN
WOMAN!**

**Sorry for
making you stay
outside**

**She's small
but fast**

**O-oh! I
don't mind**

**Is there
anything I can
help you
with?**

Well uhm-
Can you maybe
look after Cahaya?

She's knocked
out cold...

I don't know
how she's gonna
act when she
wakes up

Mkay! We
can do that!

Well, I thought that
you can do that alone
maybe? Can you?

Oh, y-yeah I
can but where are
you going?

Gonna get some
metal to reinforce
the pendant

Might take a
while but I'll be
back this afternoon
or night maybe

that...
sounds like
it's gonna take
a while
Maybe
I can help
you

That's great
and all but what
about Cahay-

Oh she'll be
fine! Hold up

Whaaat are
you doing...

Well let's just say
being a forest spirits
comes with it's
short cuts

How?

SWOOSH

Okay, I know
you two were
tailing me
whaddaya
think?

Kruu-

Wha- I am a
full grown man!
I can go
wherever I want
to go!

Kreuh
KRAH!

Why dont
I just-
you know
I can't!

Uh- Satrio?

You good?

YEP IT'S ALL GOOD

Who are
you talking to?

DON'T WORRY
ABOUT THAT

C'mon
just this
one time

I swear I
won't involve
you guys
with me
again

and you don't
have to deal with
Agni and Luth...

Deal?

Khruw-

THANK
YOU!
YOU WON'T
REGRET IT!

**Okay!
We're ready!**

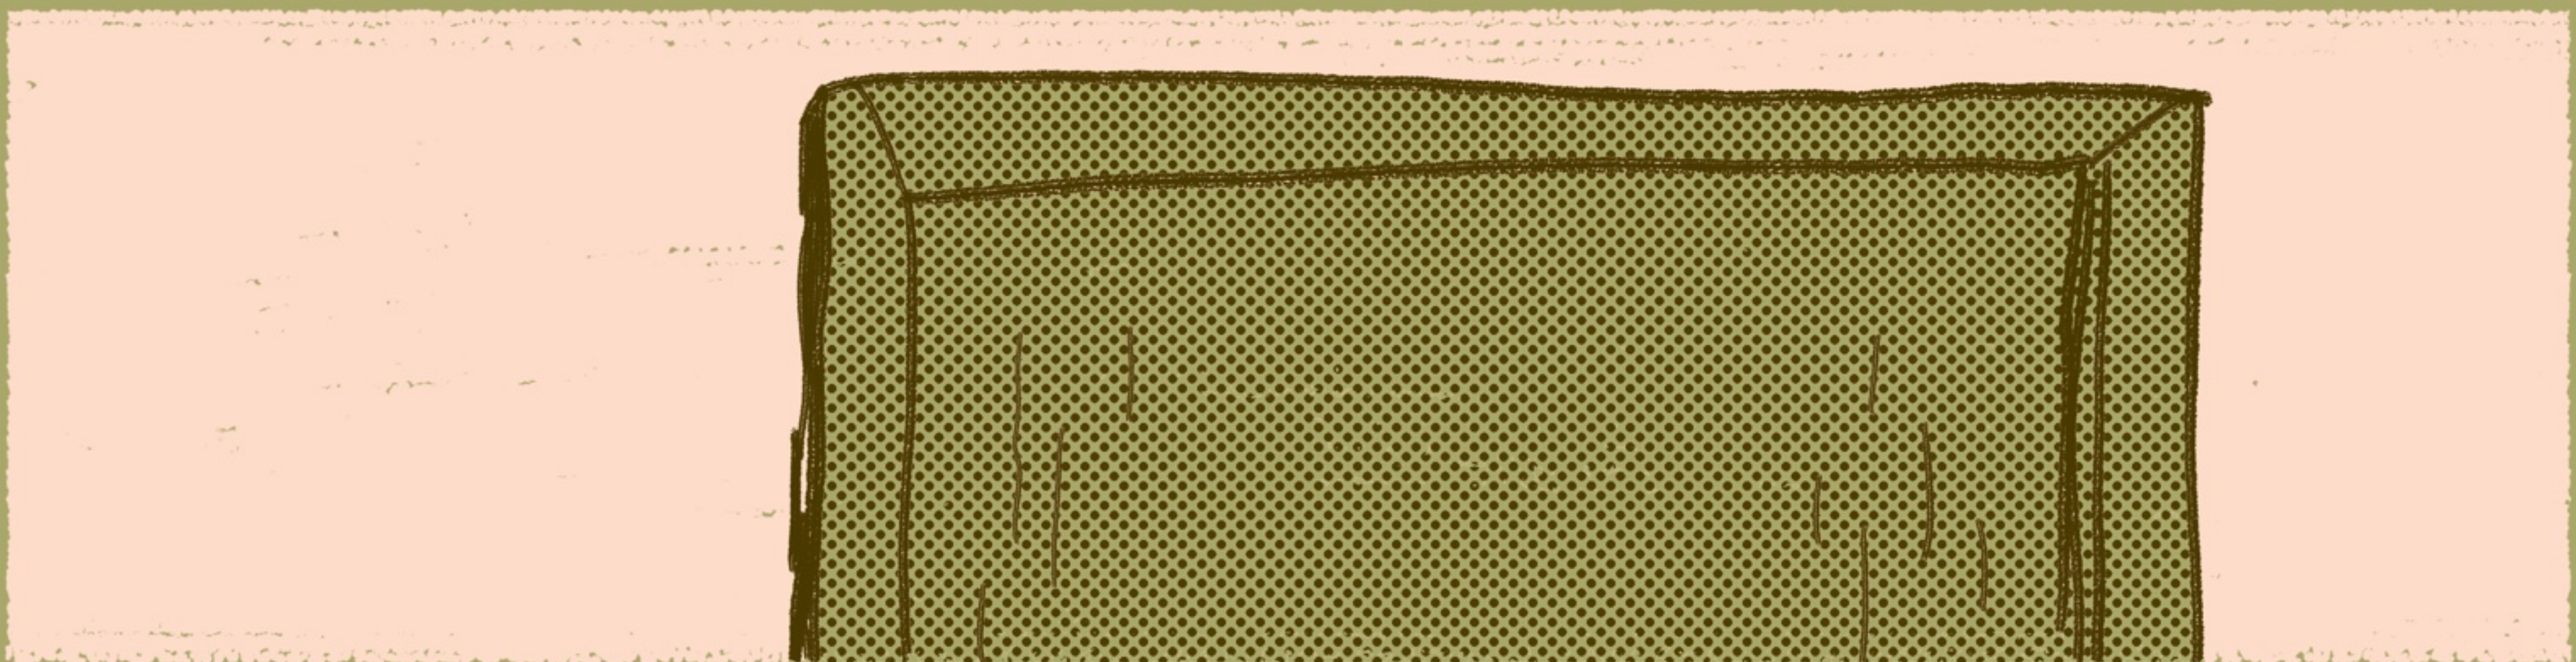

**Huh?
What?**

**Close your
eyes!**

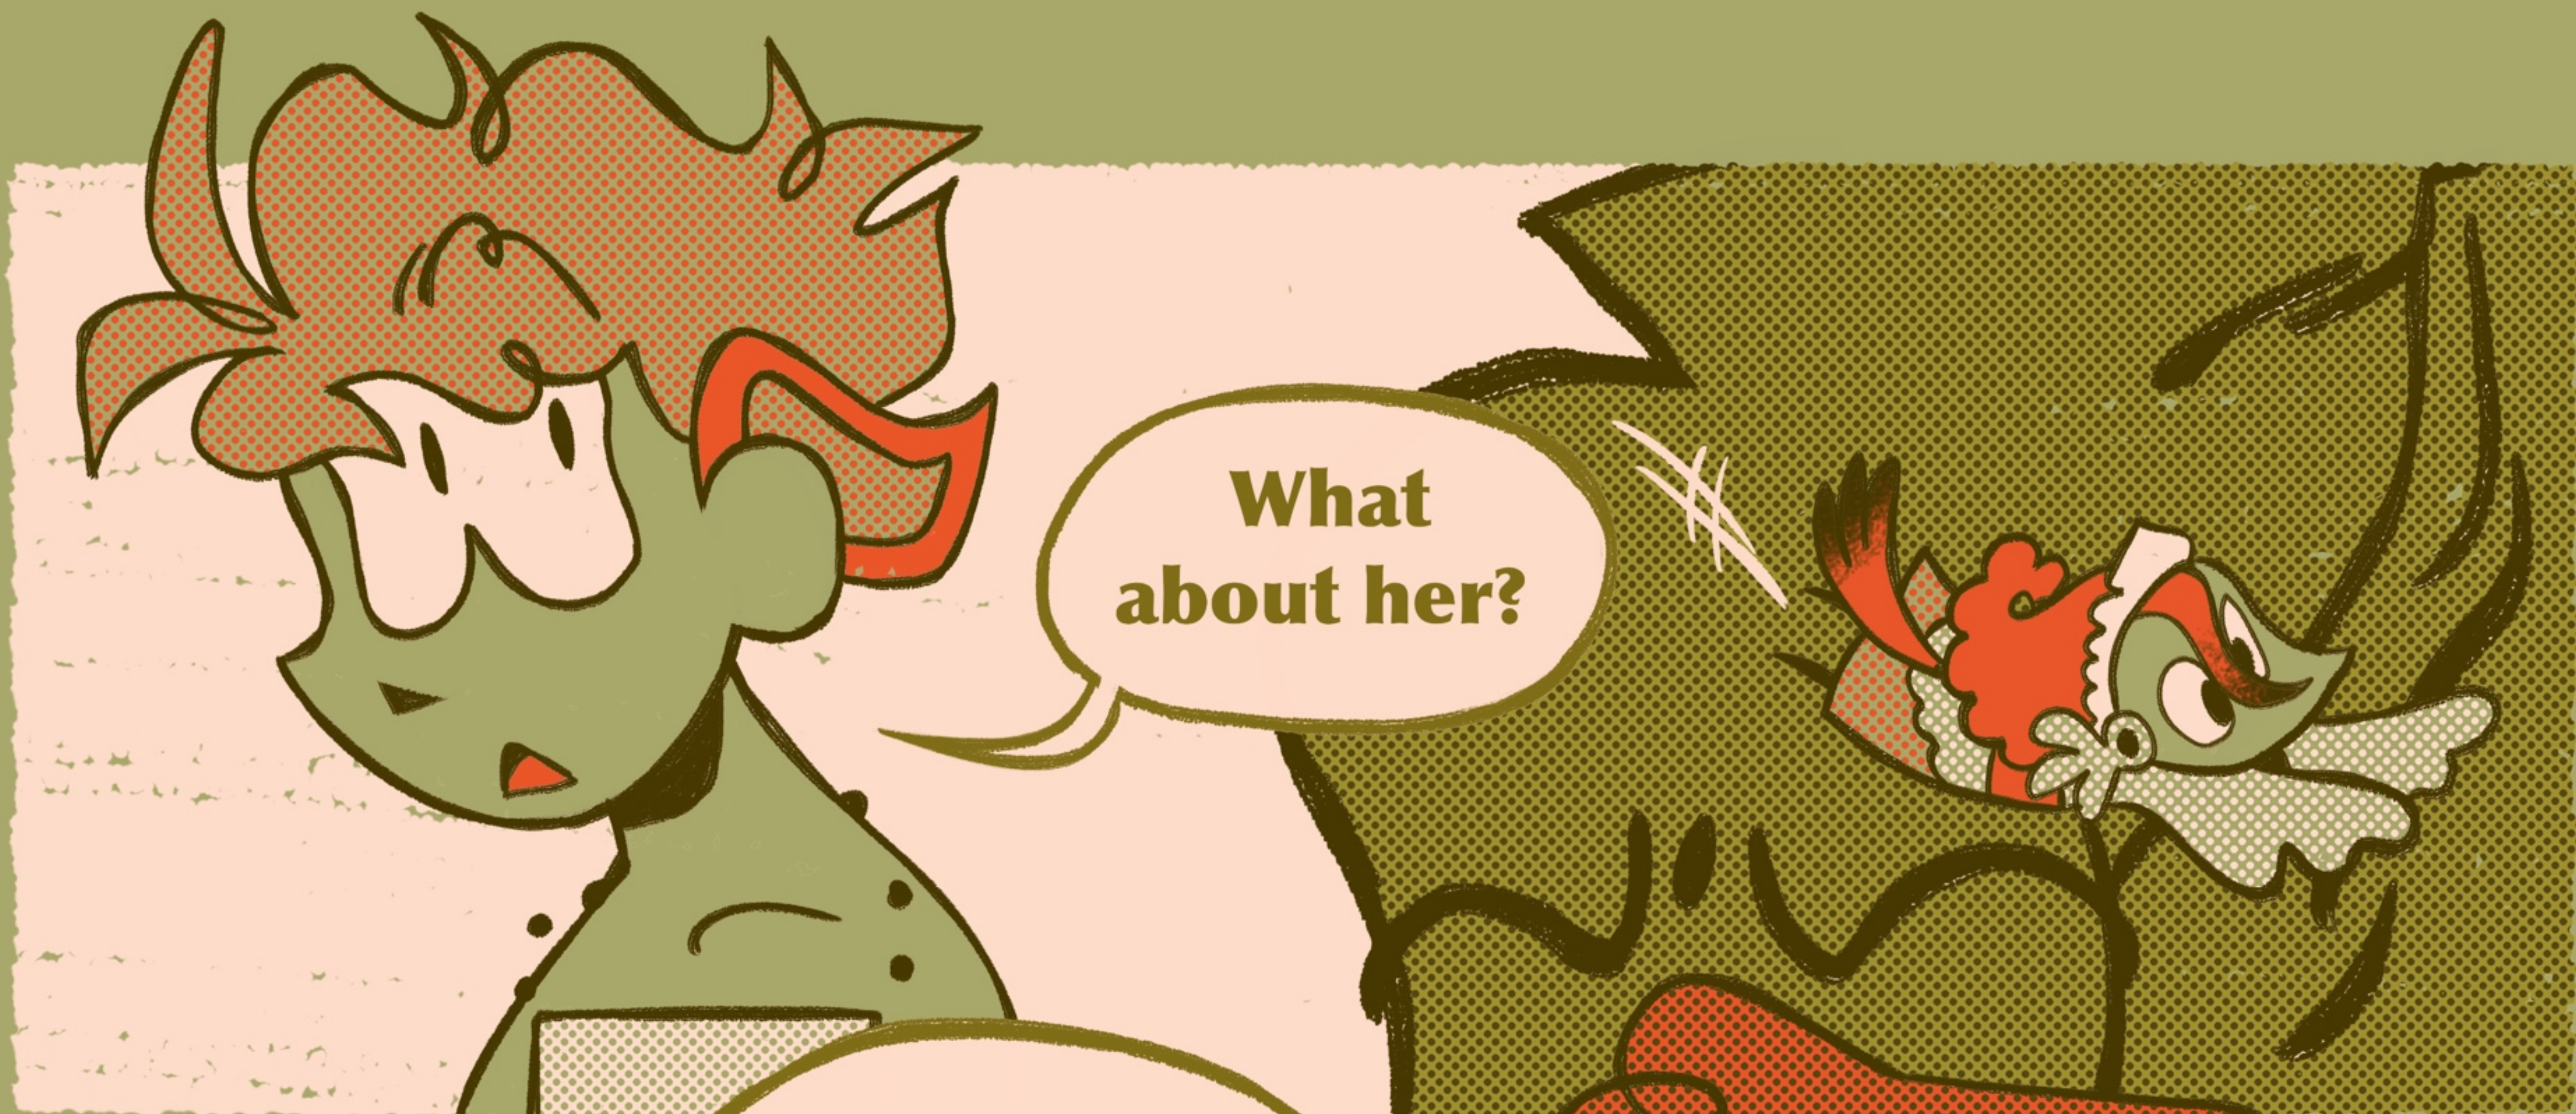

W-wait

**What about
Cahaya-!**

What
about her?

She's tough

I'm sure she
can handle it

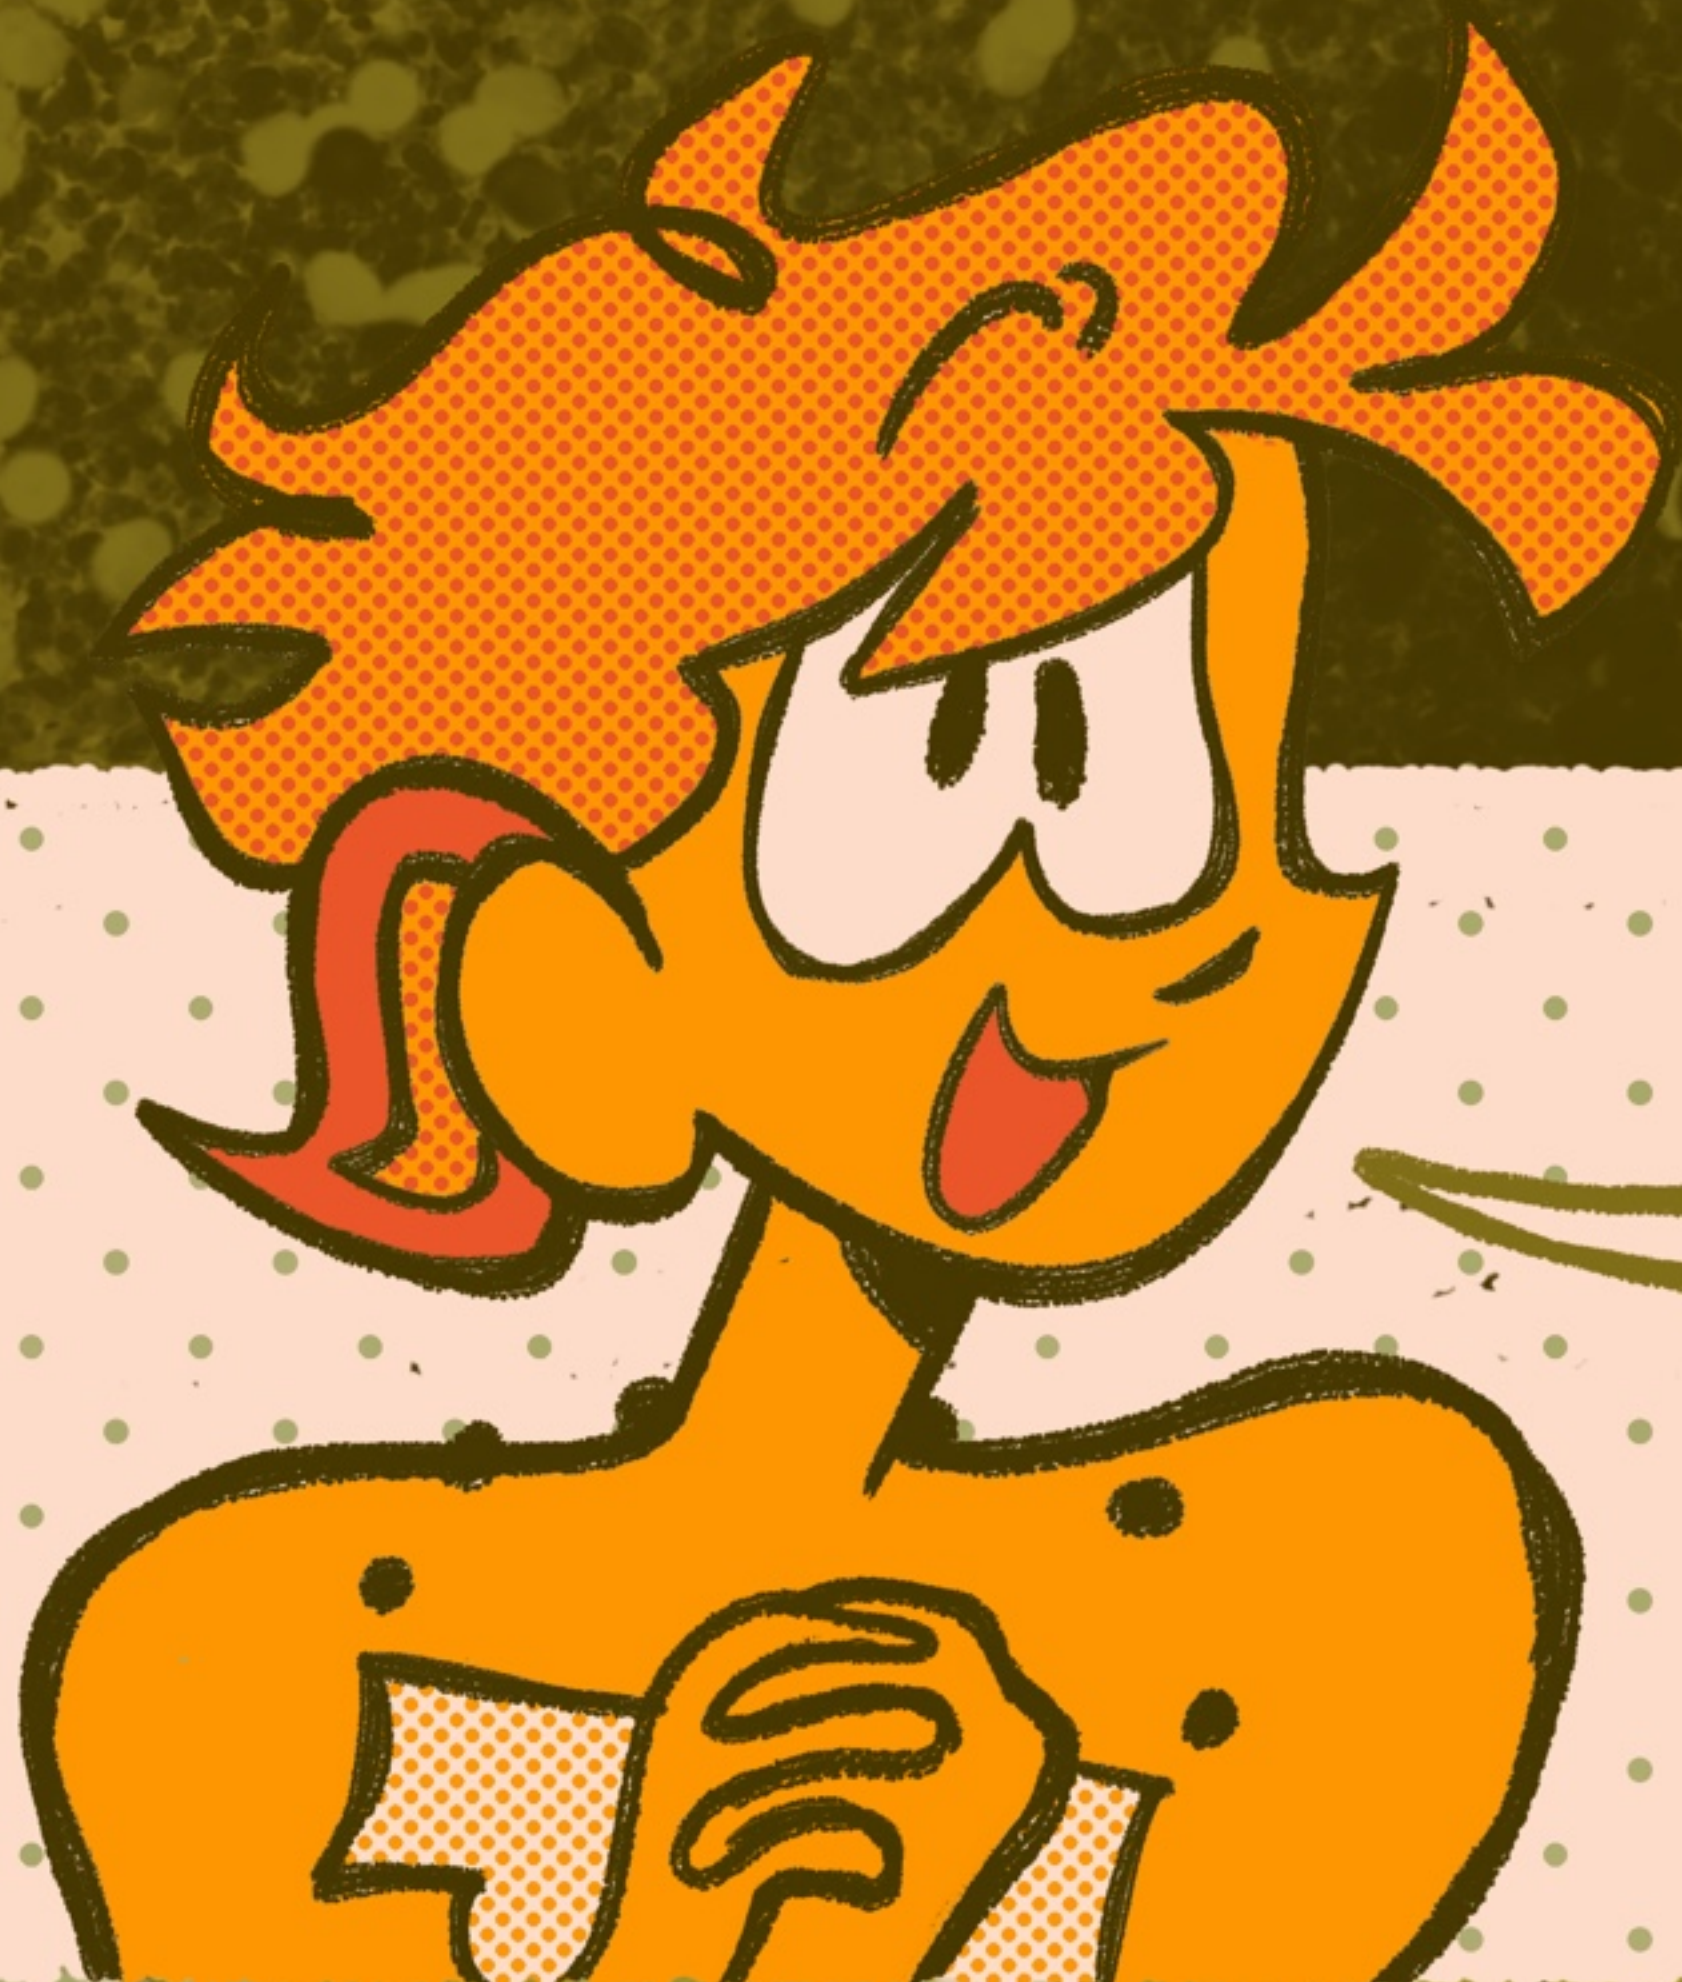

I-

Whatever-
Let's just go

Okay!

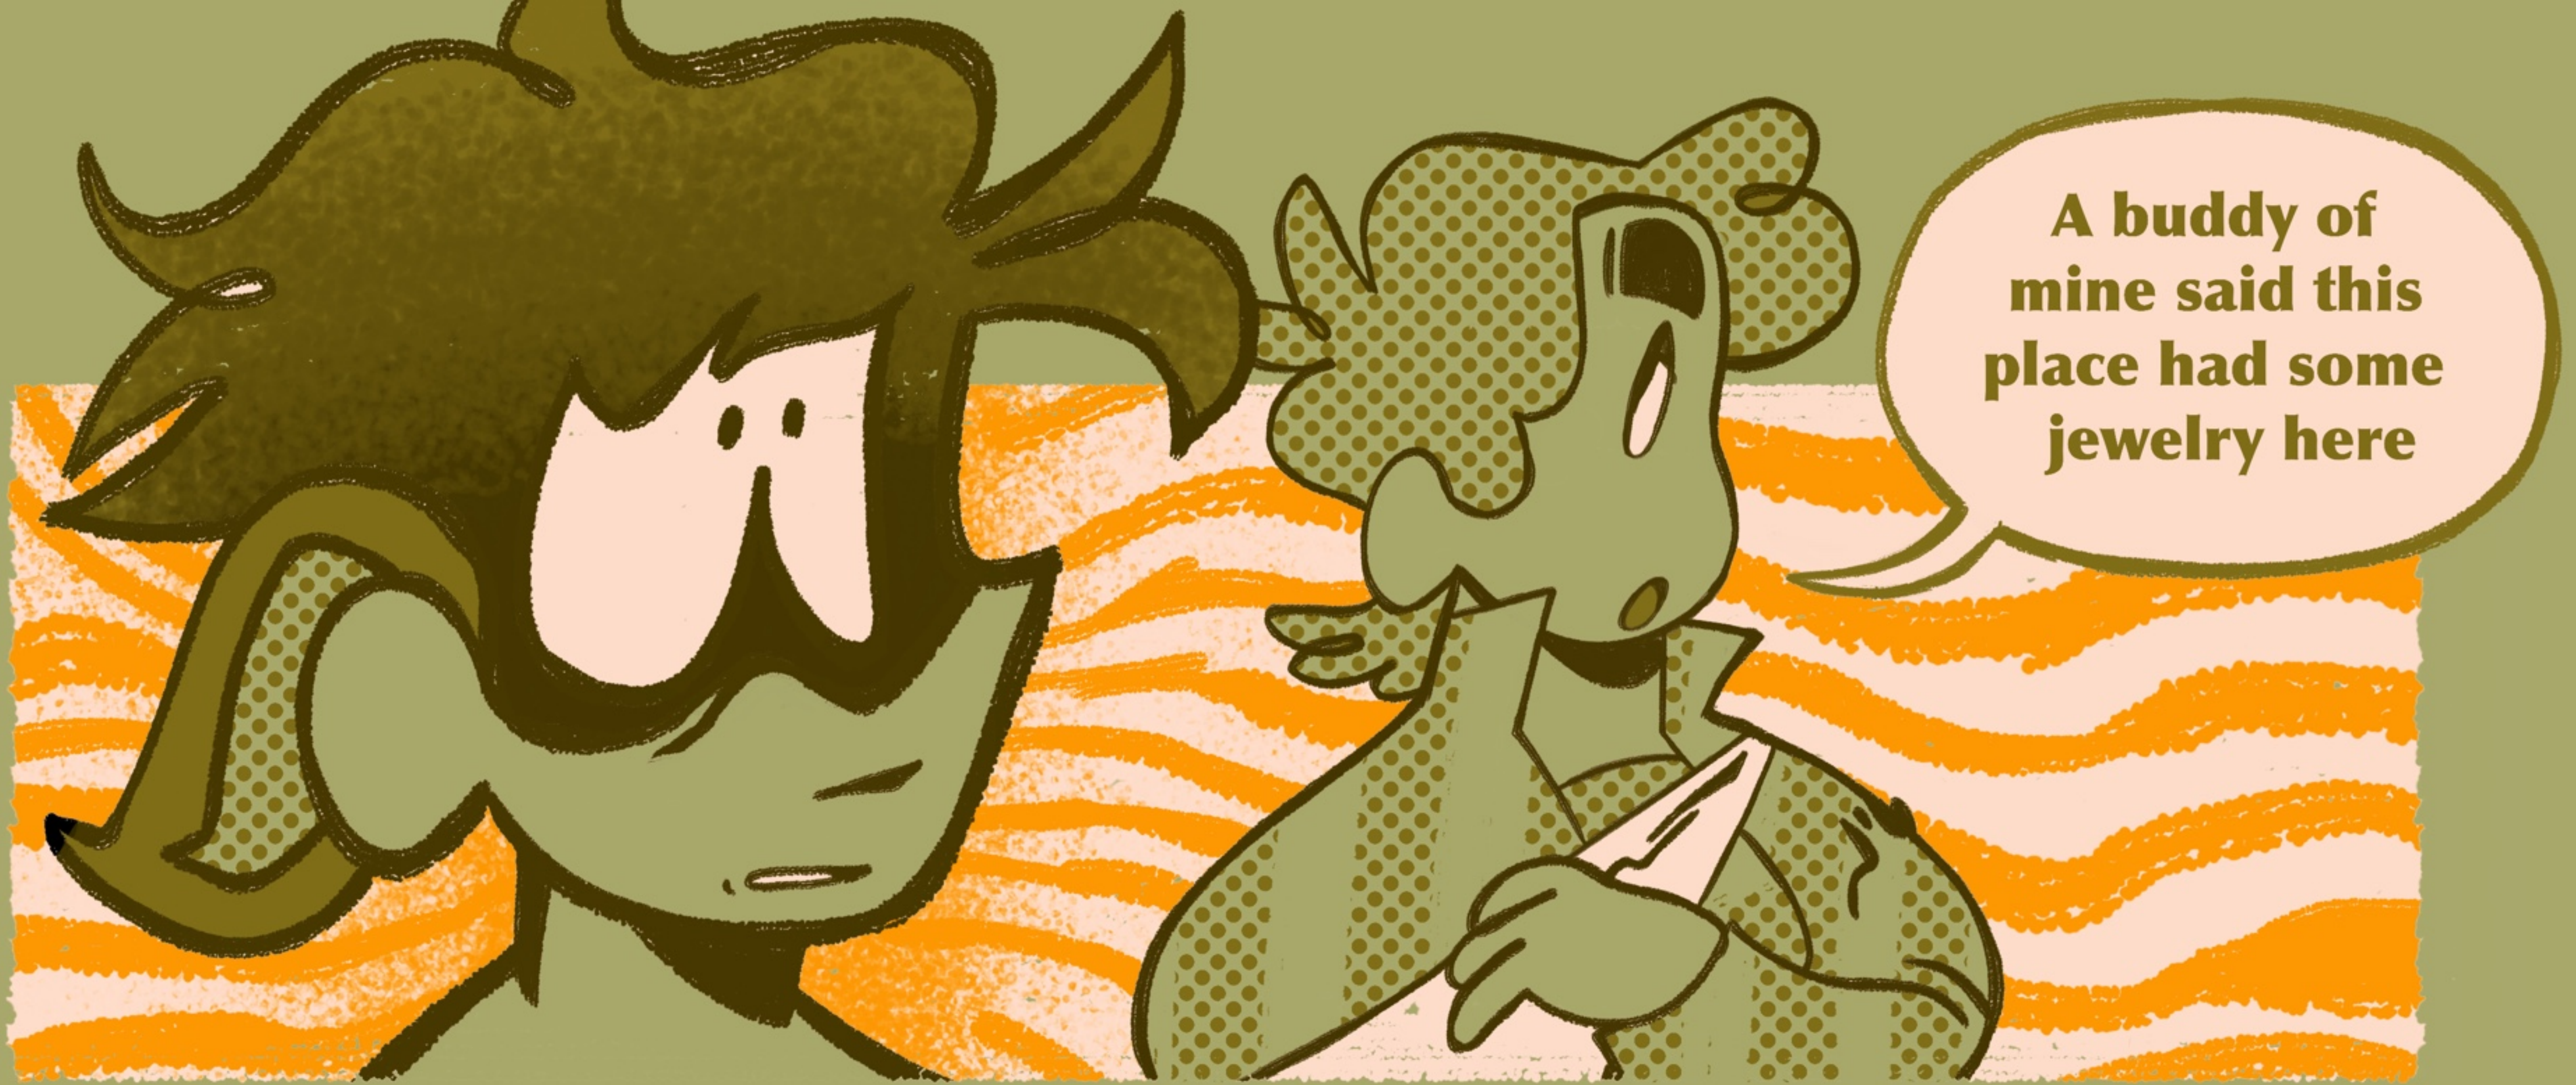

I don't see
a store around
here

Is it like a
secret market
situation or-

Huh?

A buddy of mine said this place had some jewelry here

Wh- what?

I thought we were getting some metal

Well not exactly "some" metal

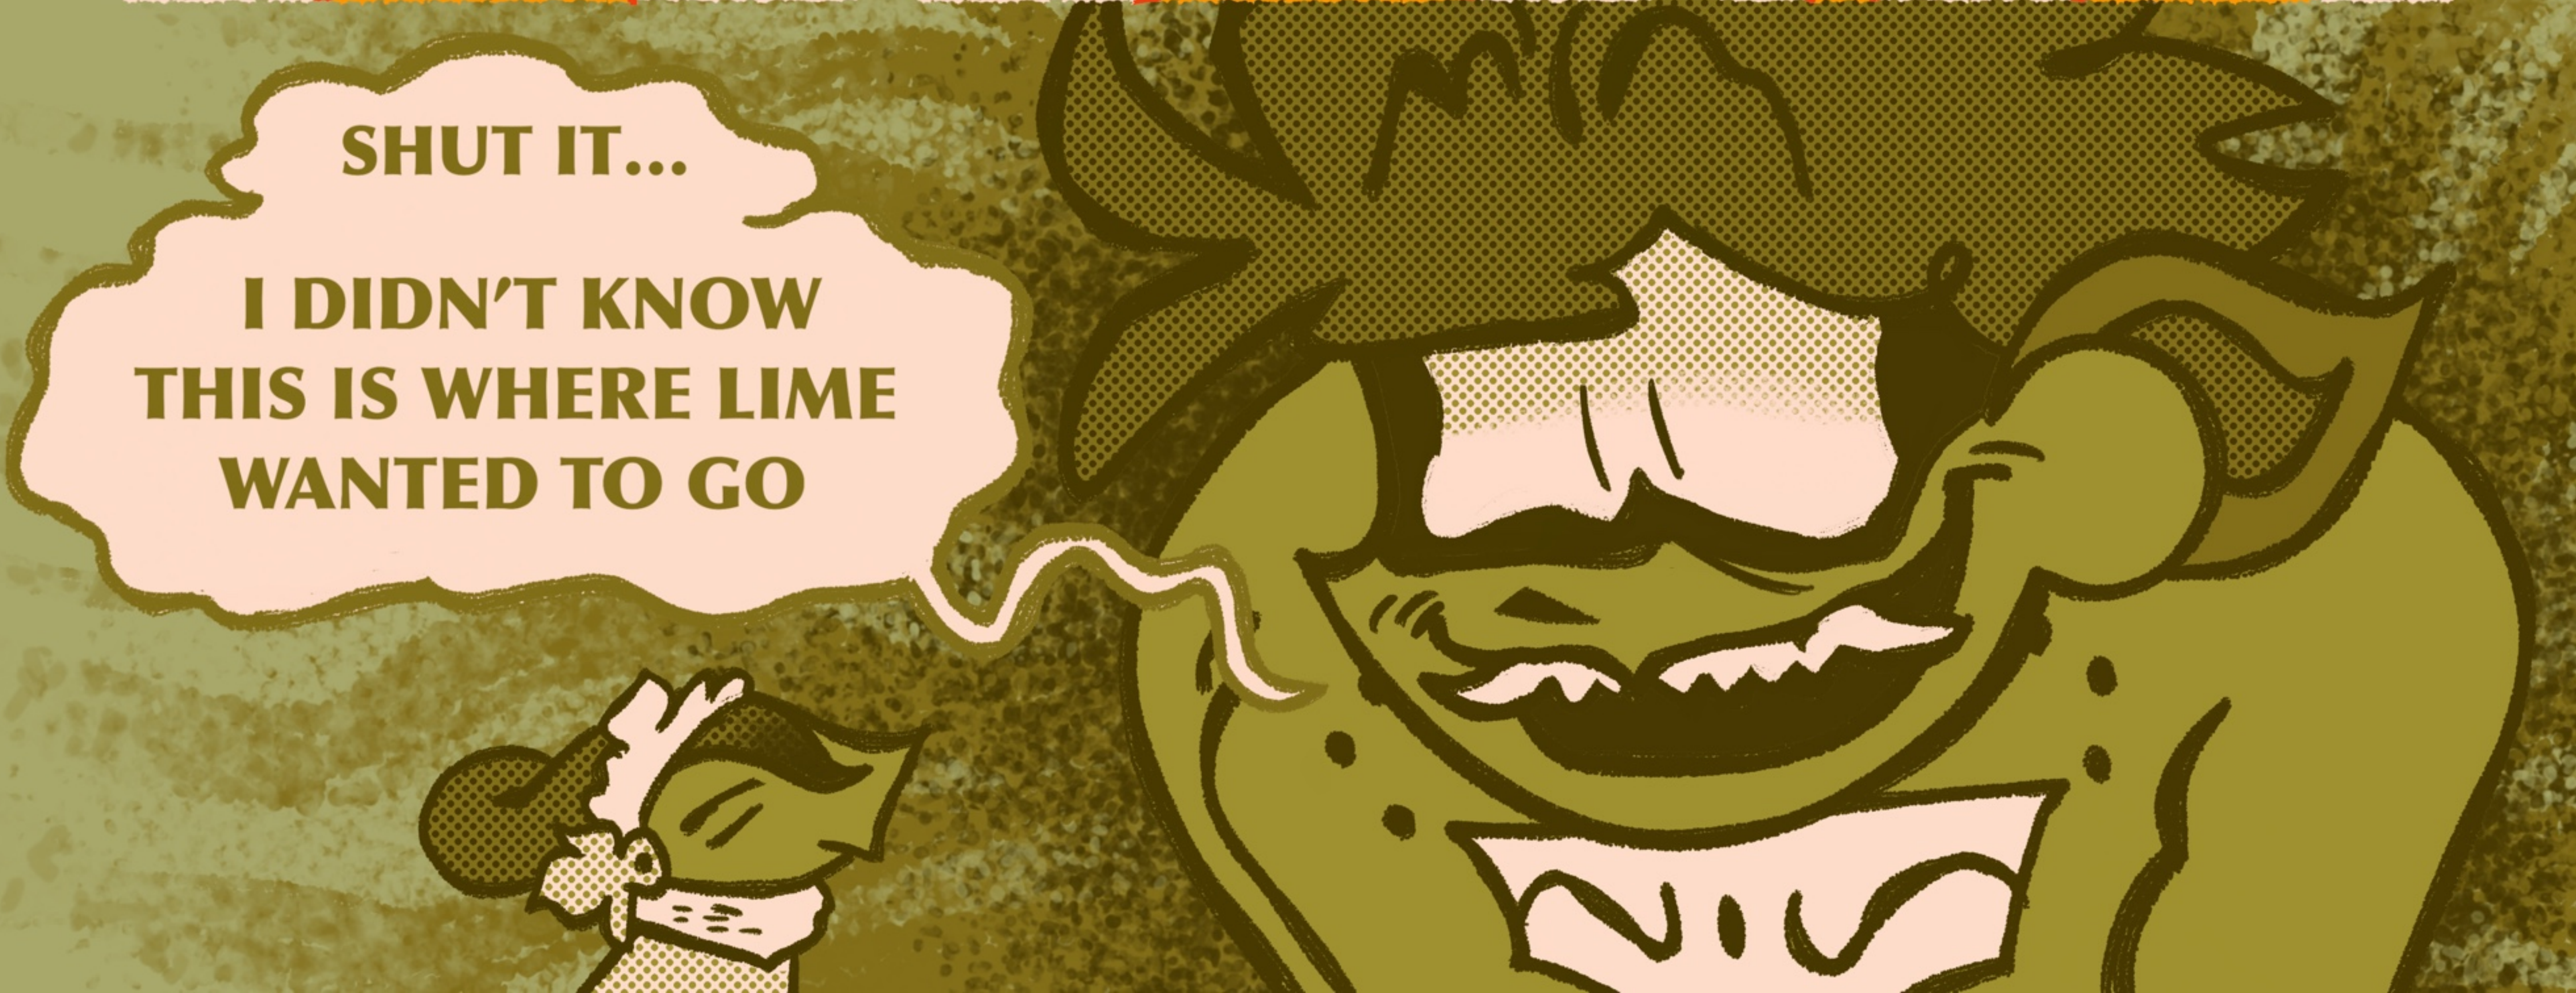

I need something strong

These jewelry got some spirits of angry souls from what I've heard

Good at holding things, especially grudges

Gonna melt them down for the necklace

Look, I'm
sure everything
will be fine

If anything
happens, I can
take care of it

It'll be-

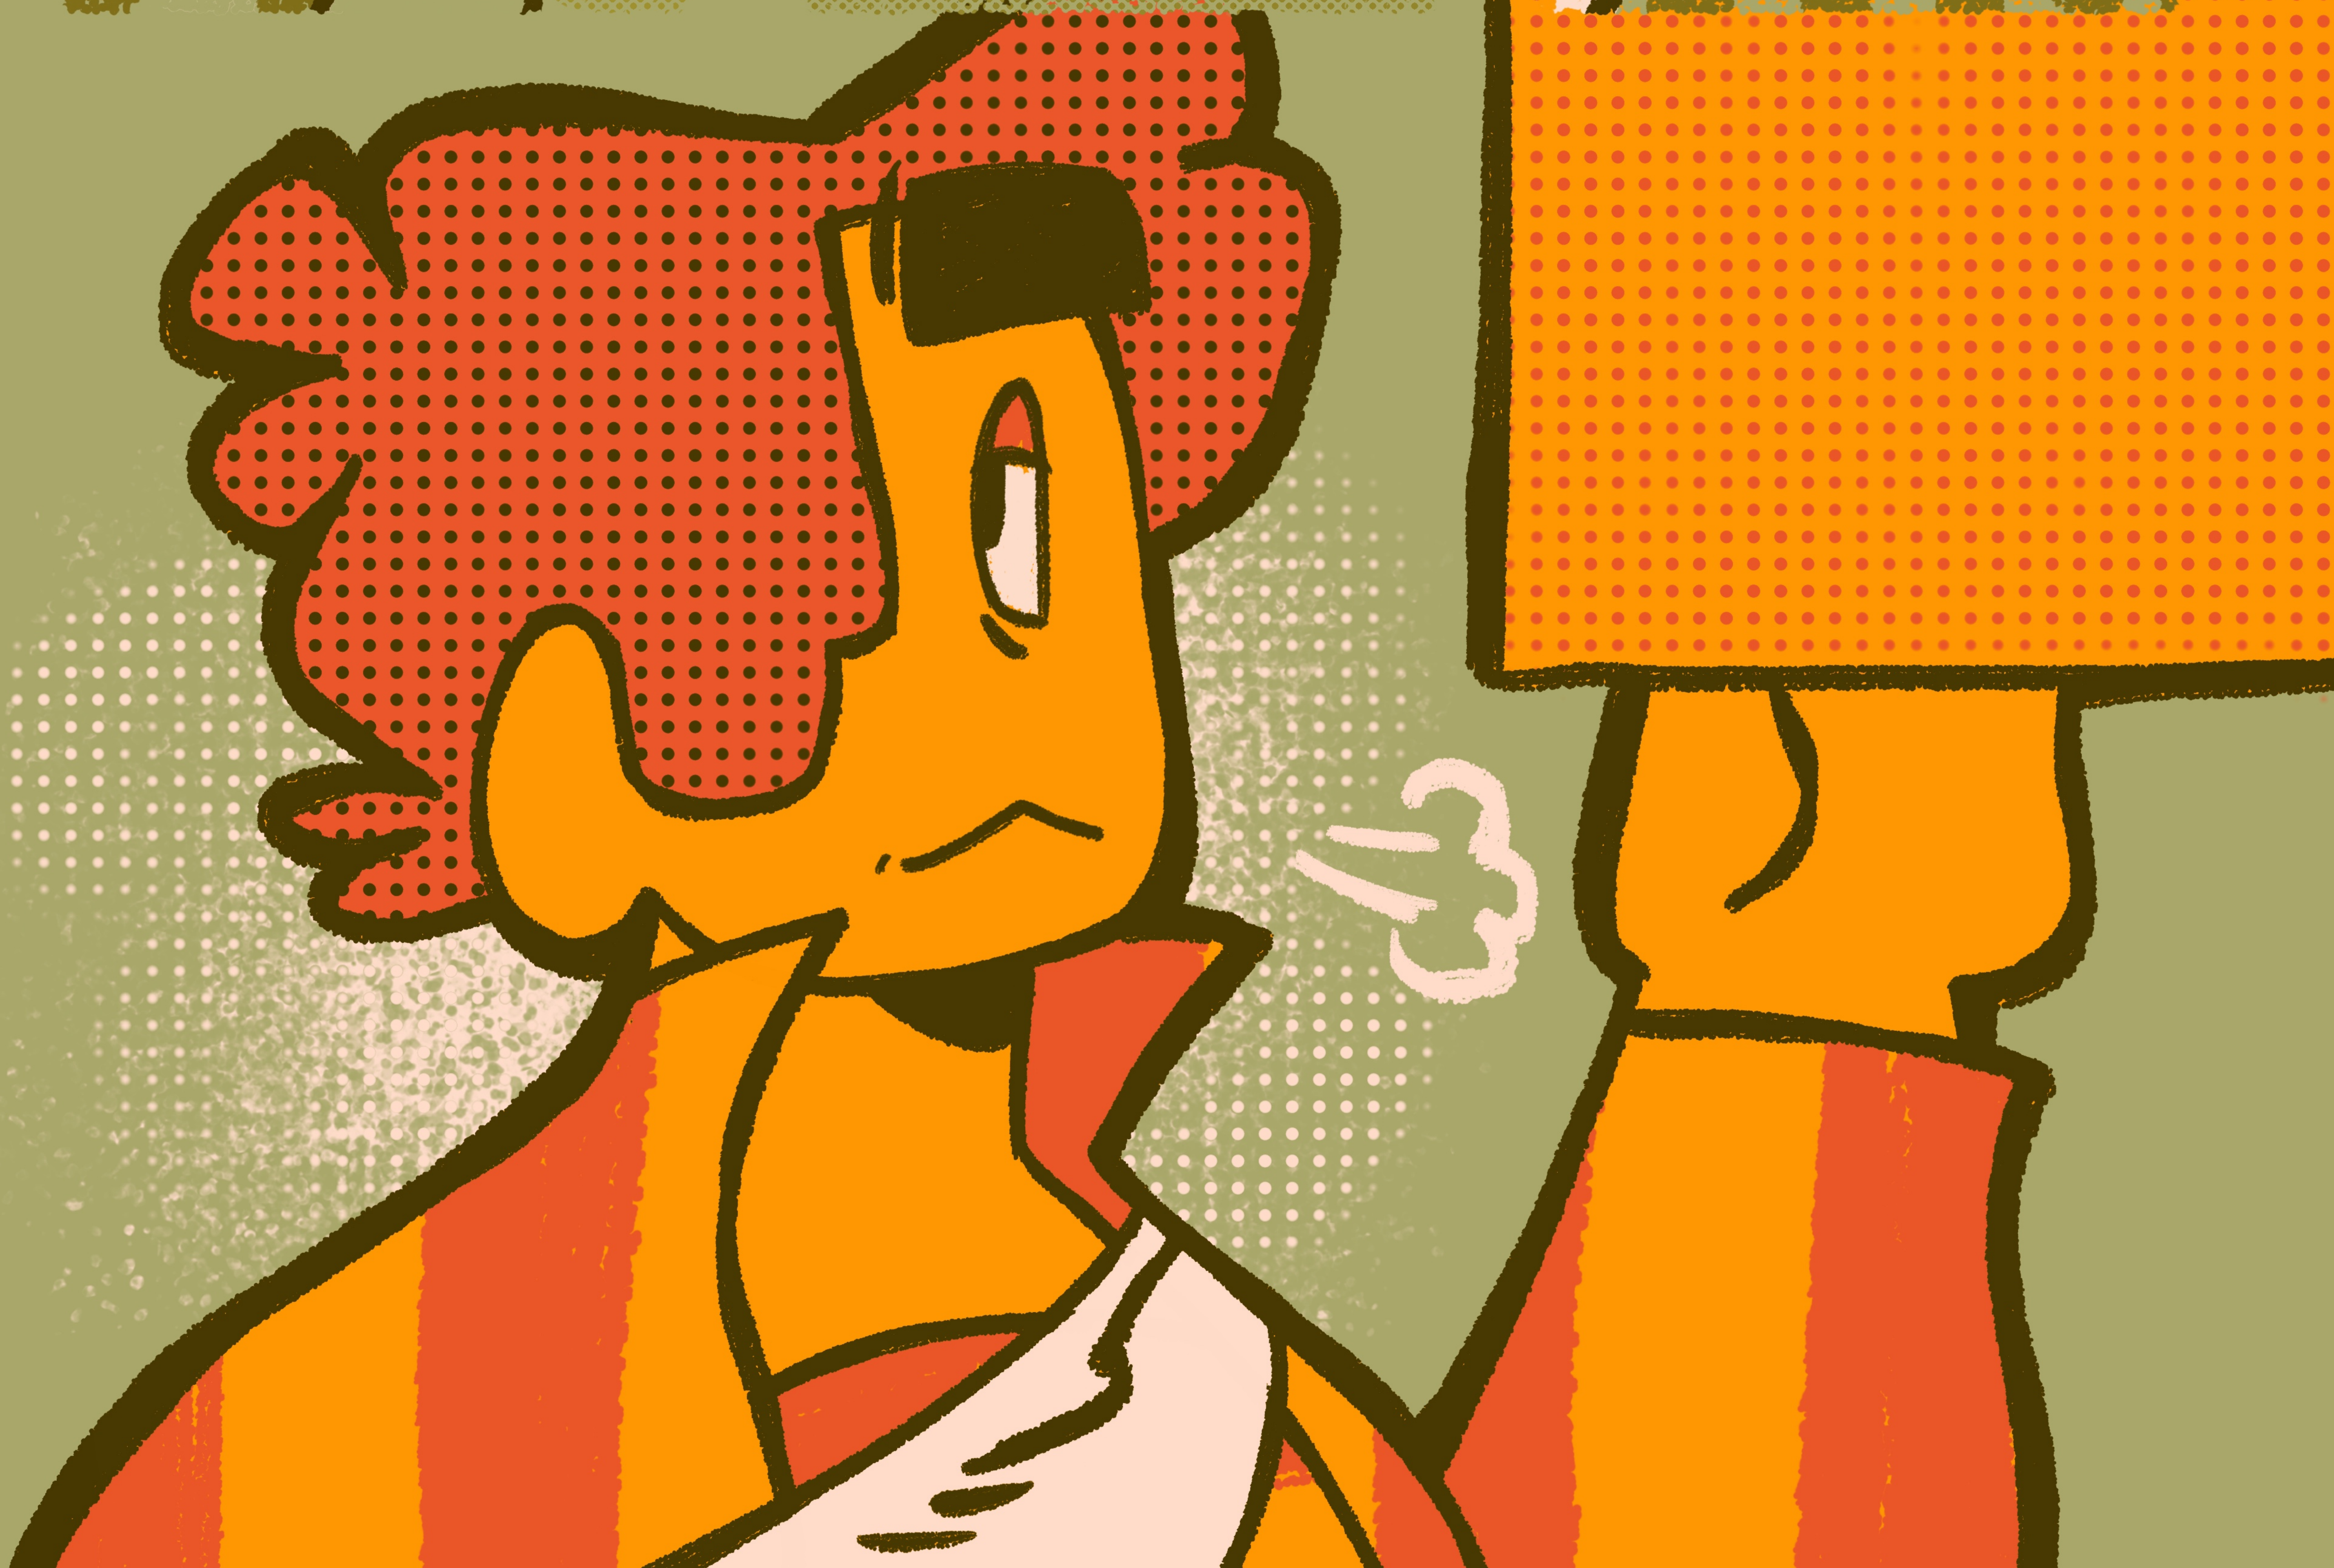

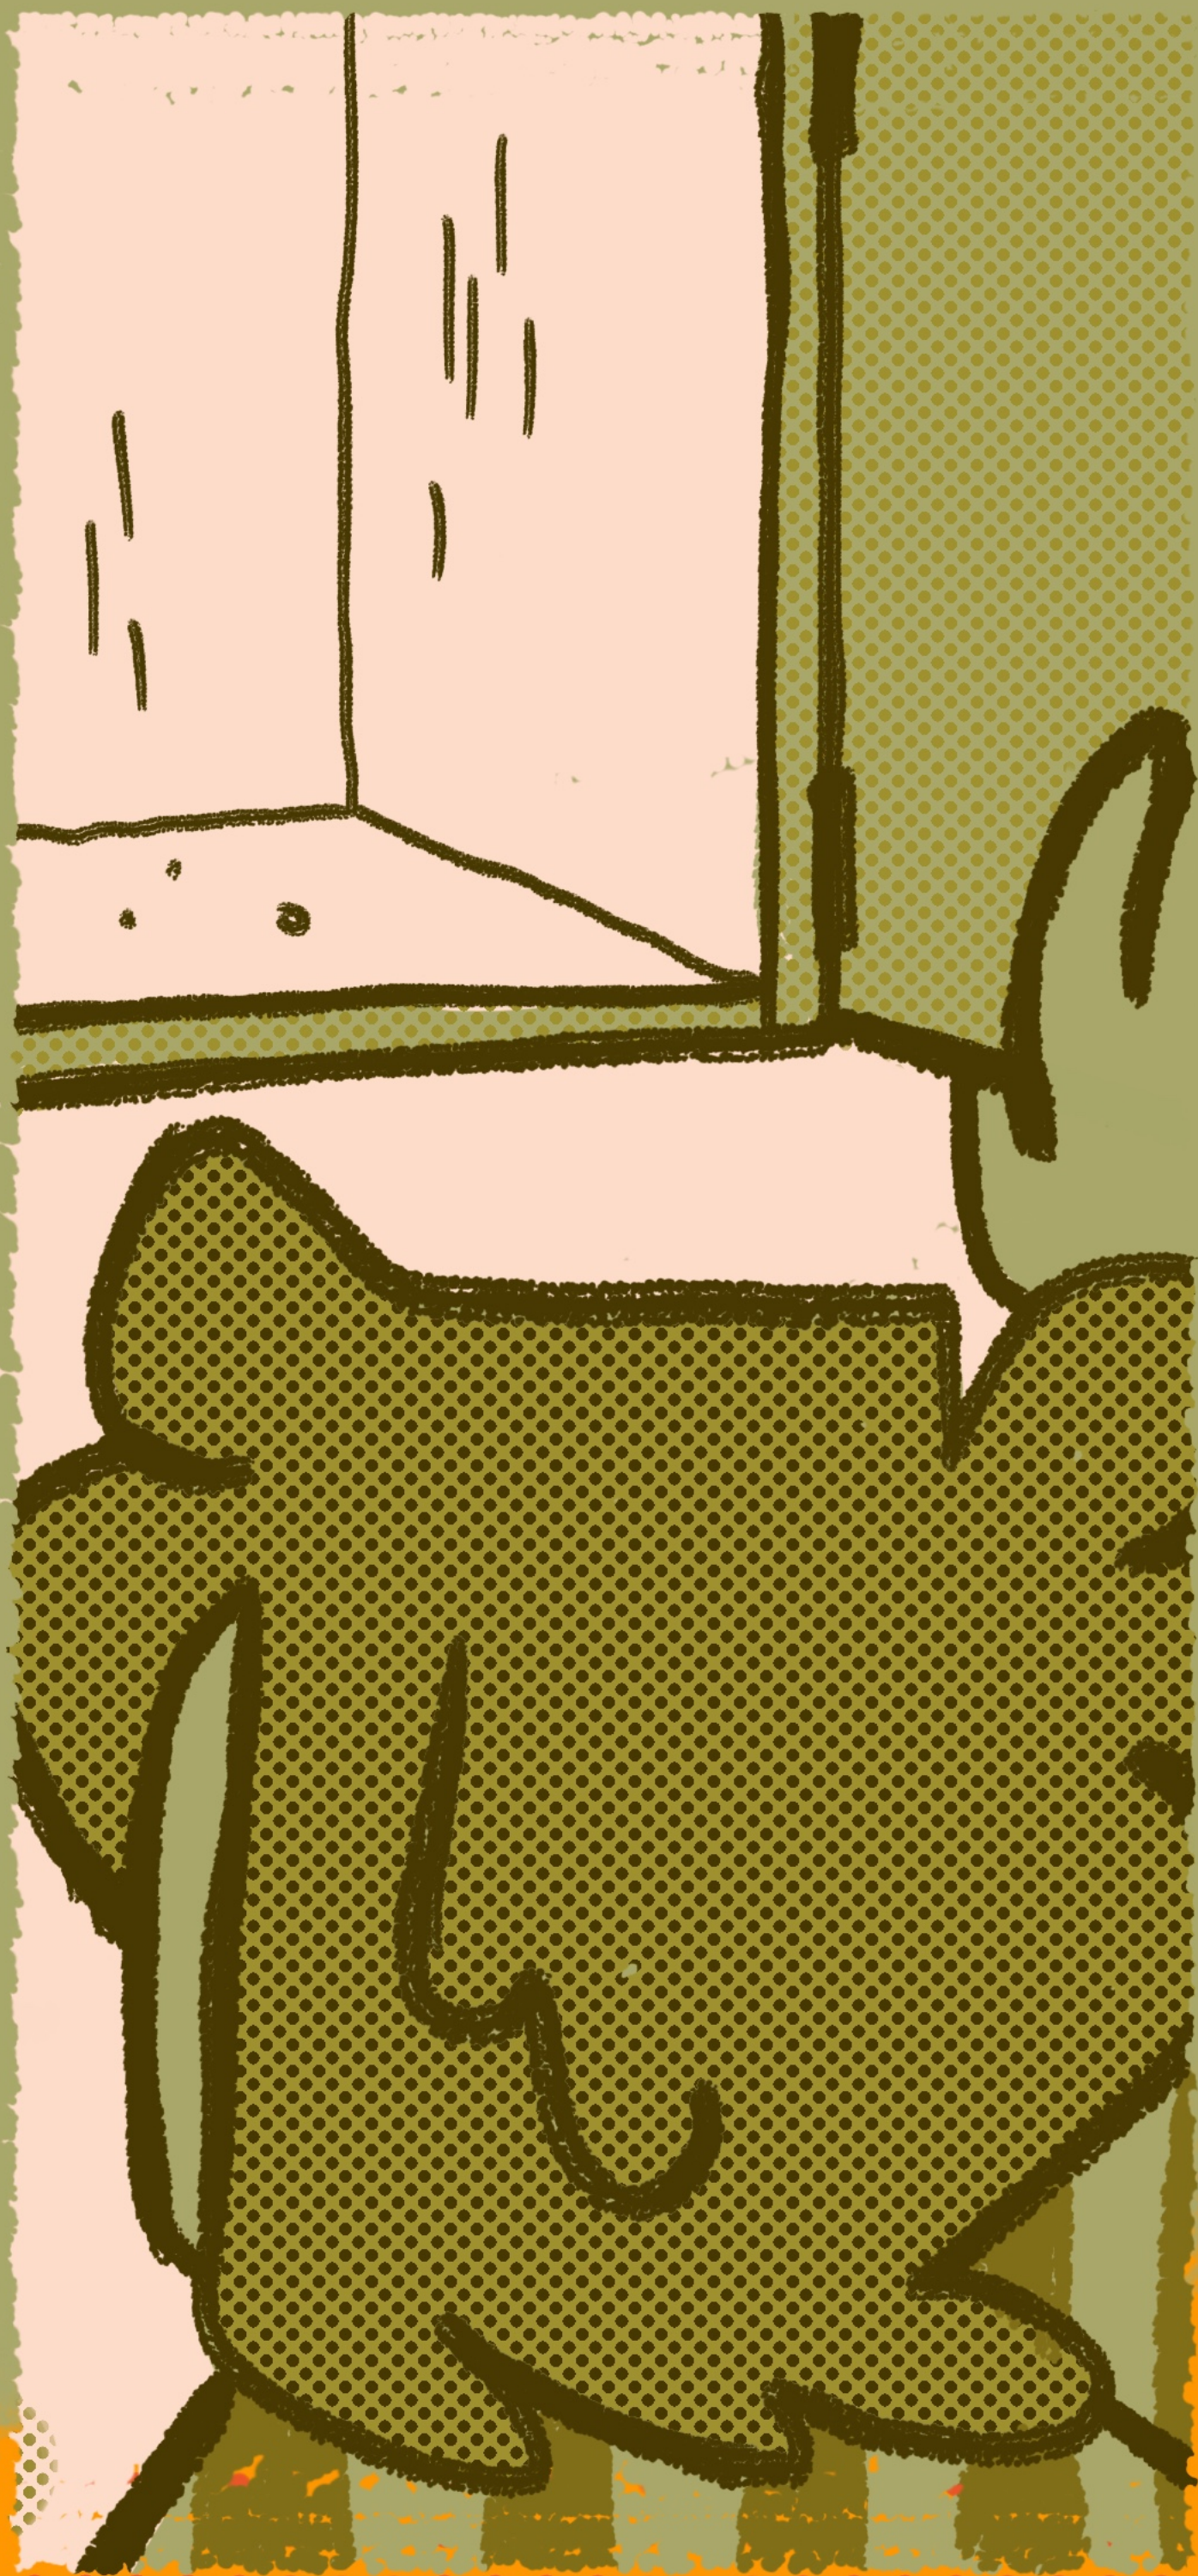

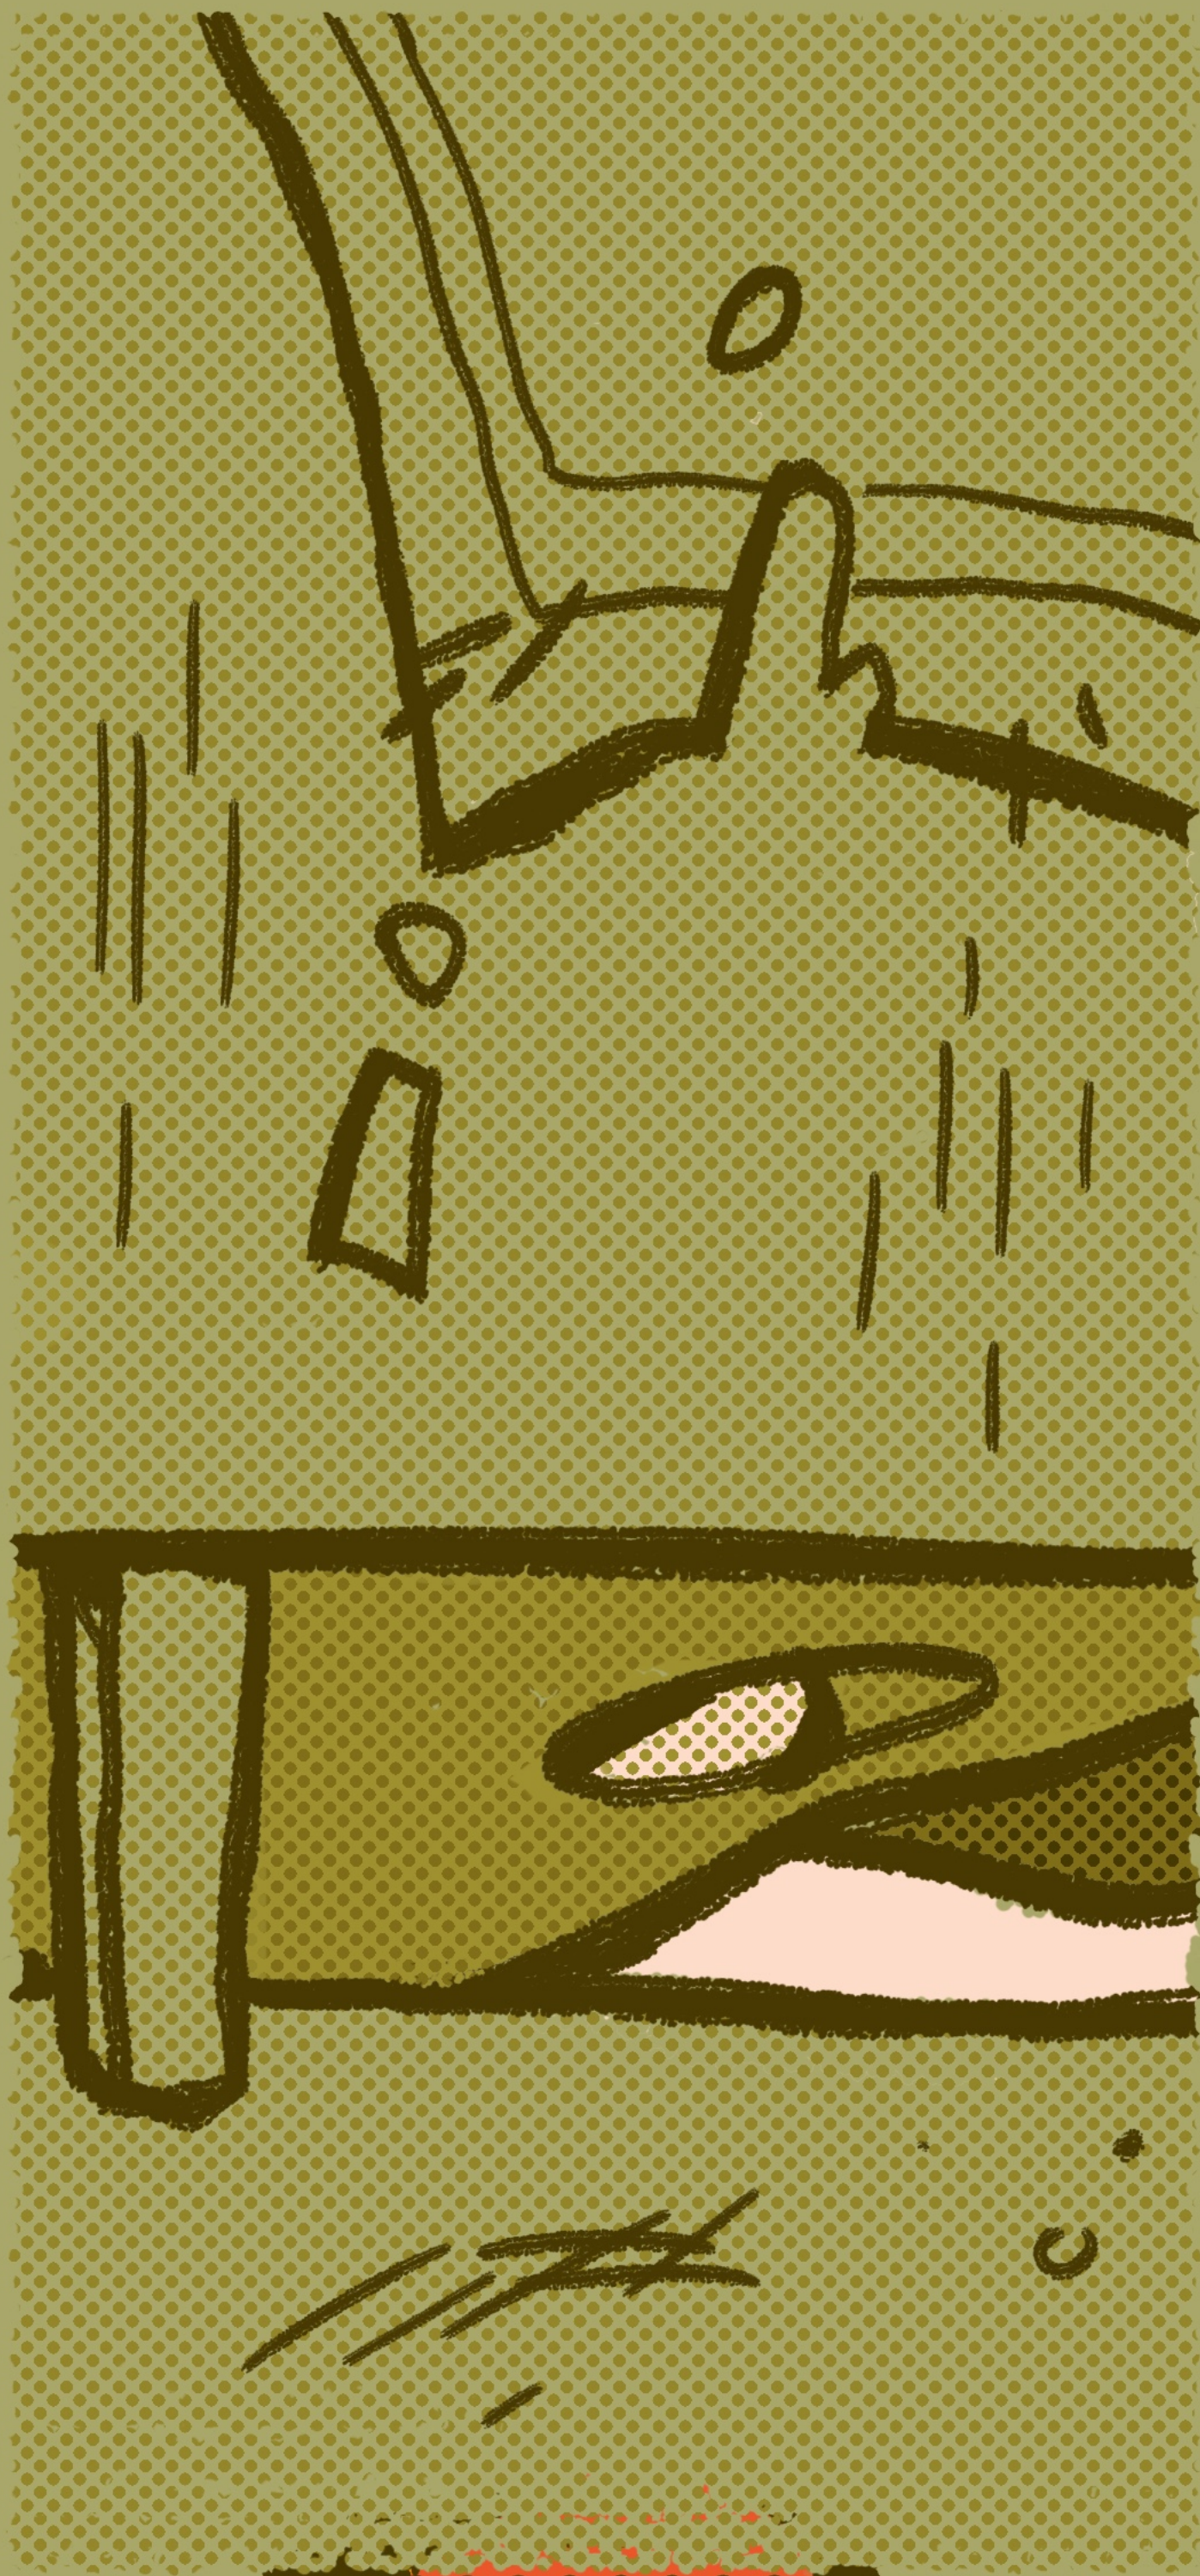

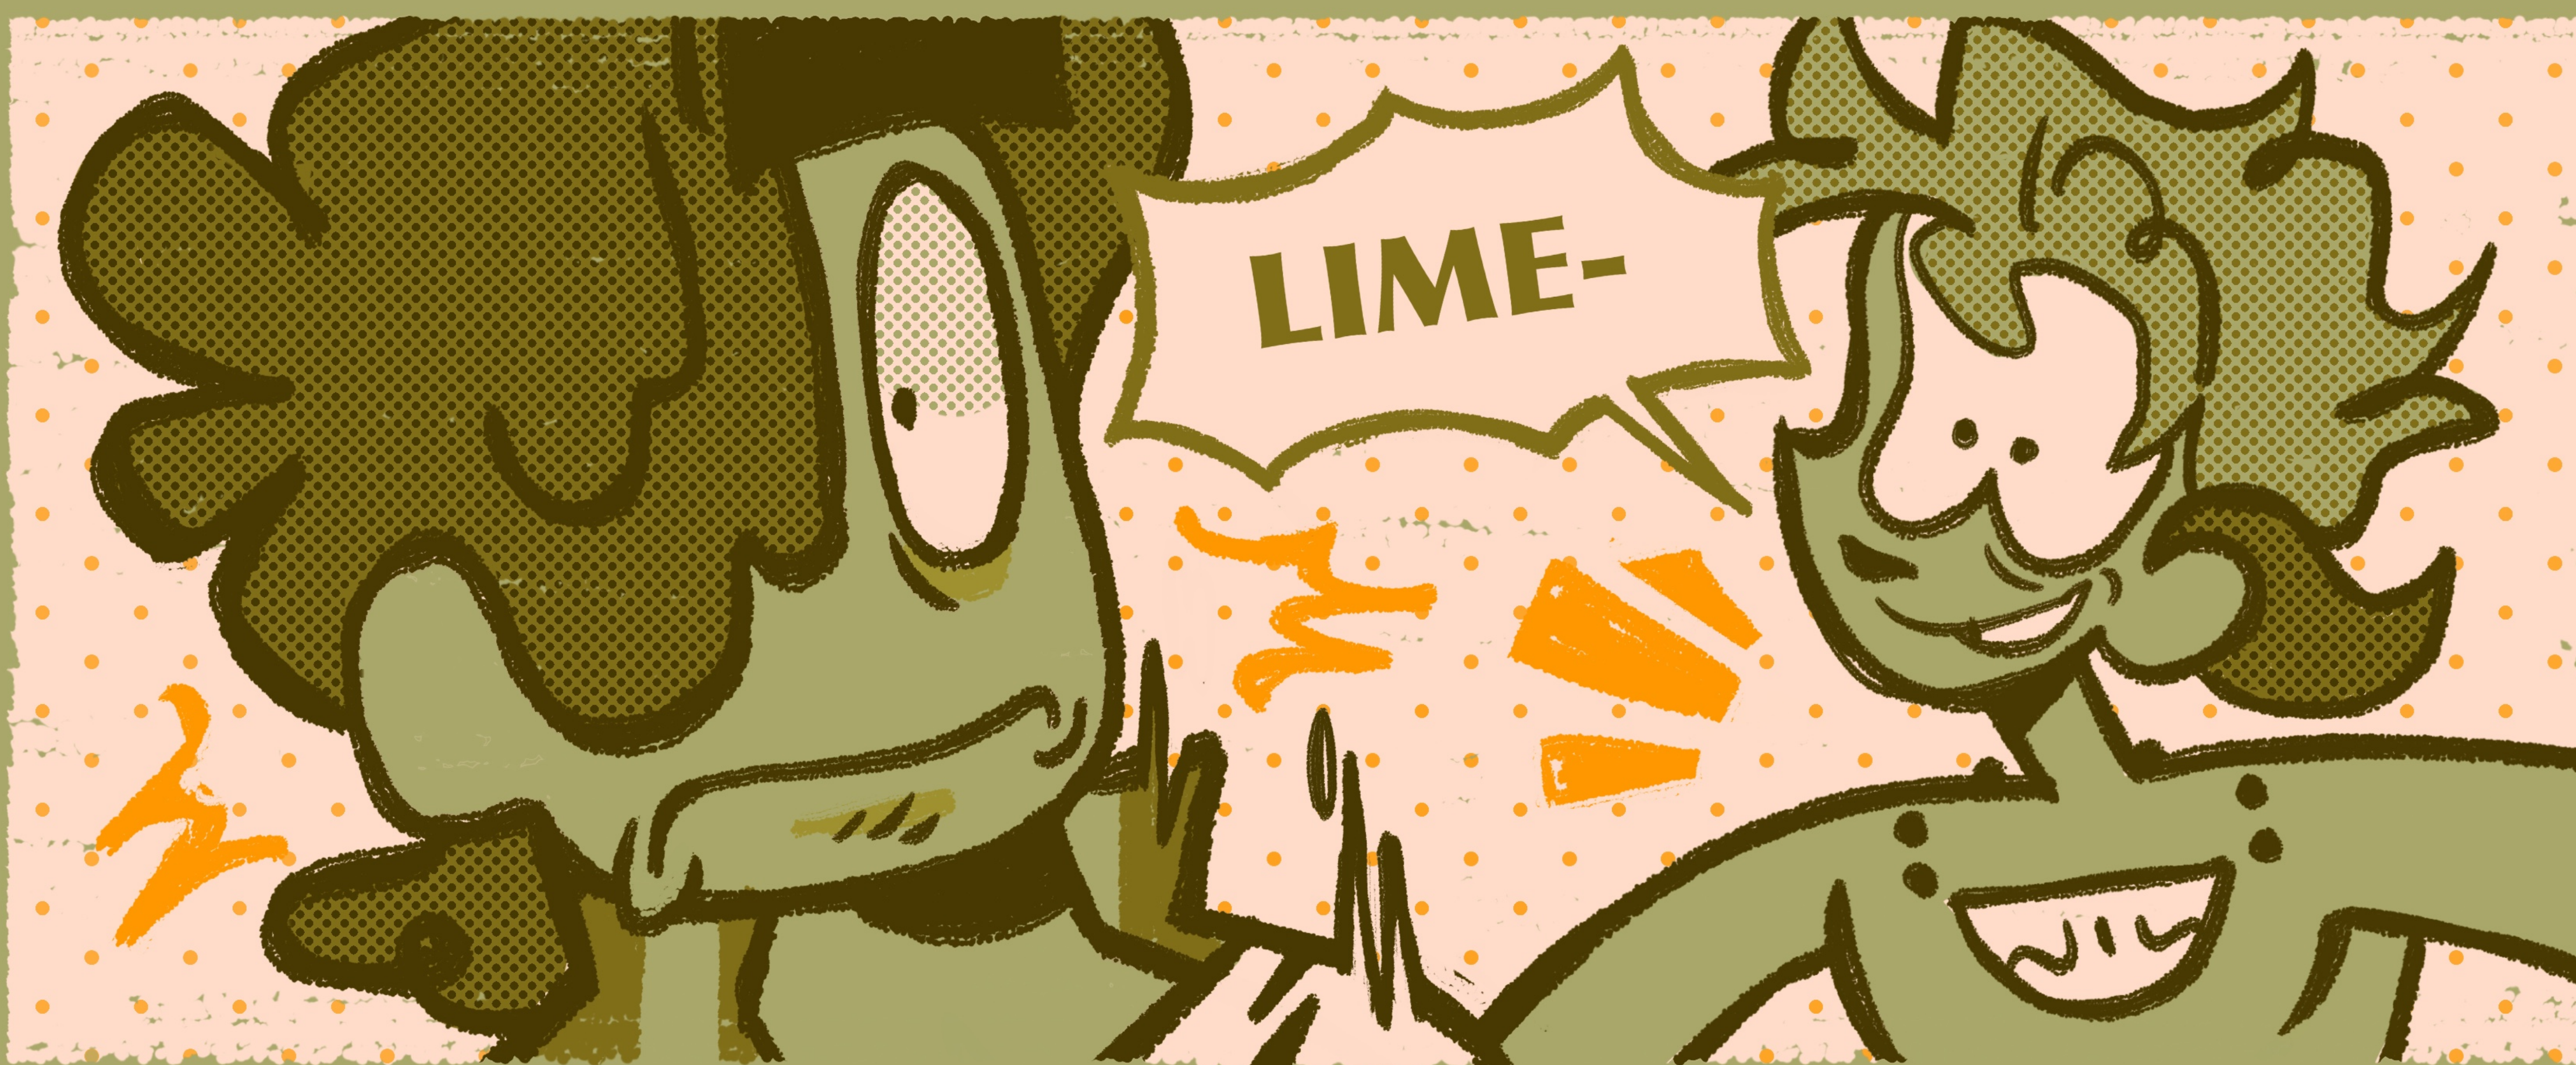

Fine...

WHERE DID
LIME GO-

Oh yeah...

uh... well...

It's probably
not here!

Searching for
some jewellery?

The whole
point we're
here?

This is just
unimportant
supplies and
stuff

It should
be elsewhere

TUG-
TUG-

What?

How would
you know that?

Just...

...PART 6

Trust me-

SHARP

I...

I-I'm
sorry...

I don't know
what came over
me...

It's okay

Let's just
get out of here,
we can search
other areas

**T-Thank
you...**

**There's more
stuff outside this
area!**

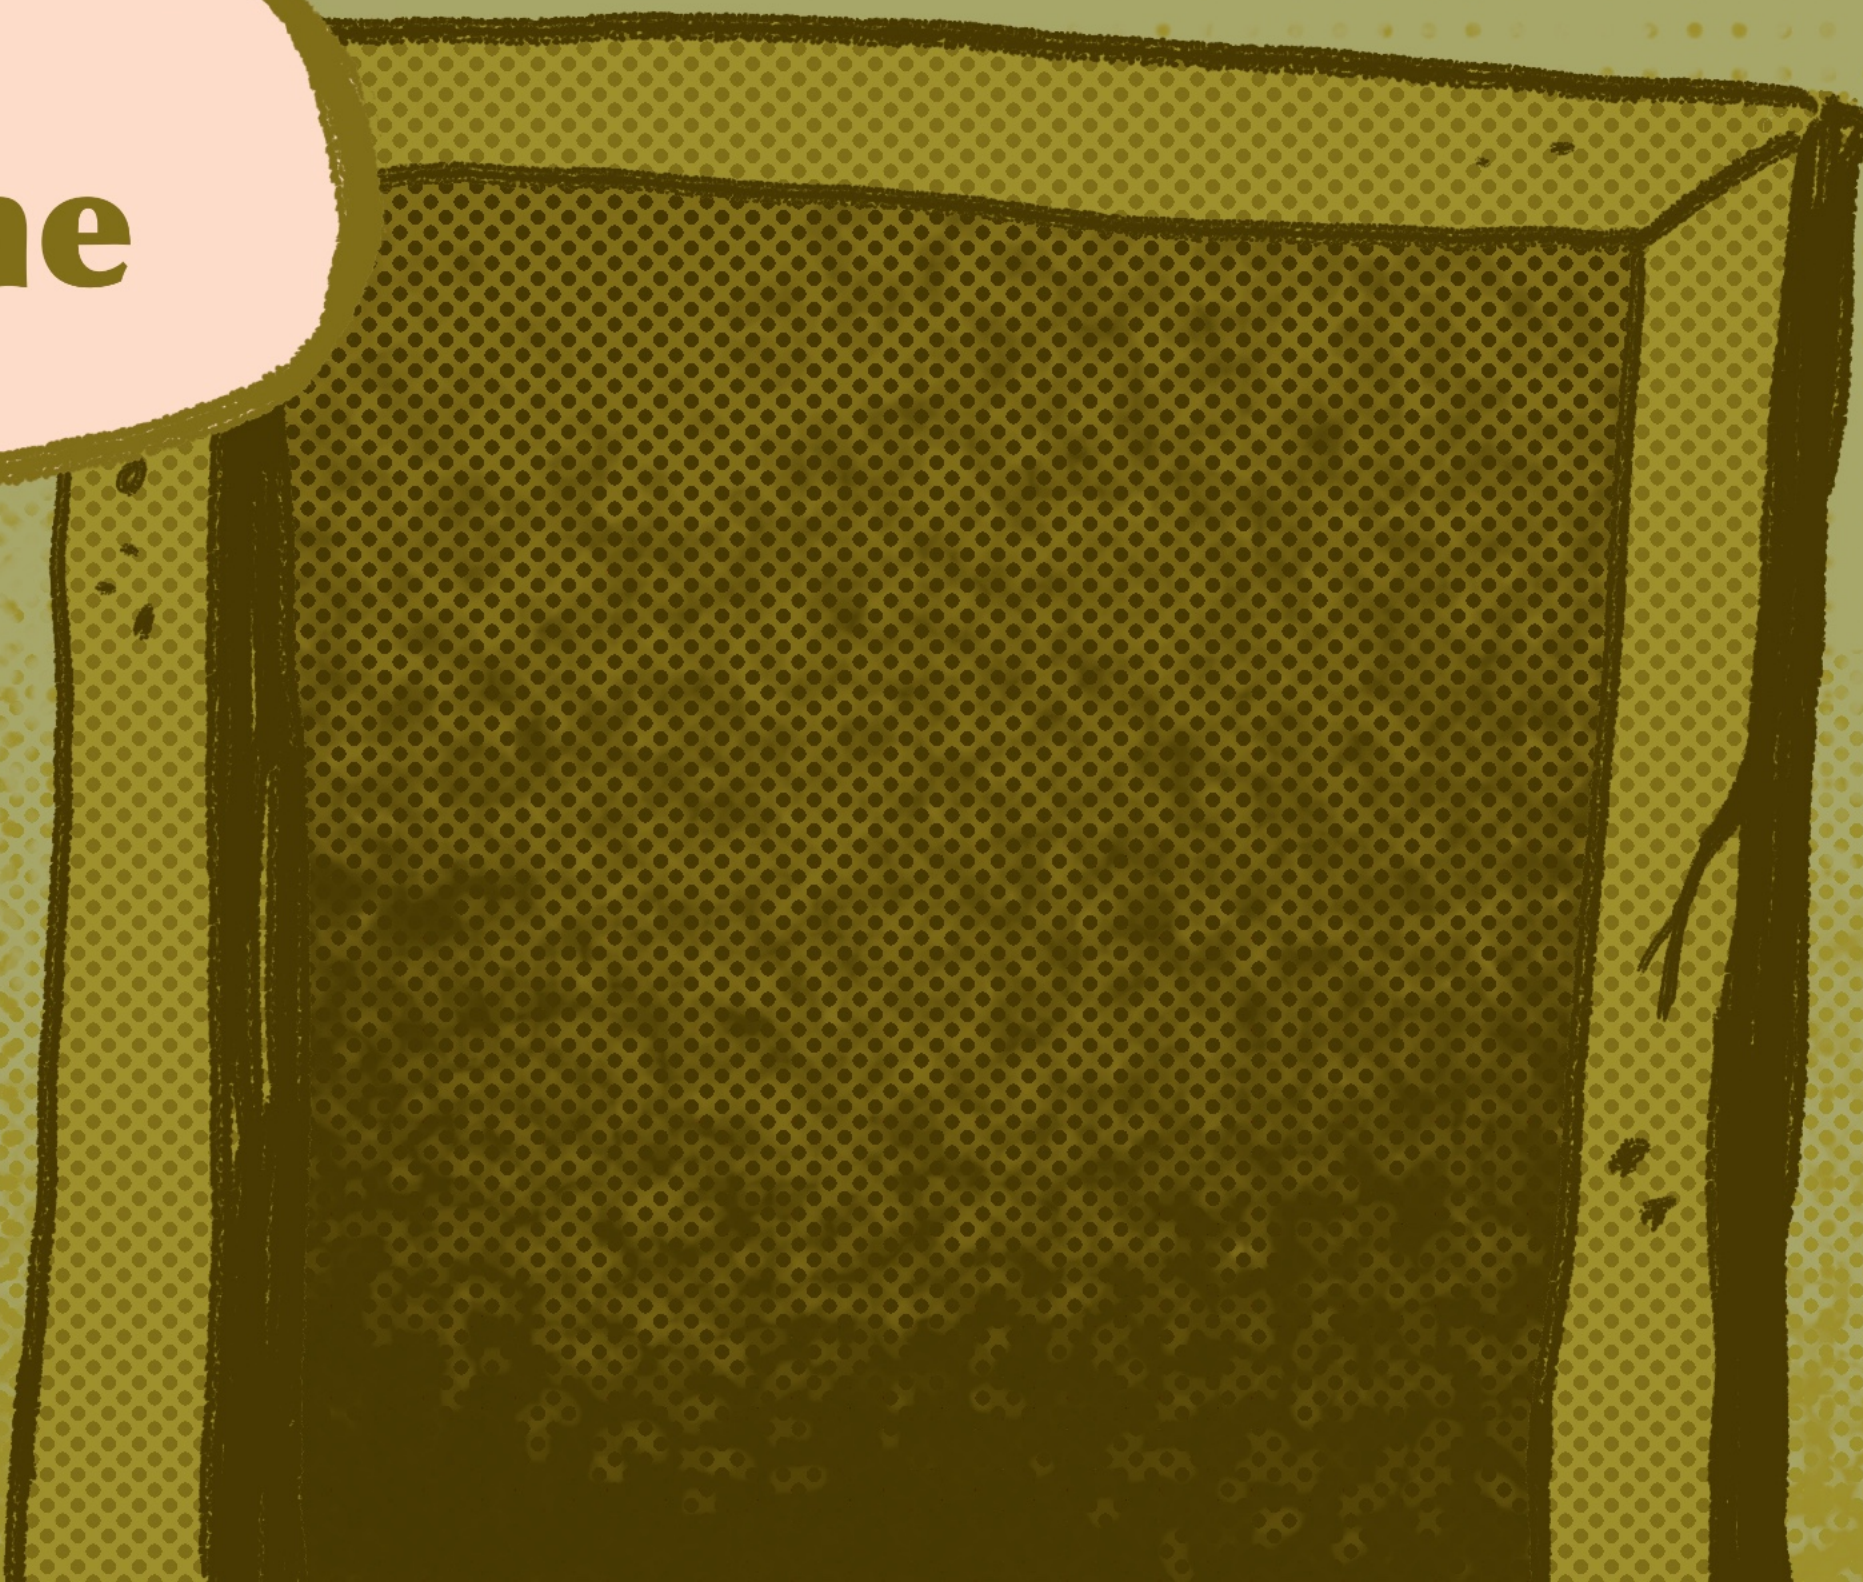

You sure?

**Well, we
have all day
right?**

I guess so

**I just don't
like wasting time**

Gotcha

**See? Much more
areas to cover!**

Damn, you're right

**This is gonna
take all day**

Exactly!

**This is why I
wanted to stick
together!**

It's efficient!

**How is this
efficient?**

**Didn't
answer me...**

**Let's go
here!**

**It's hard to see
anything here**

**Do you see
a light?**

SN--AP!

That's neat

I know right?
Fancy~

Woah-

Wait

How did you
know how to turn
on the light?

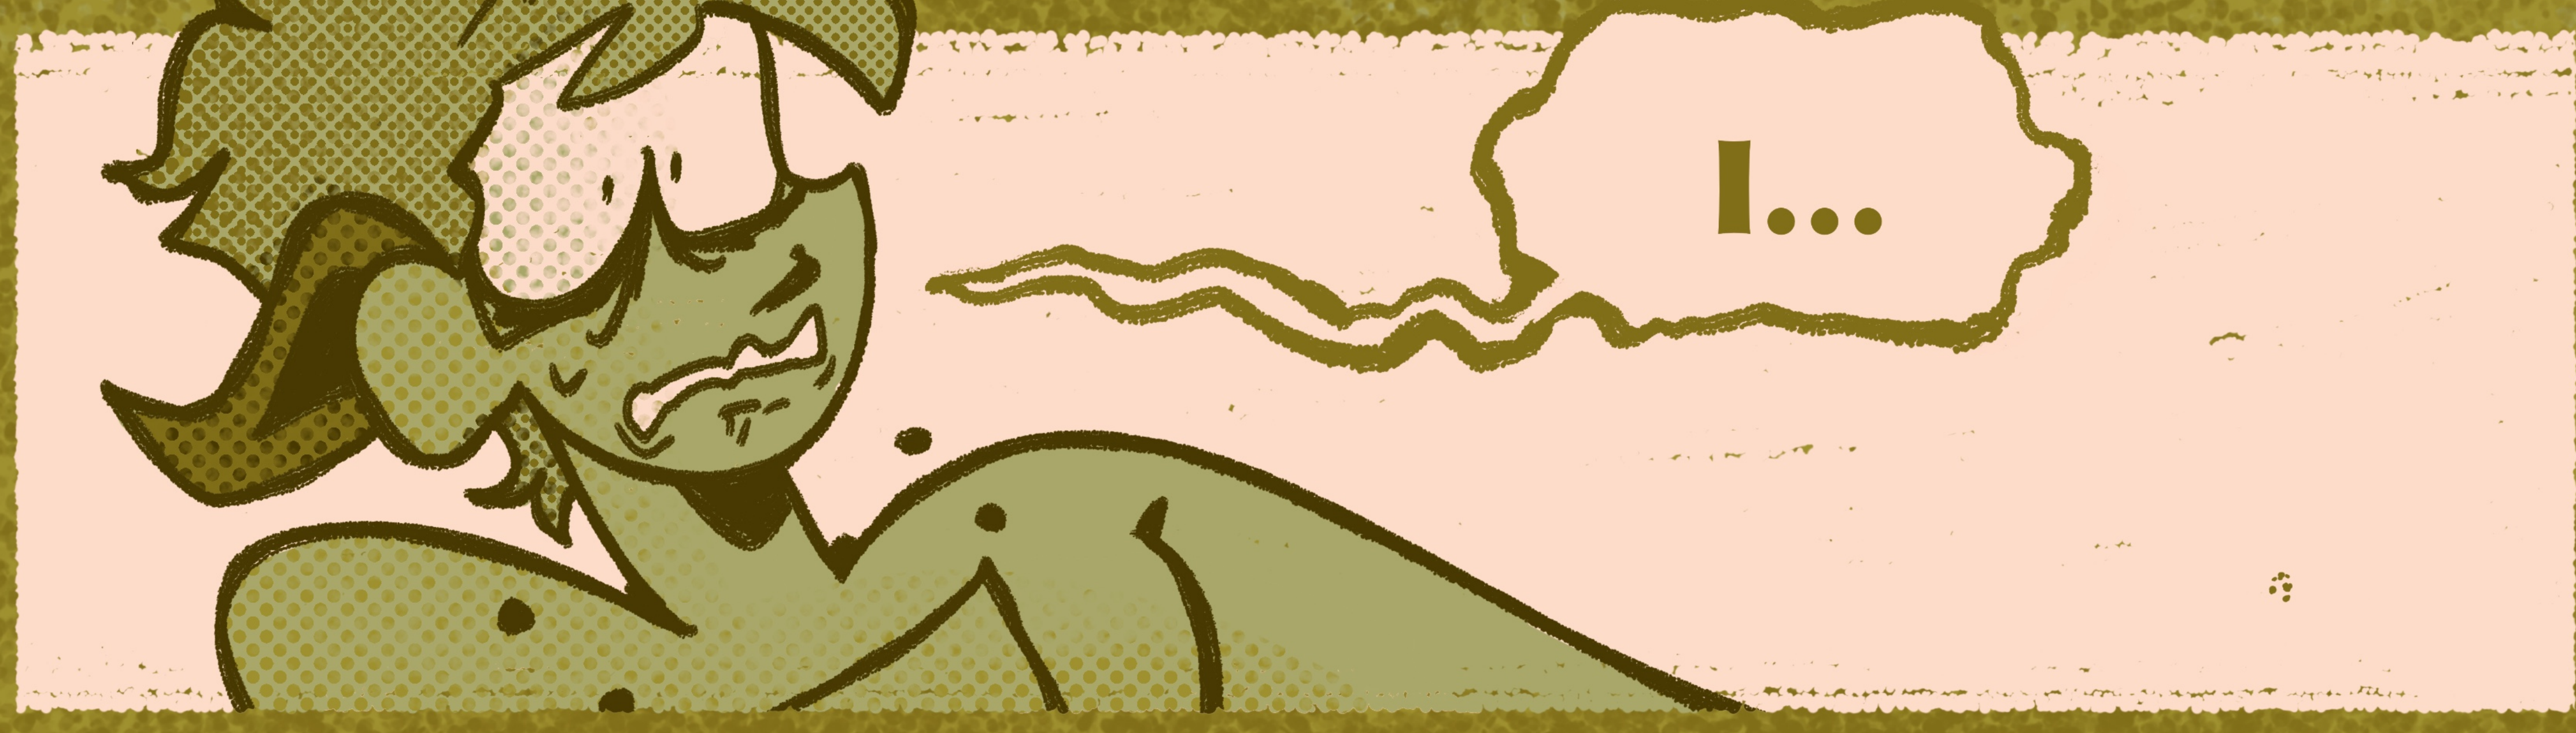

you you you
YOU. you
you you you

YAAH

L-Lime...

Author's Note

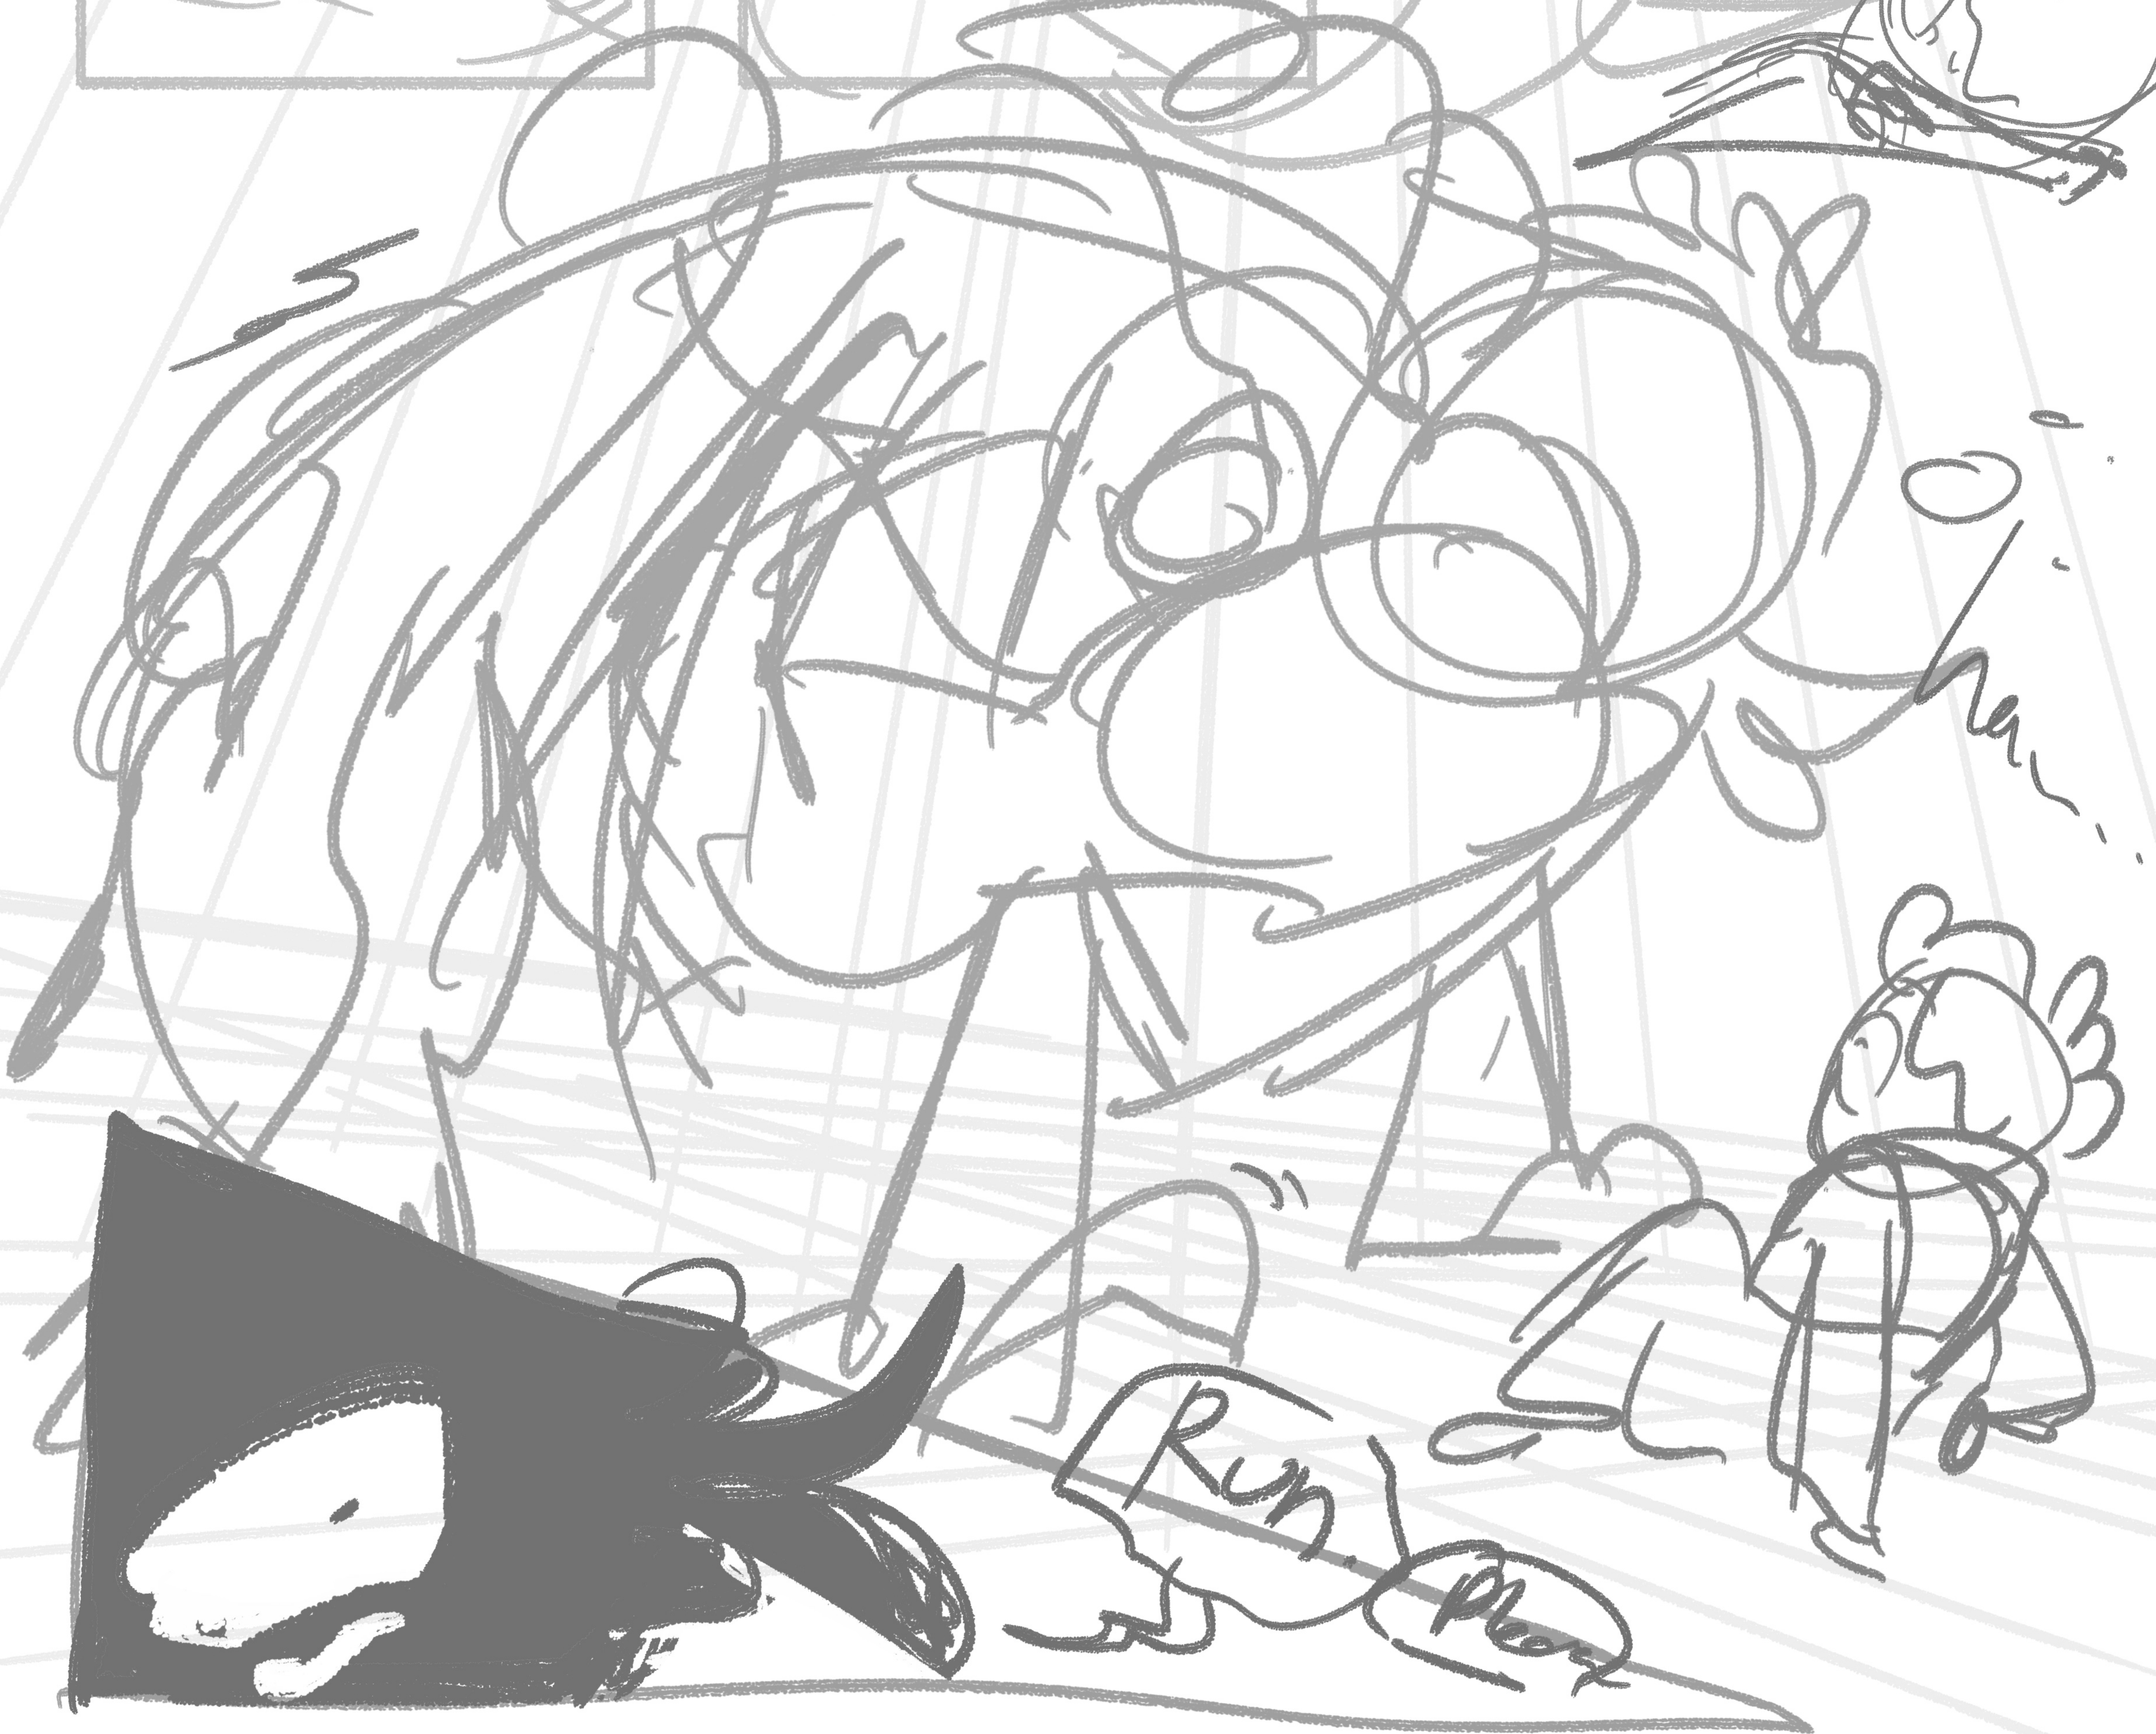

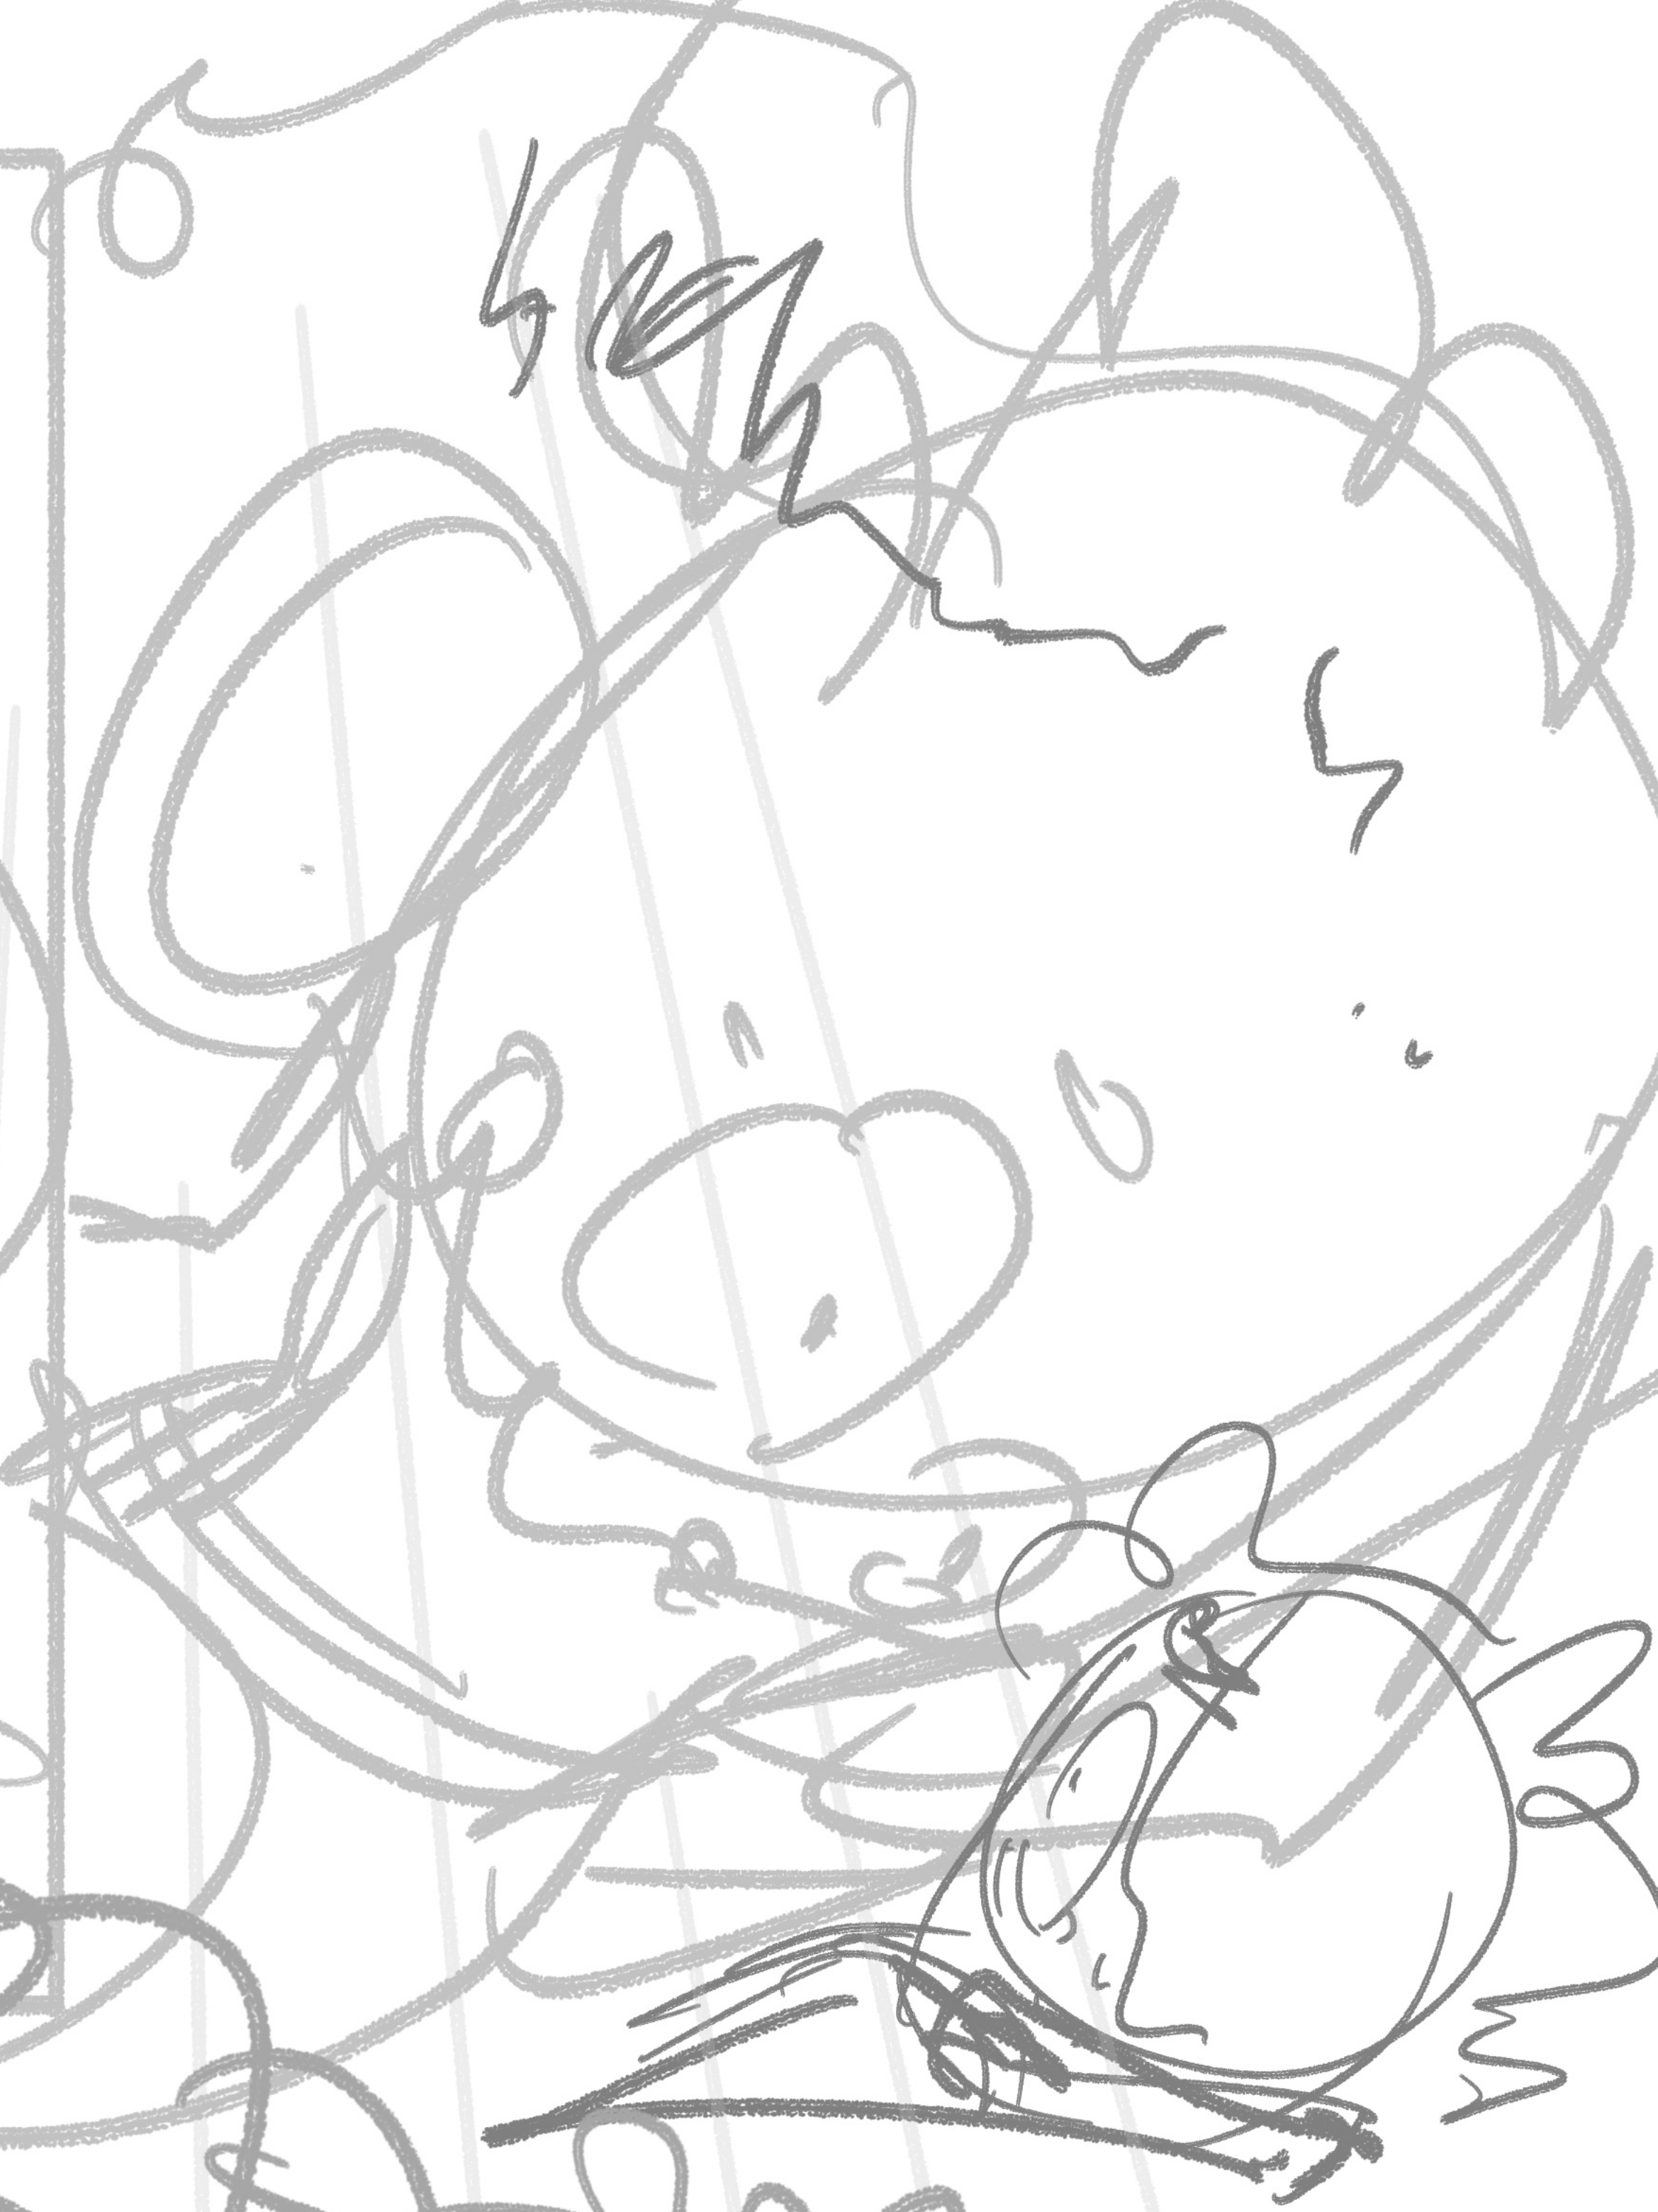

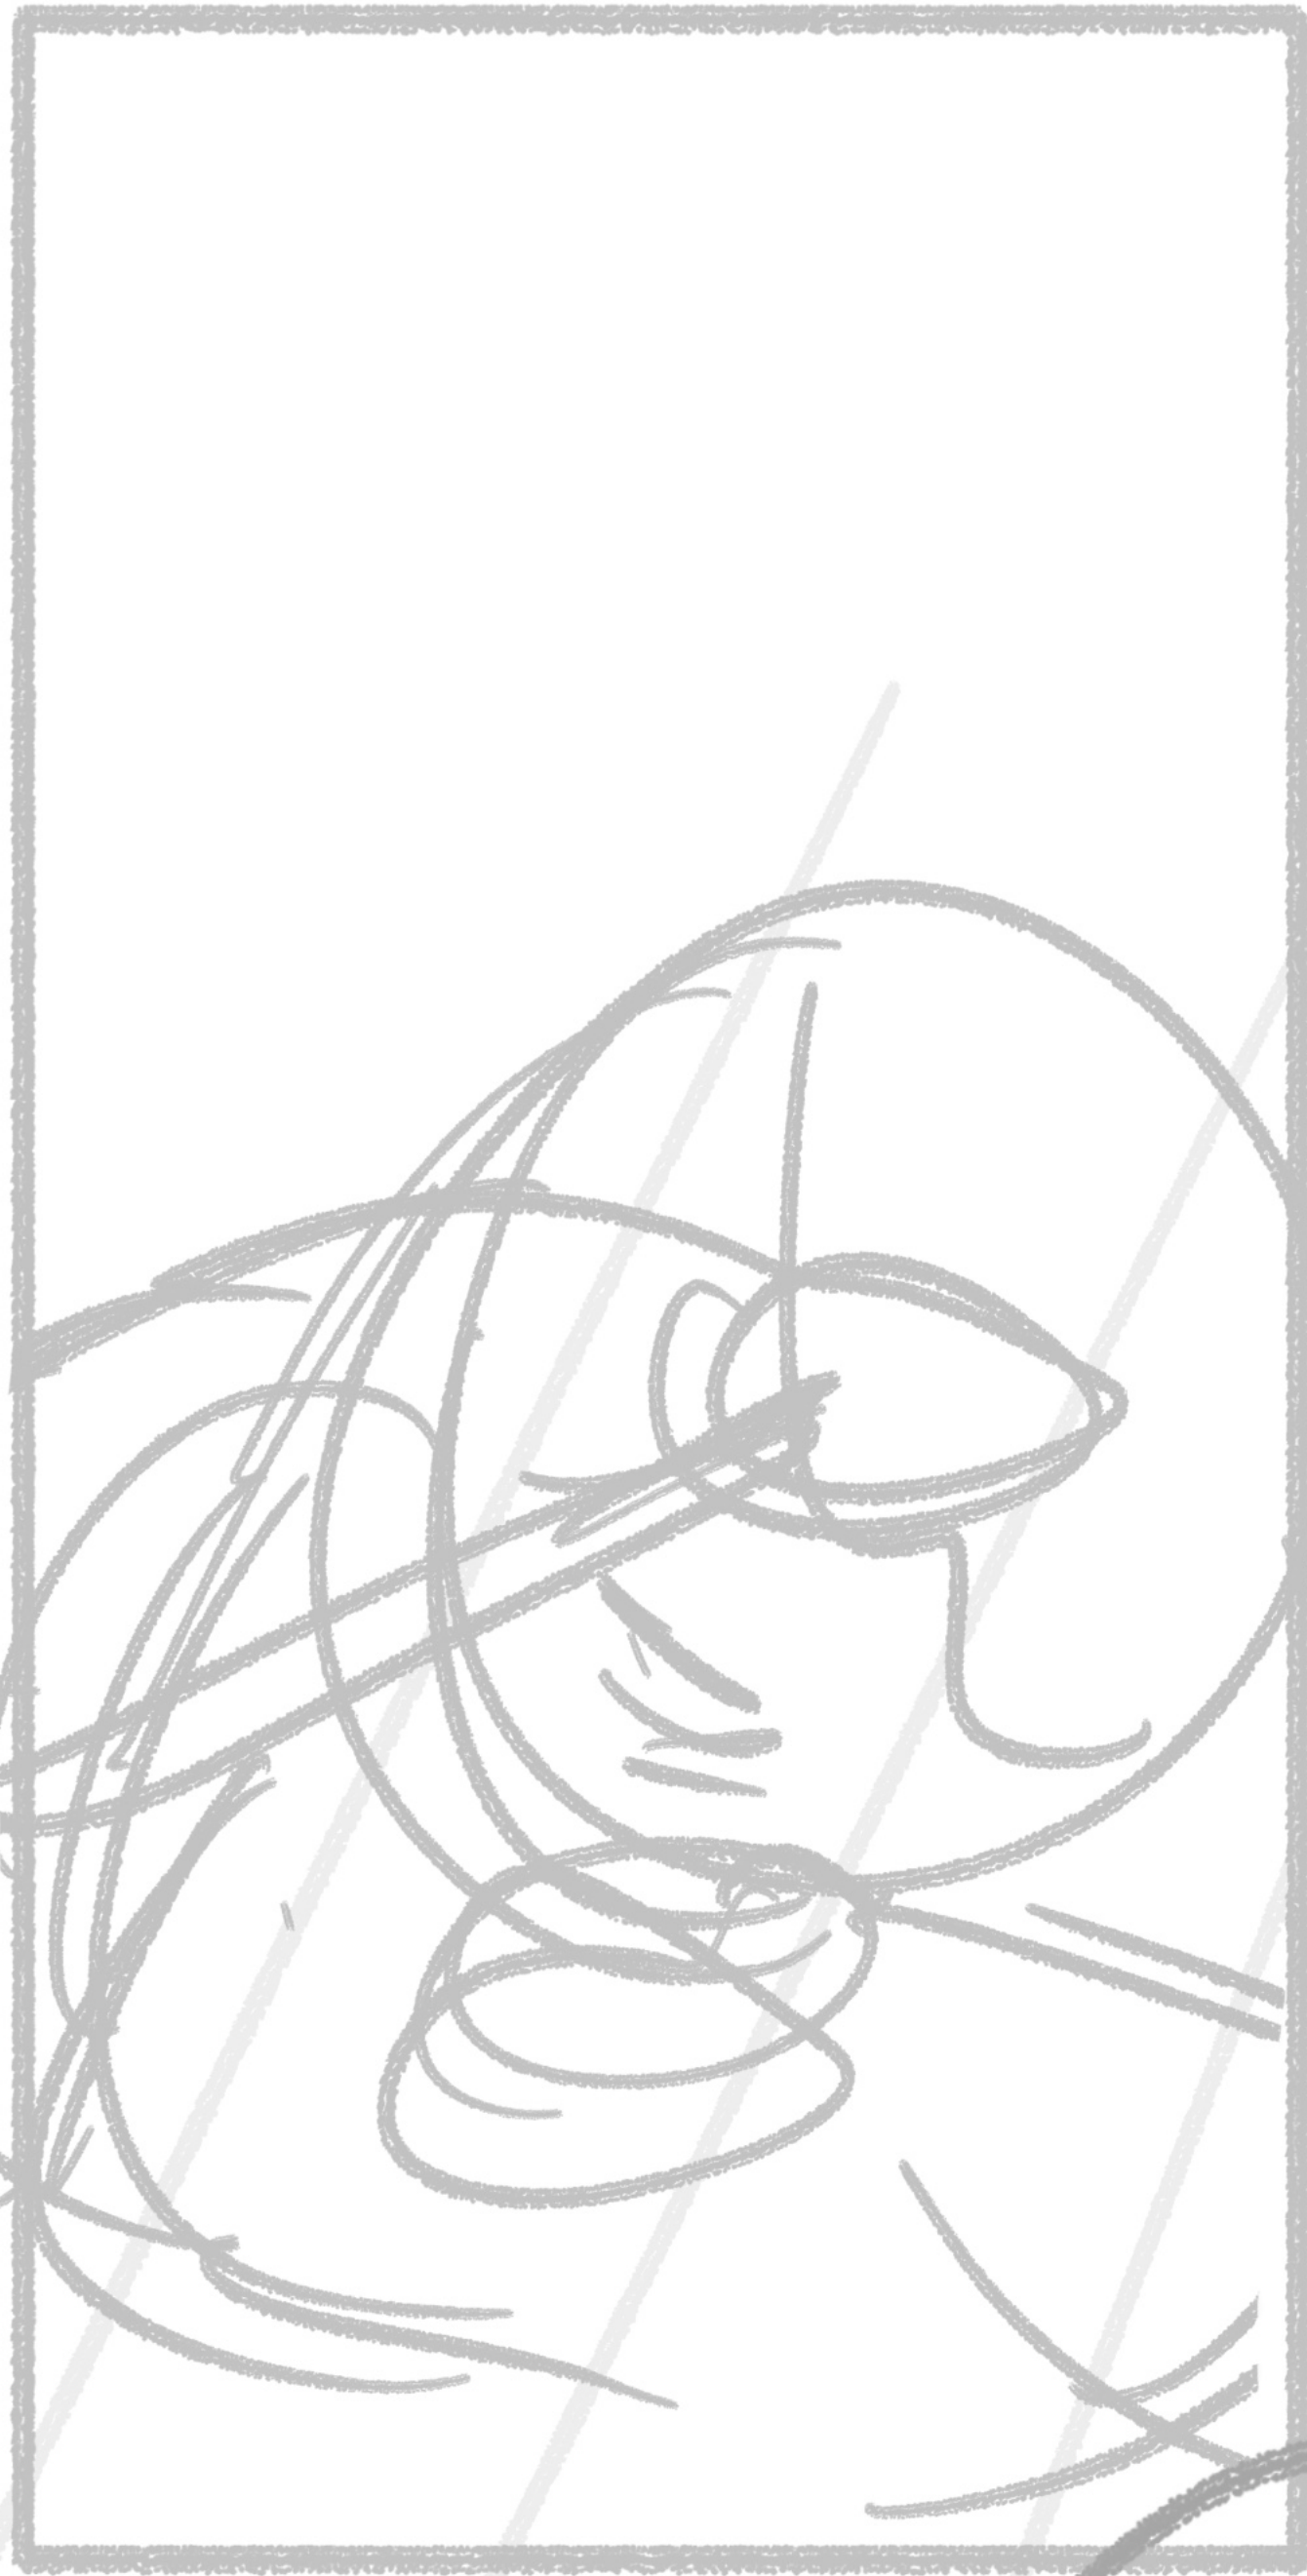

Thank you for reading the second (sadly unfinished) Tales of Prasanakan! If this is the first time you're seeing this comic, thank you for giving it a chance! This comic is mostly my passion project and a thing I do for fun. I had to discontinue it because of various irl reasons and because the story I had laid out was messy and all over the place. So for archival reasons I put a pdf of this comic up where ever you got it.

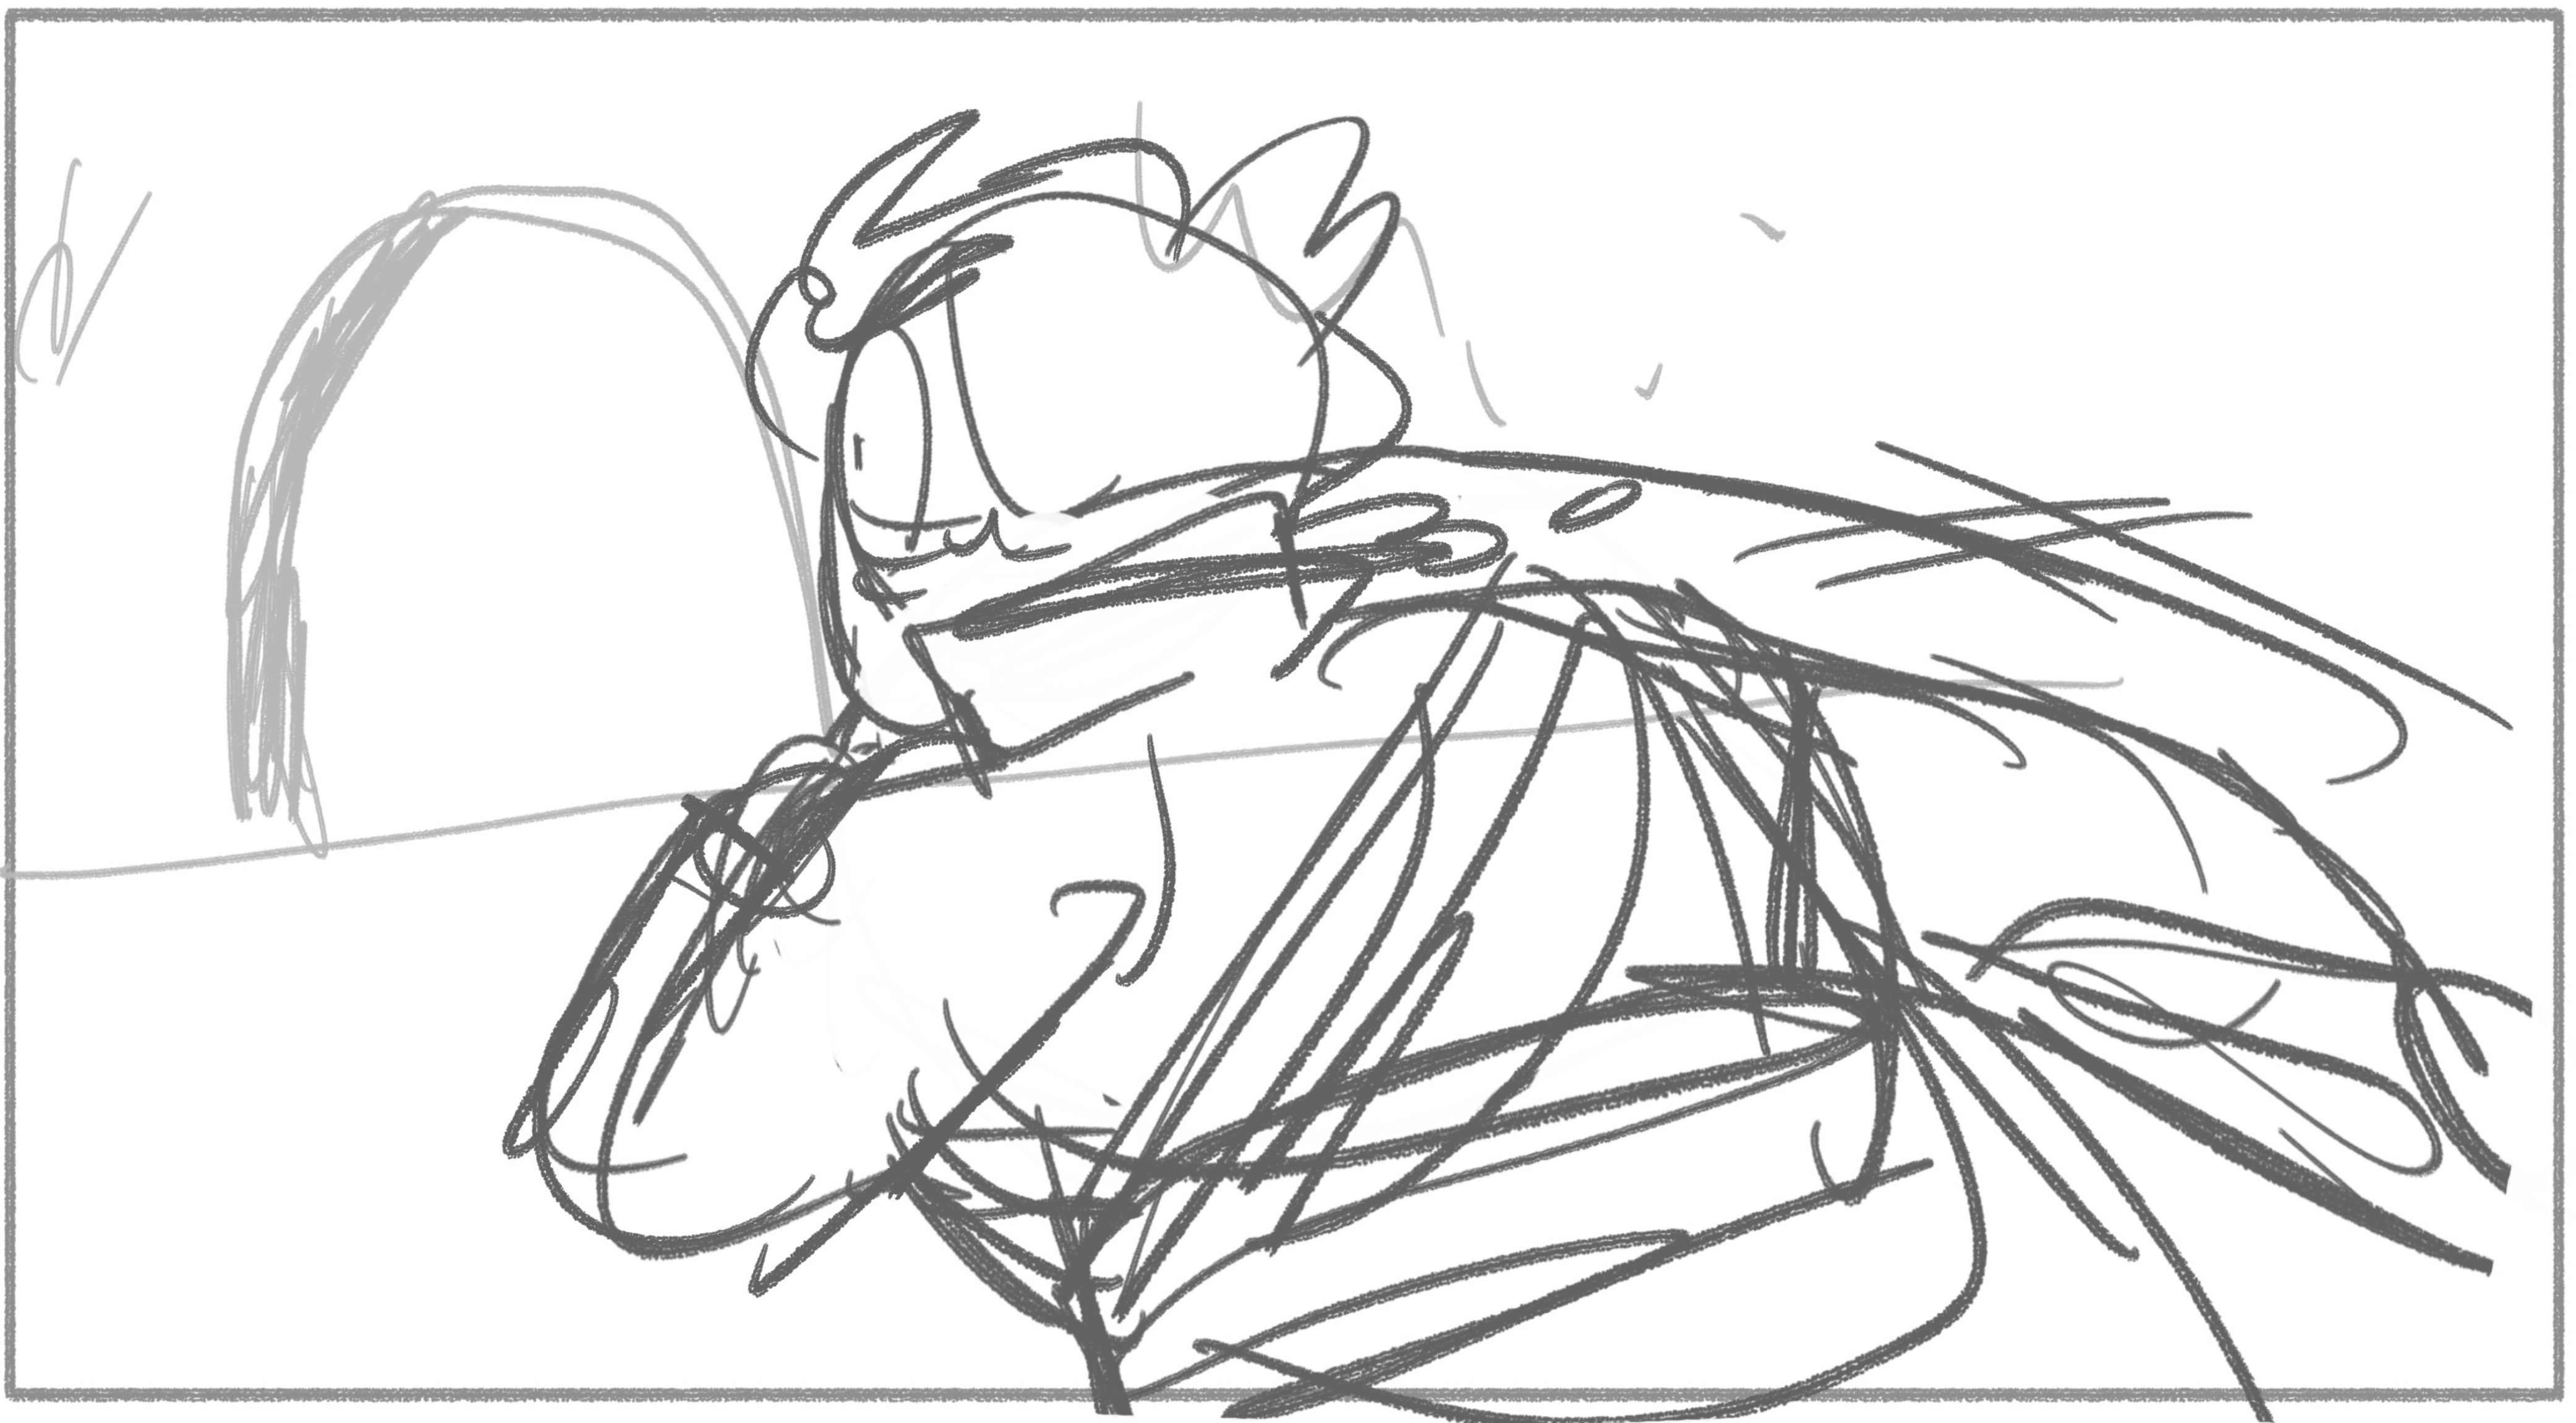

I'm not giving up on these characters, they mean a lot to me and I still wish to give them a story or do something with them till. I hope you enjoy it when I do. Keep up with me on insta and twitter @q_lyme.

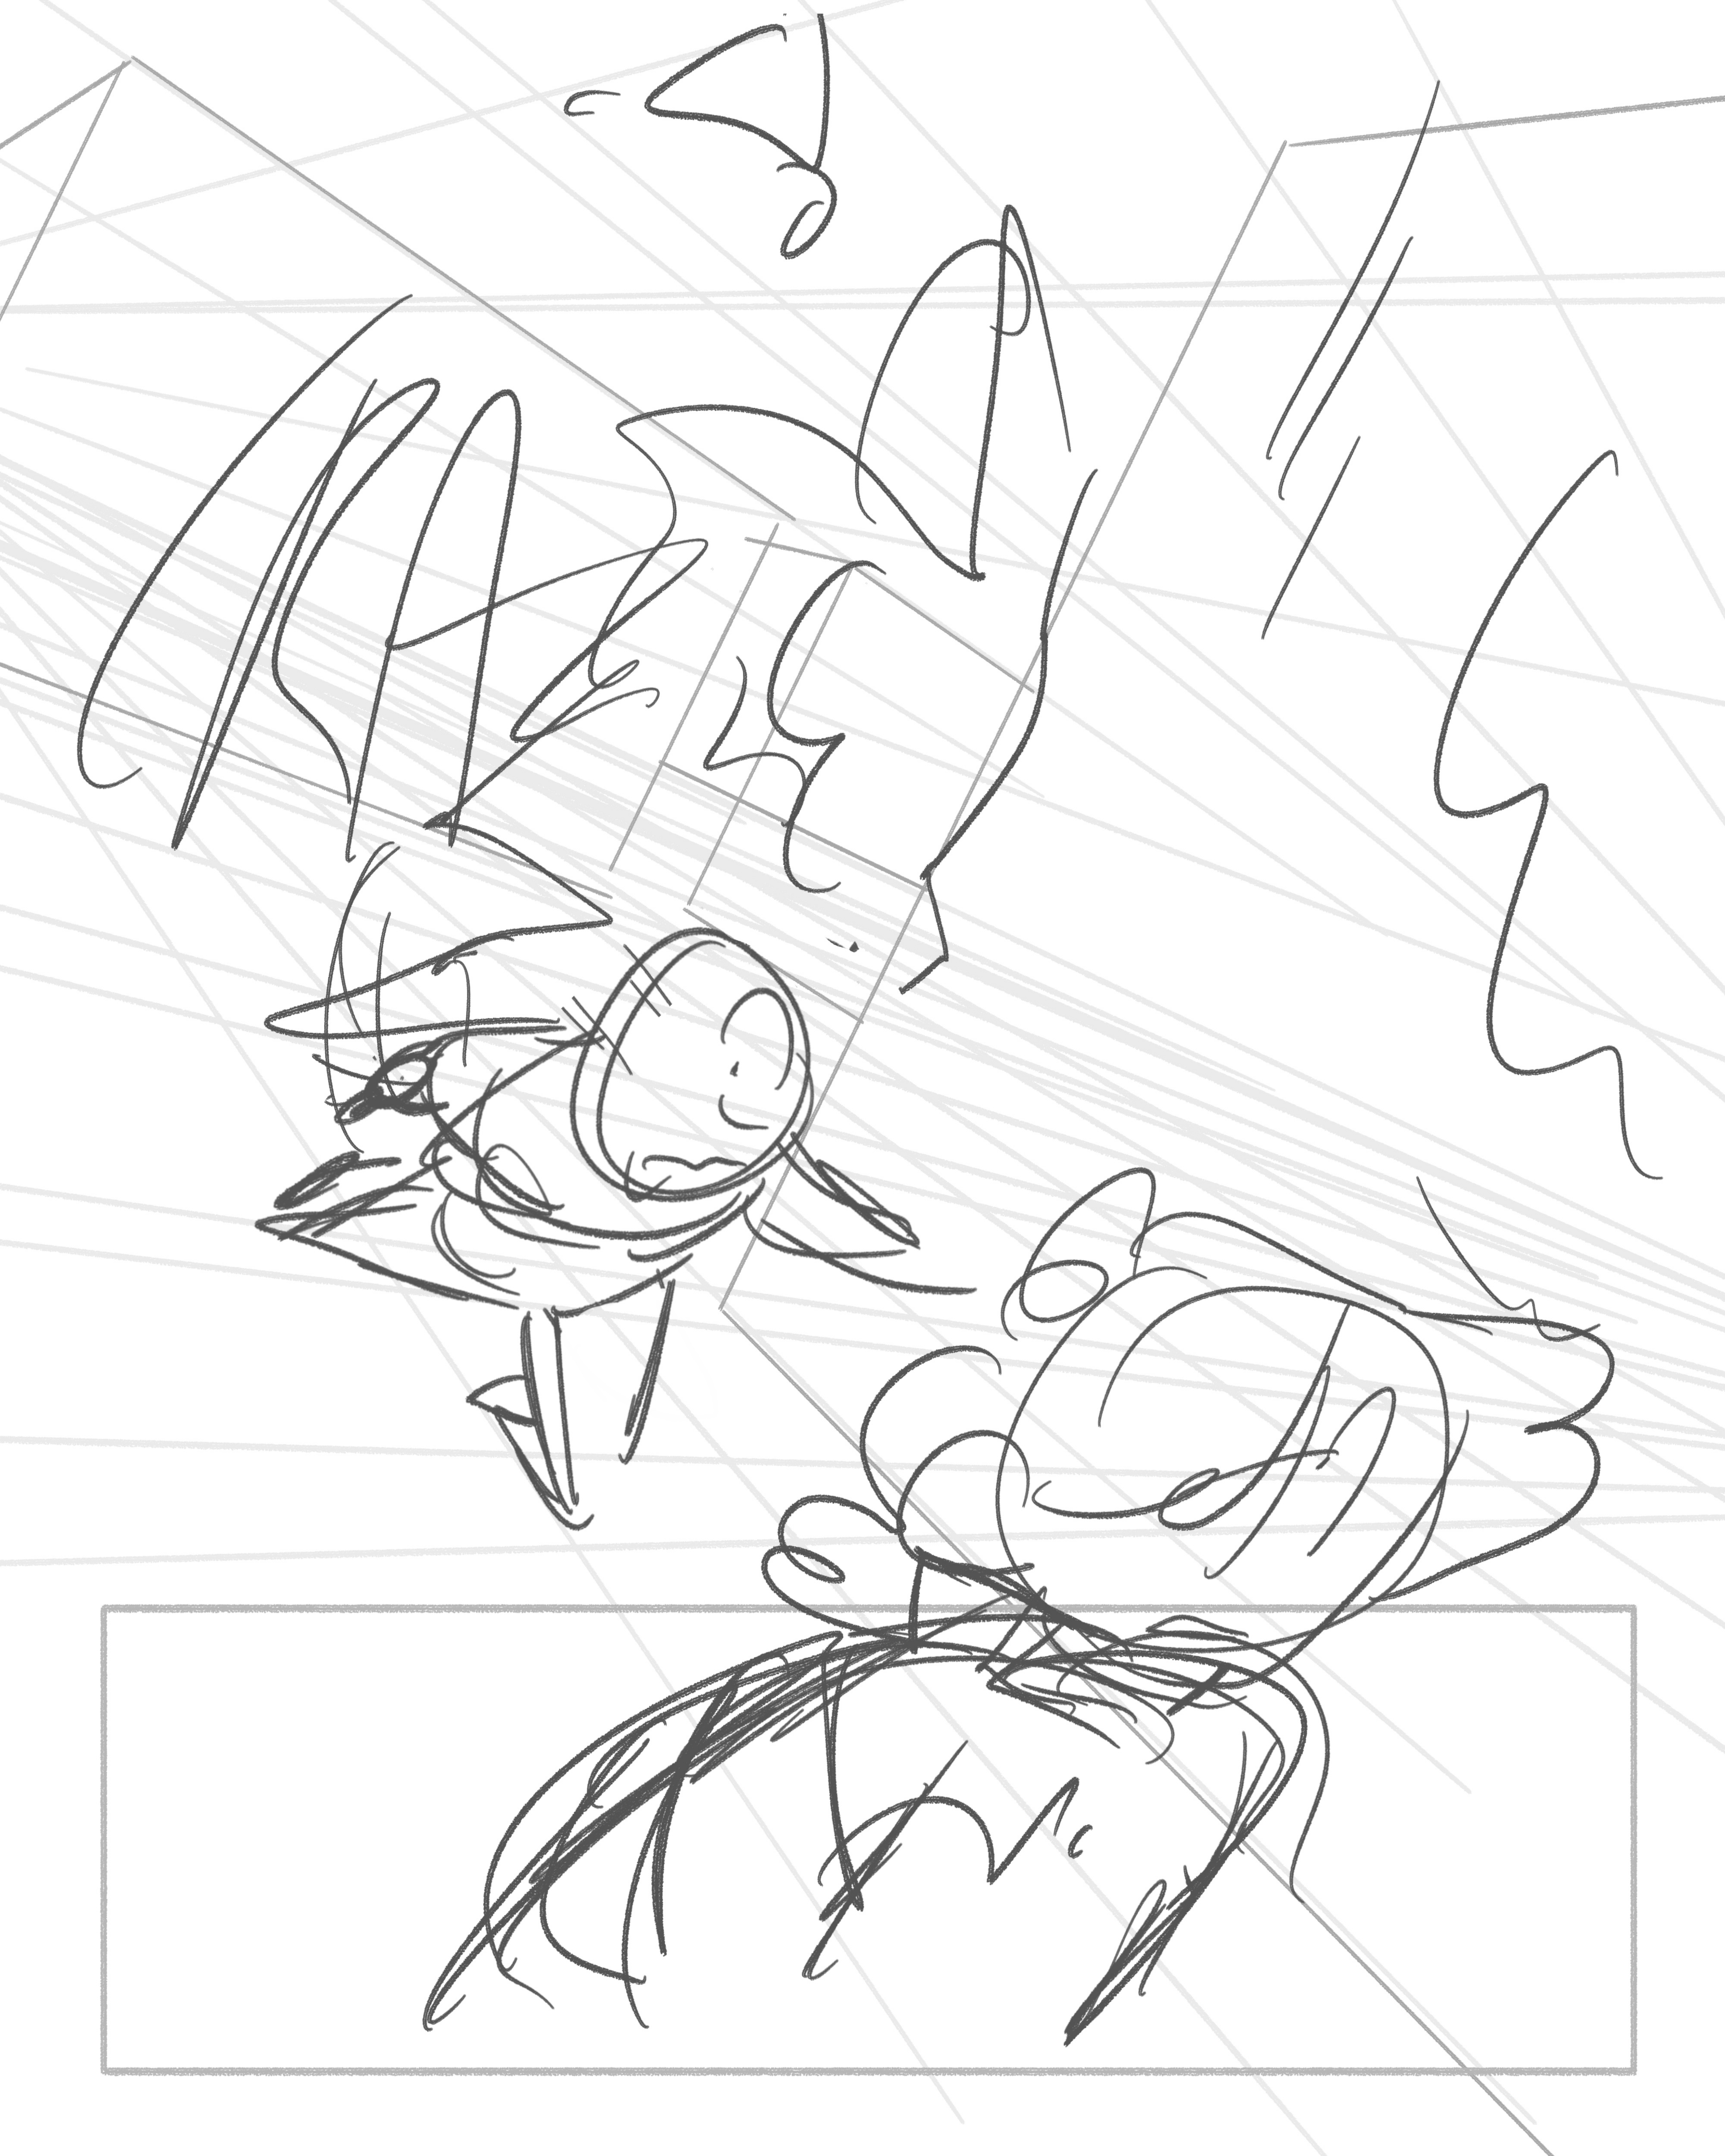

The pages you'll see after this are sketches of this comic that I never finished, maybe that's something that interests you! I just feel like I owe it to at least show these sketches if I had to discontinue this comic.

Thats enough from me, have a good day yall!

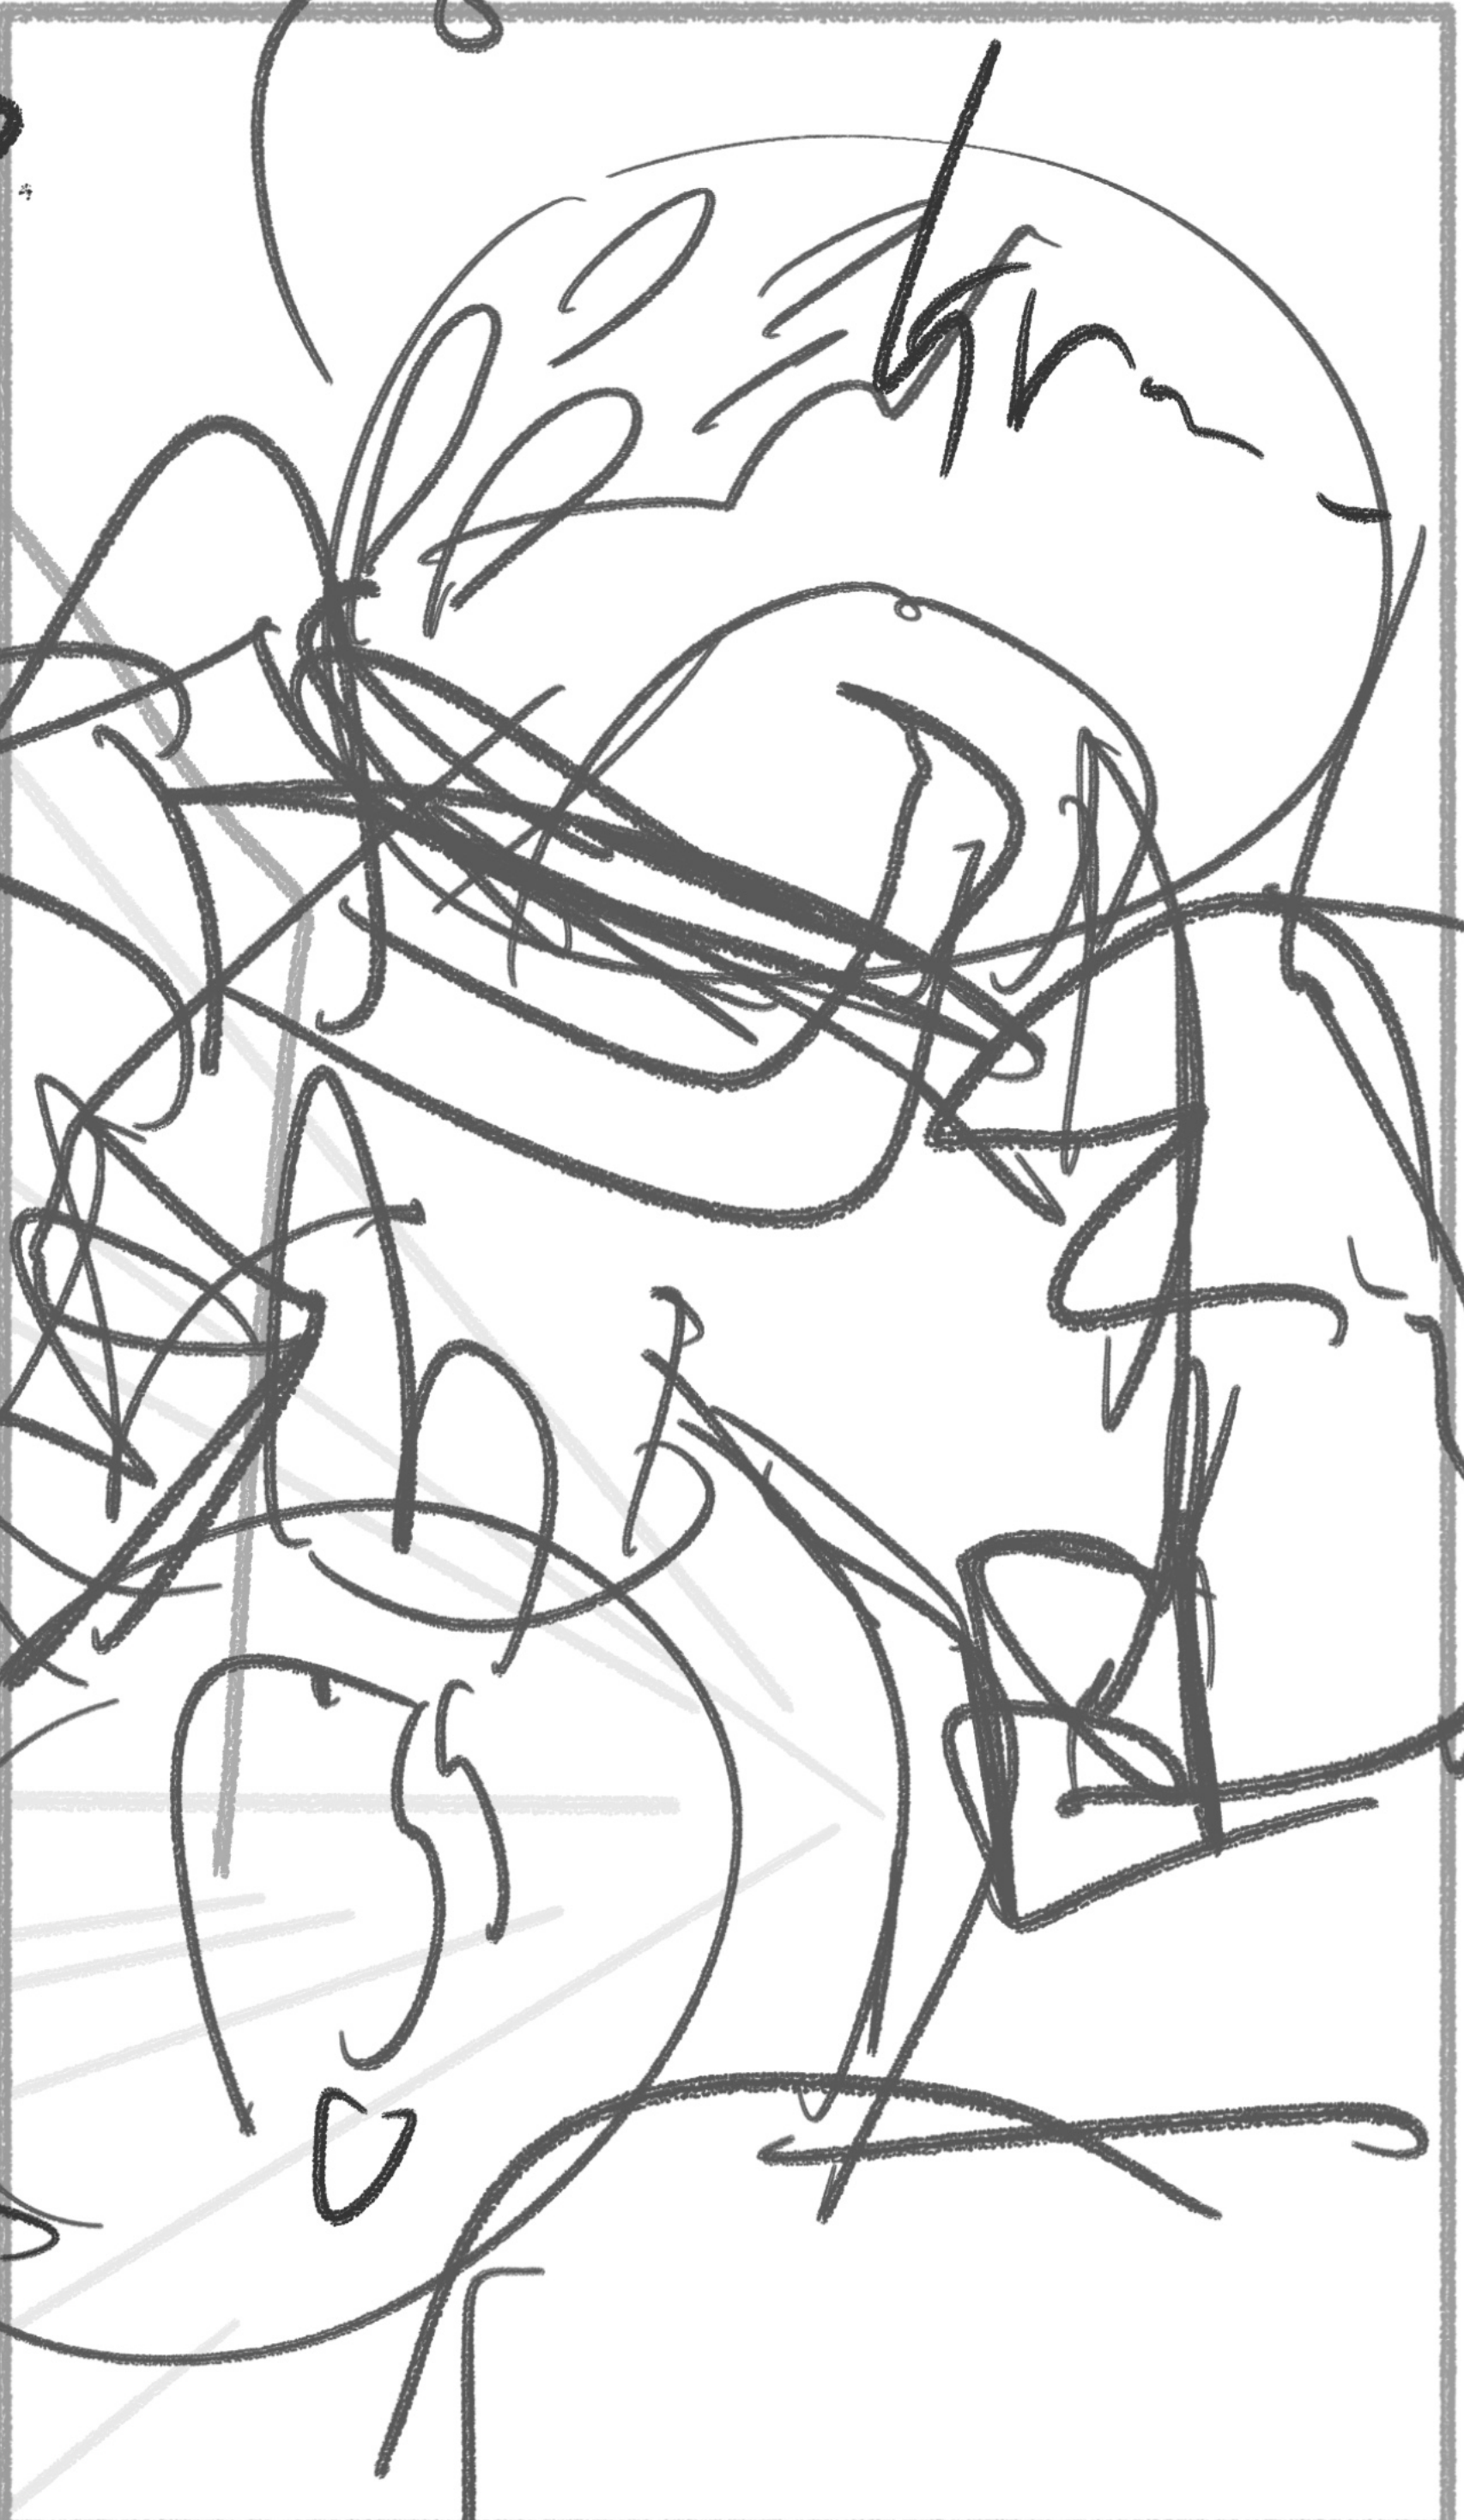

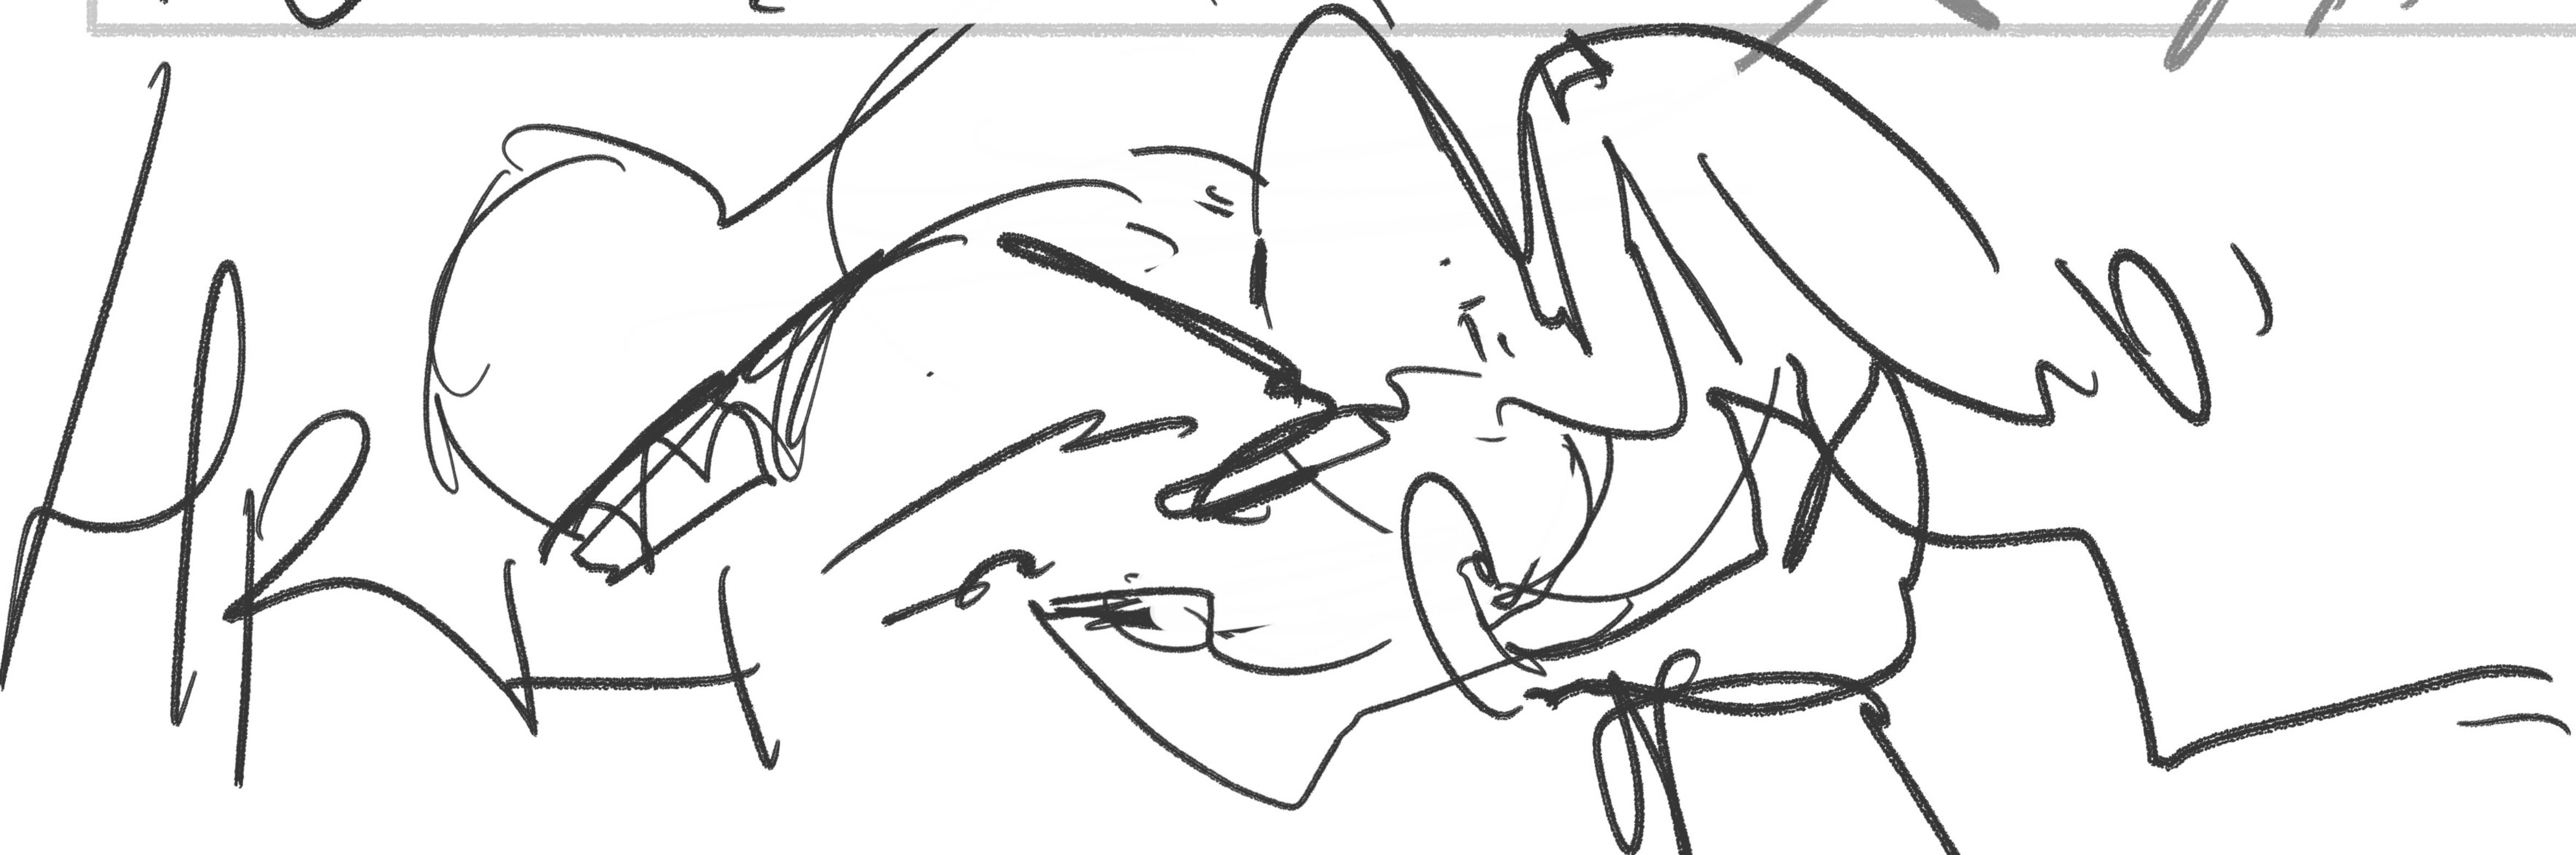

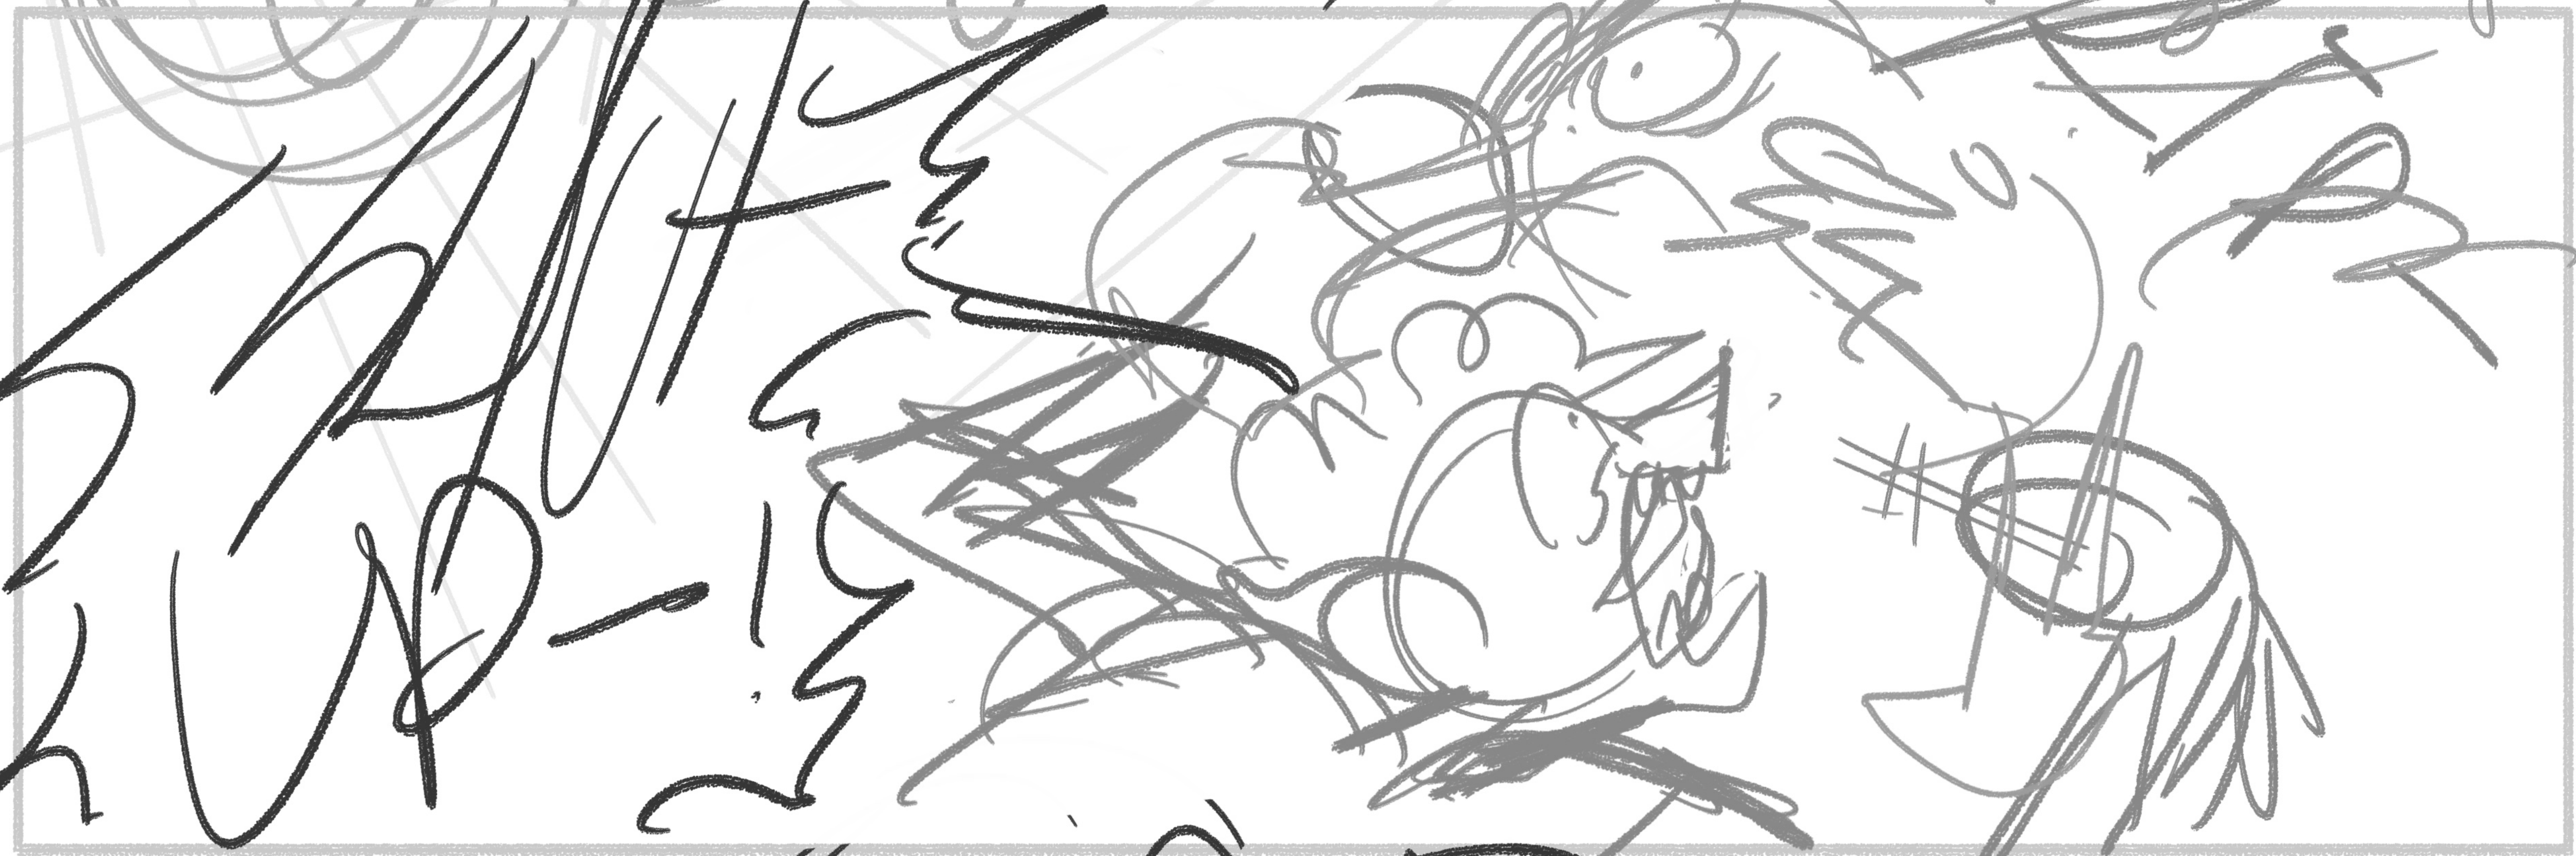

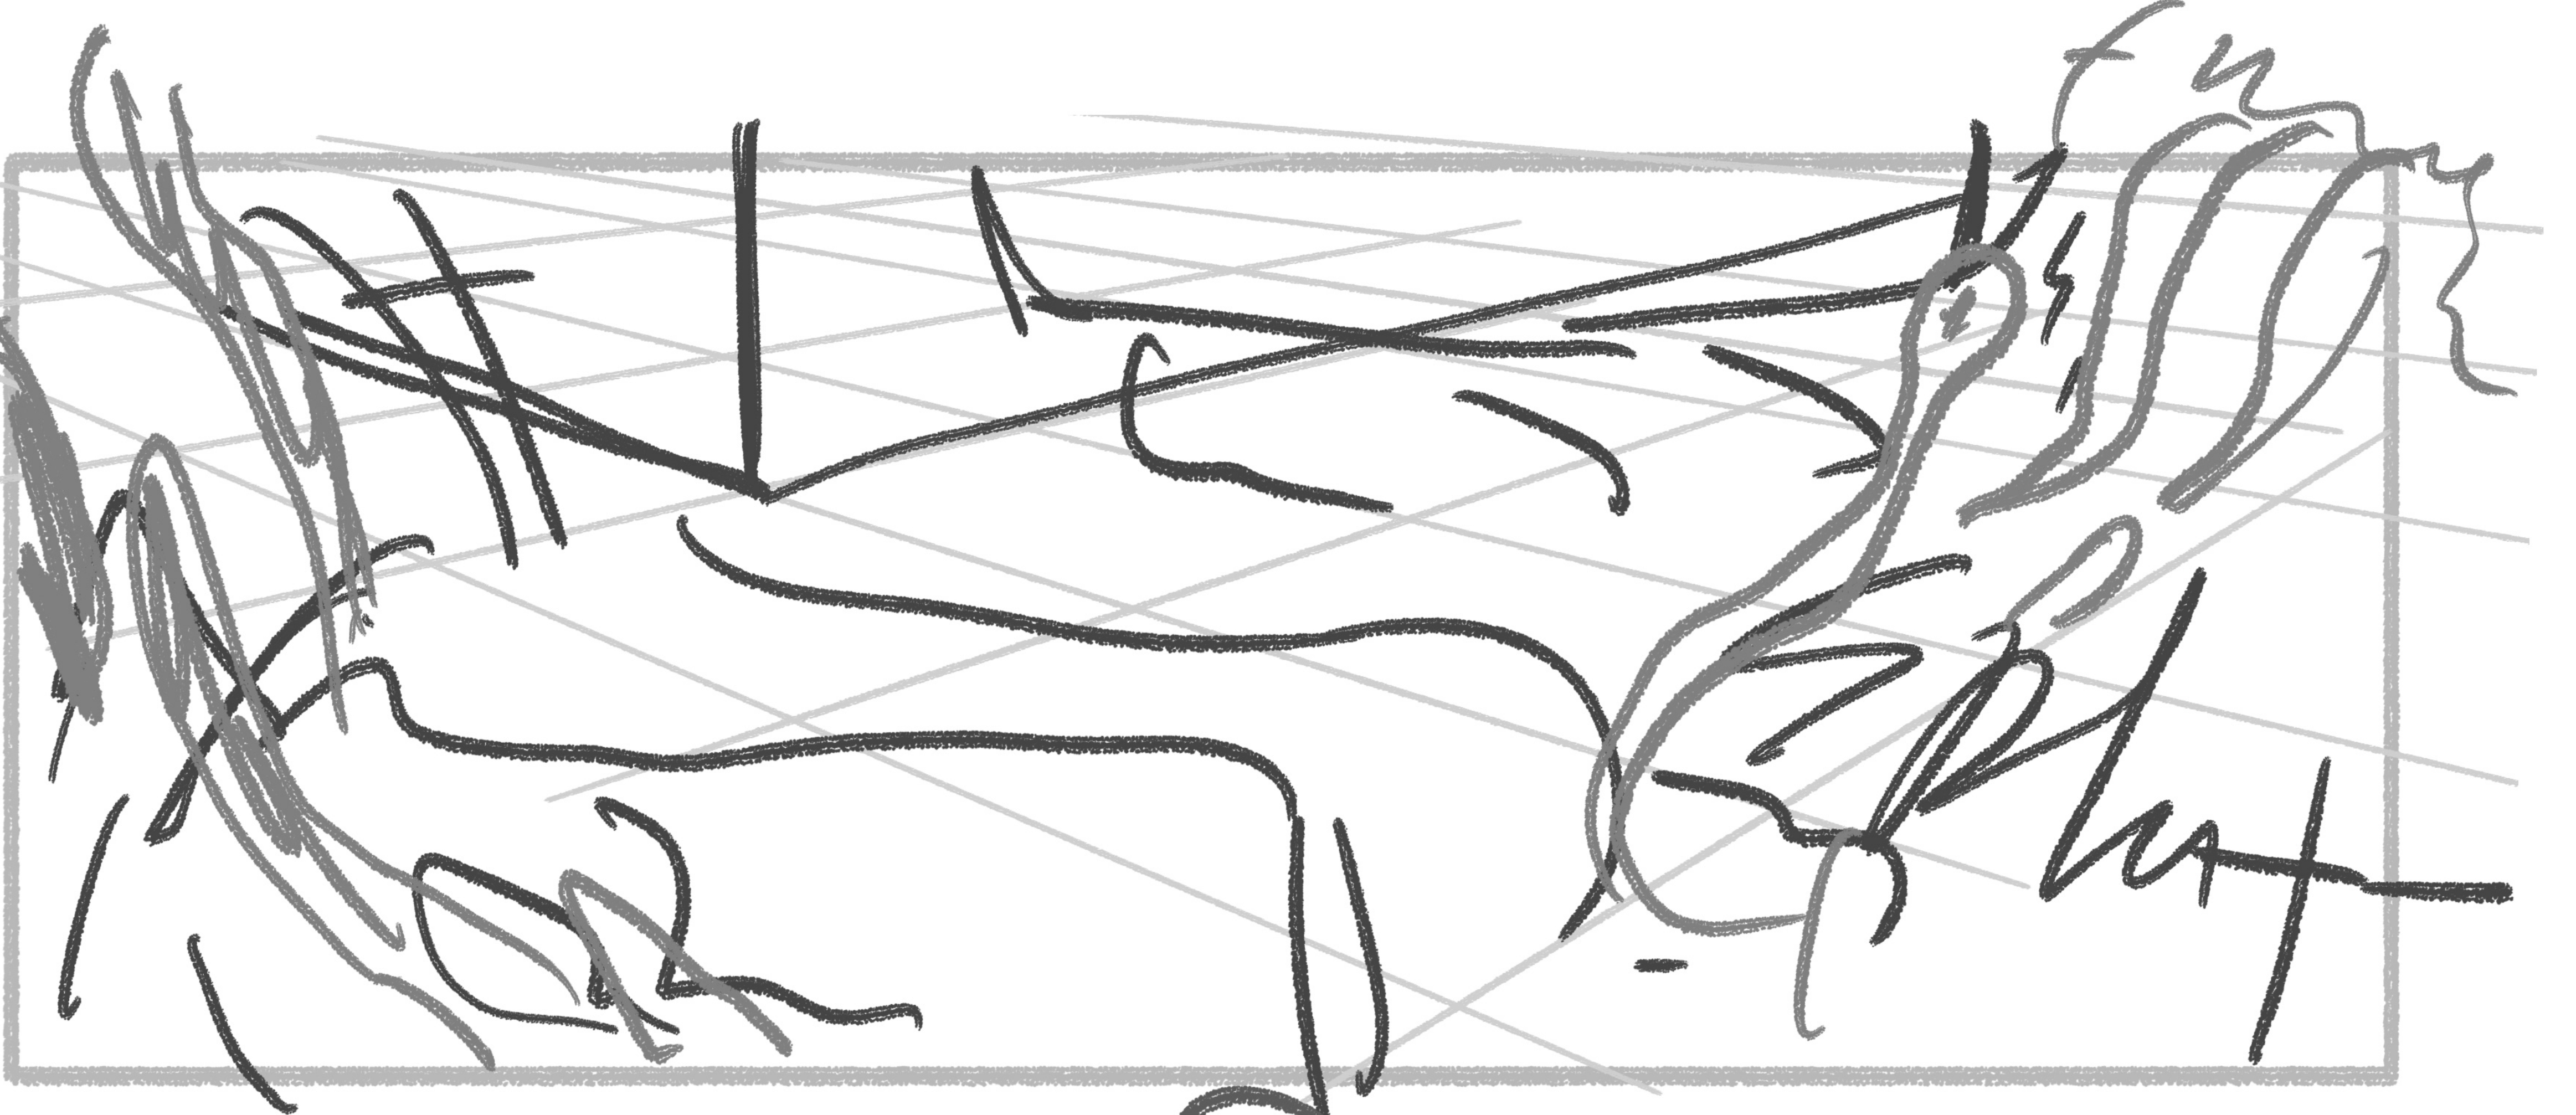

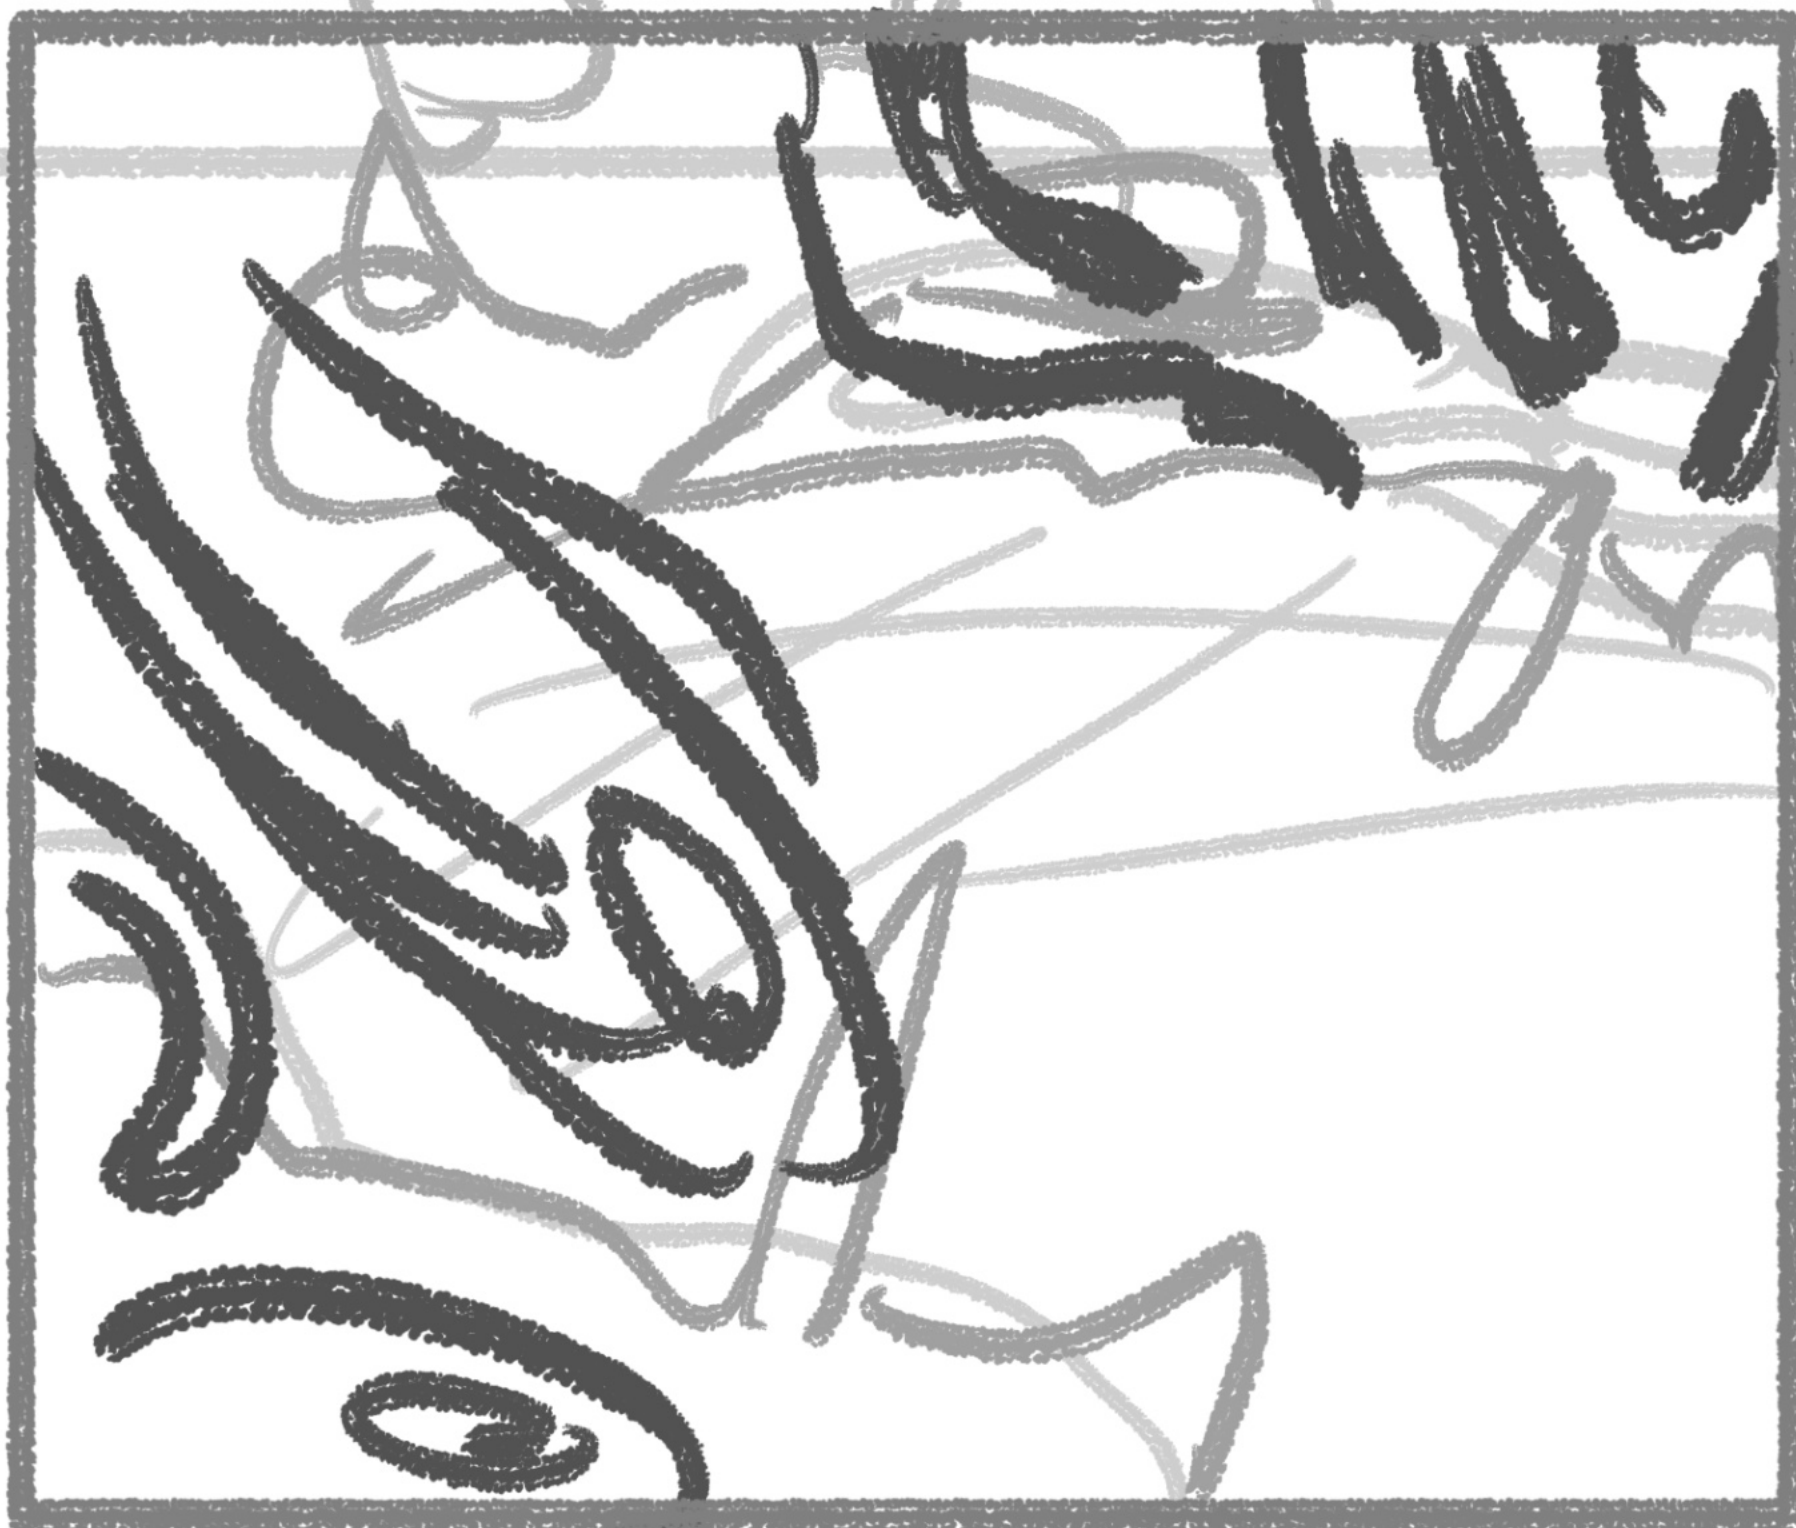

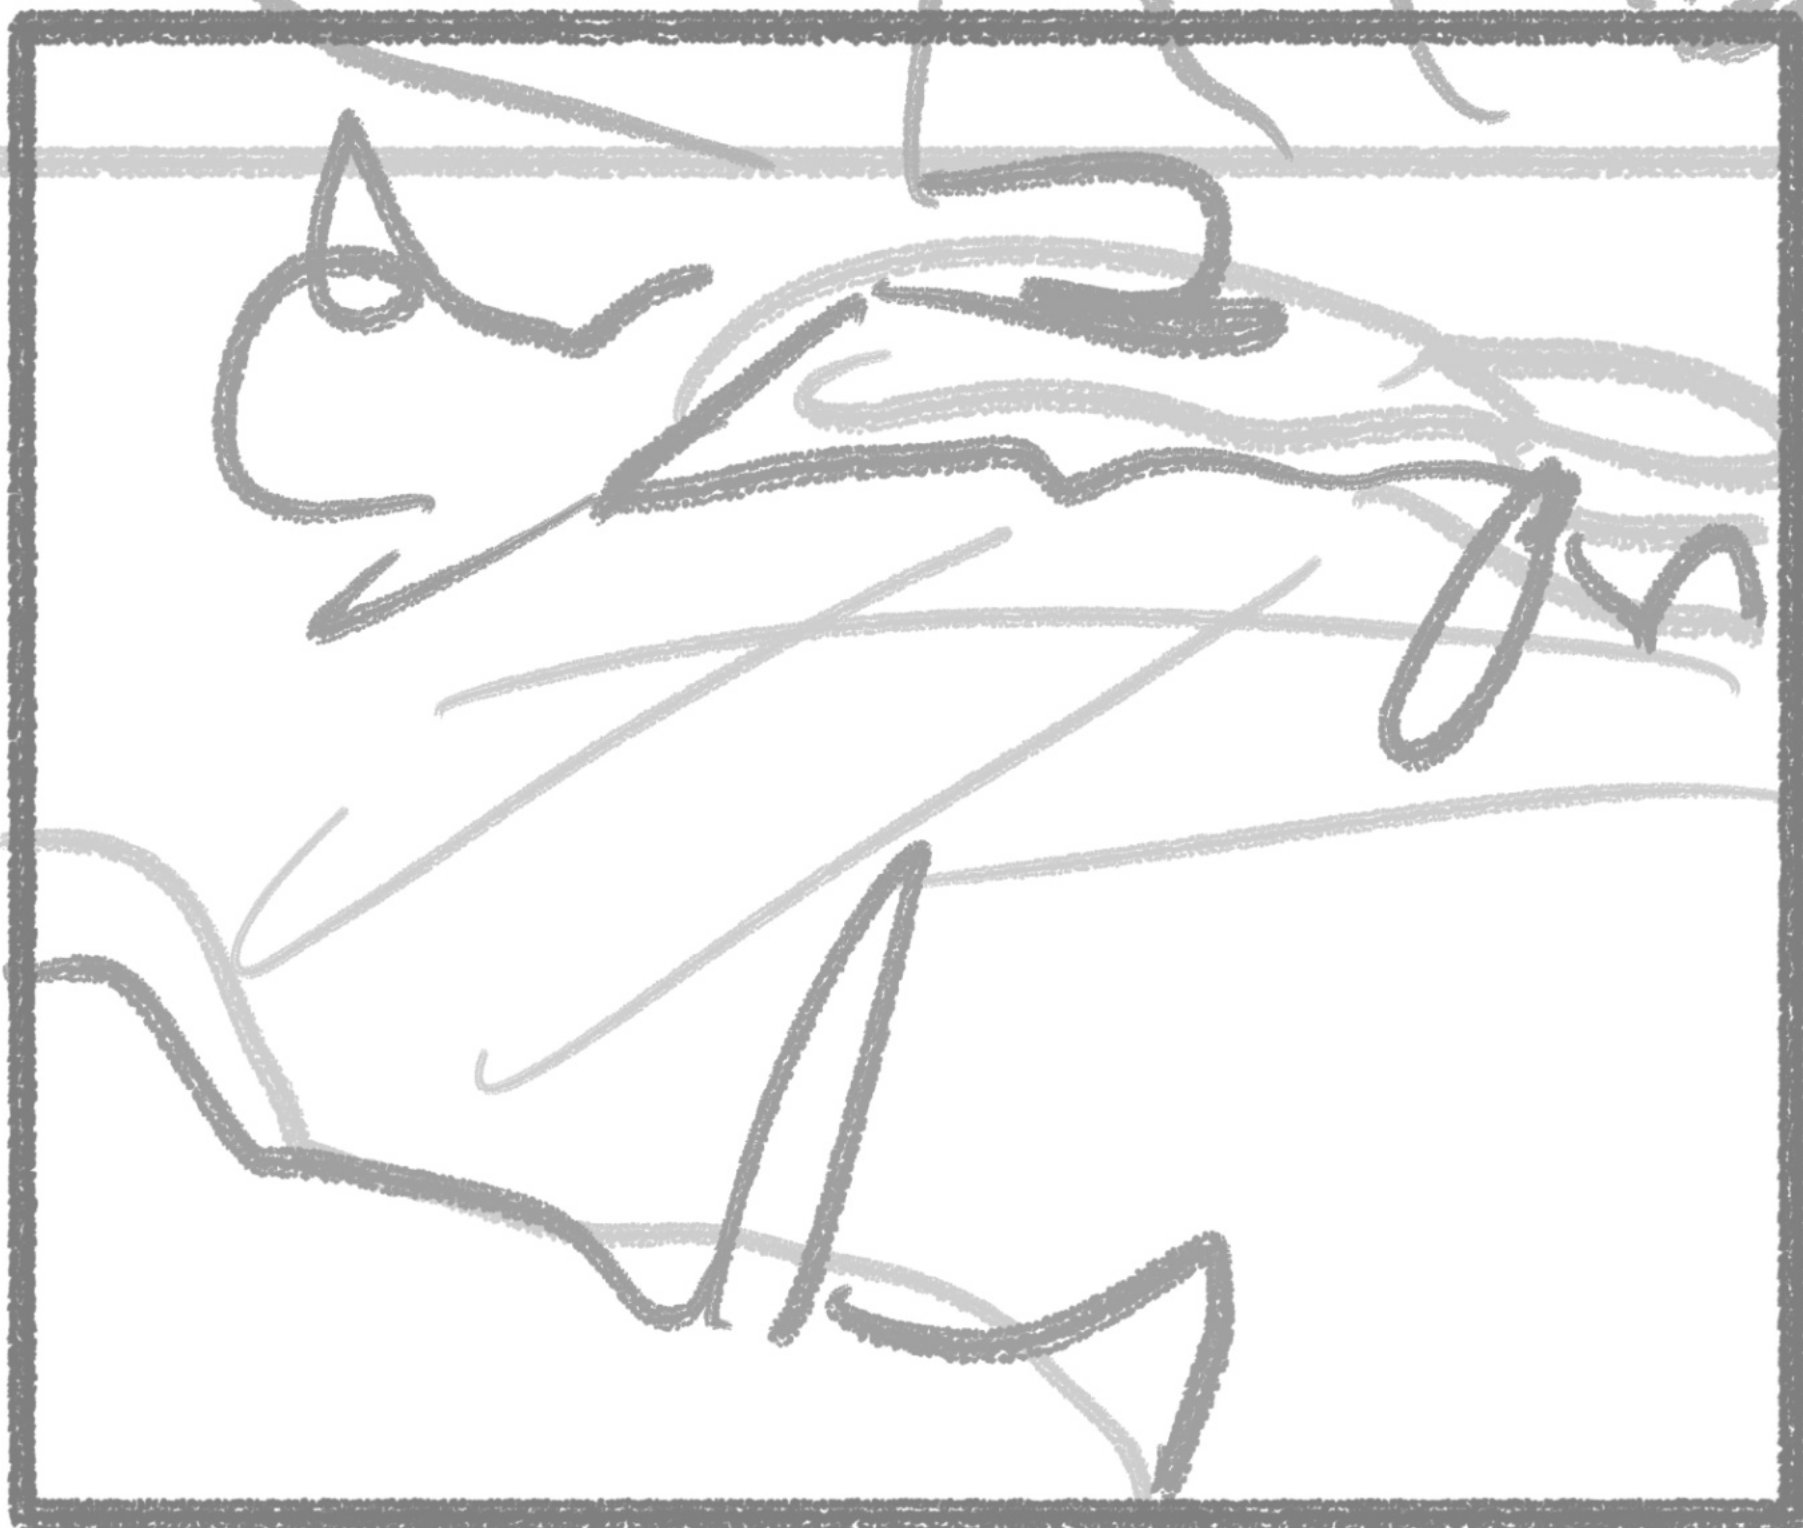

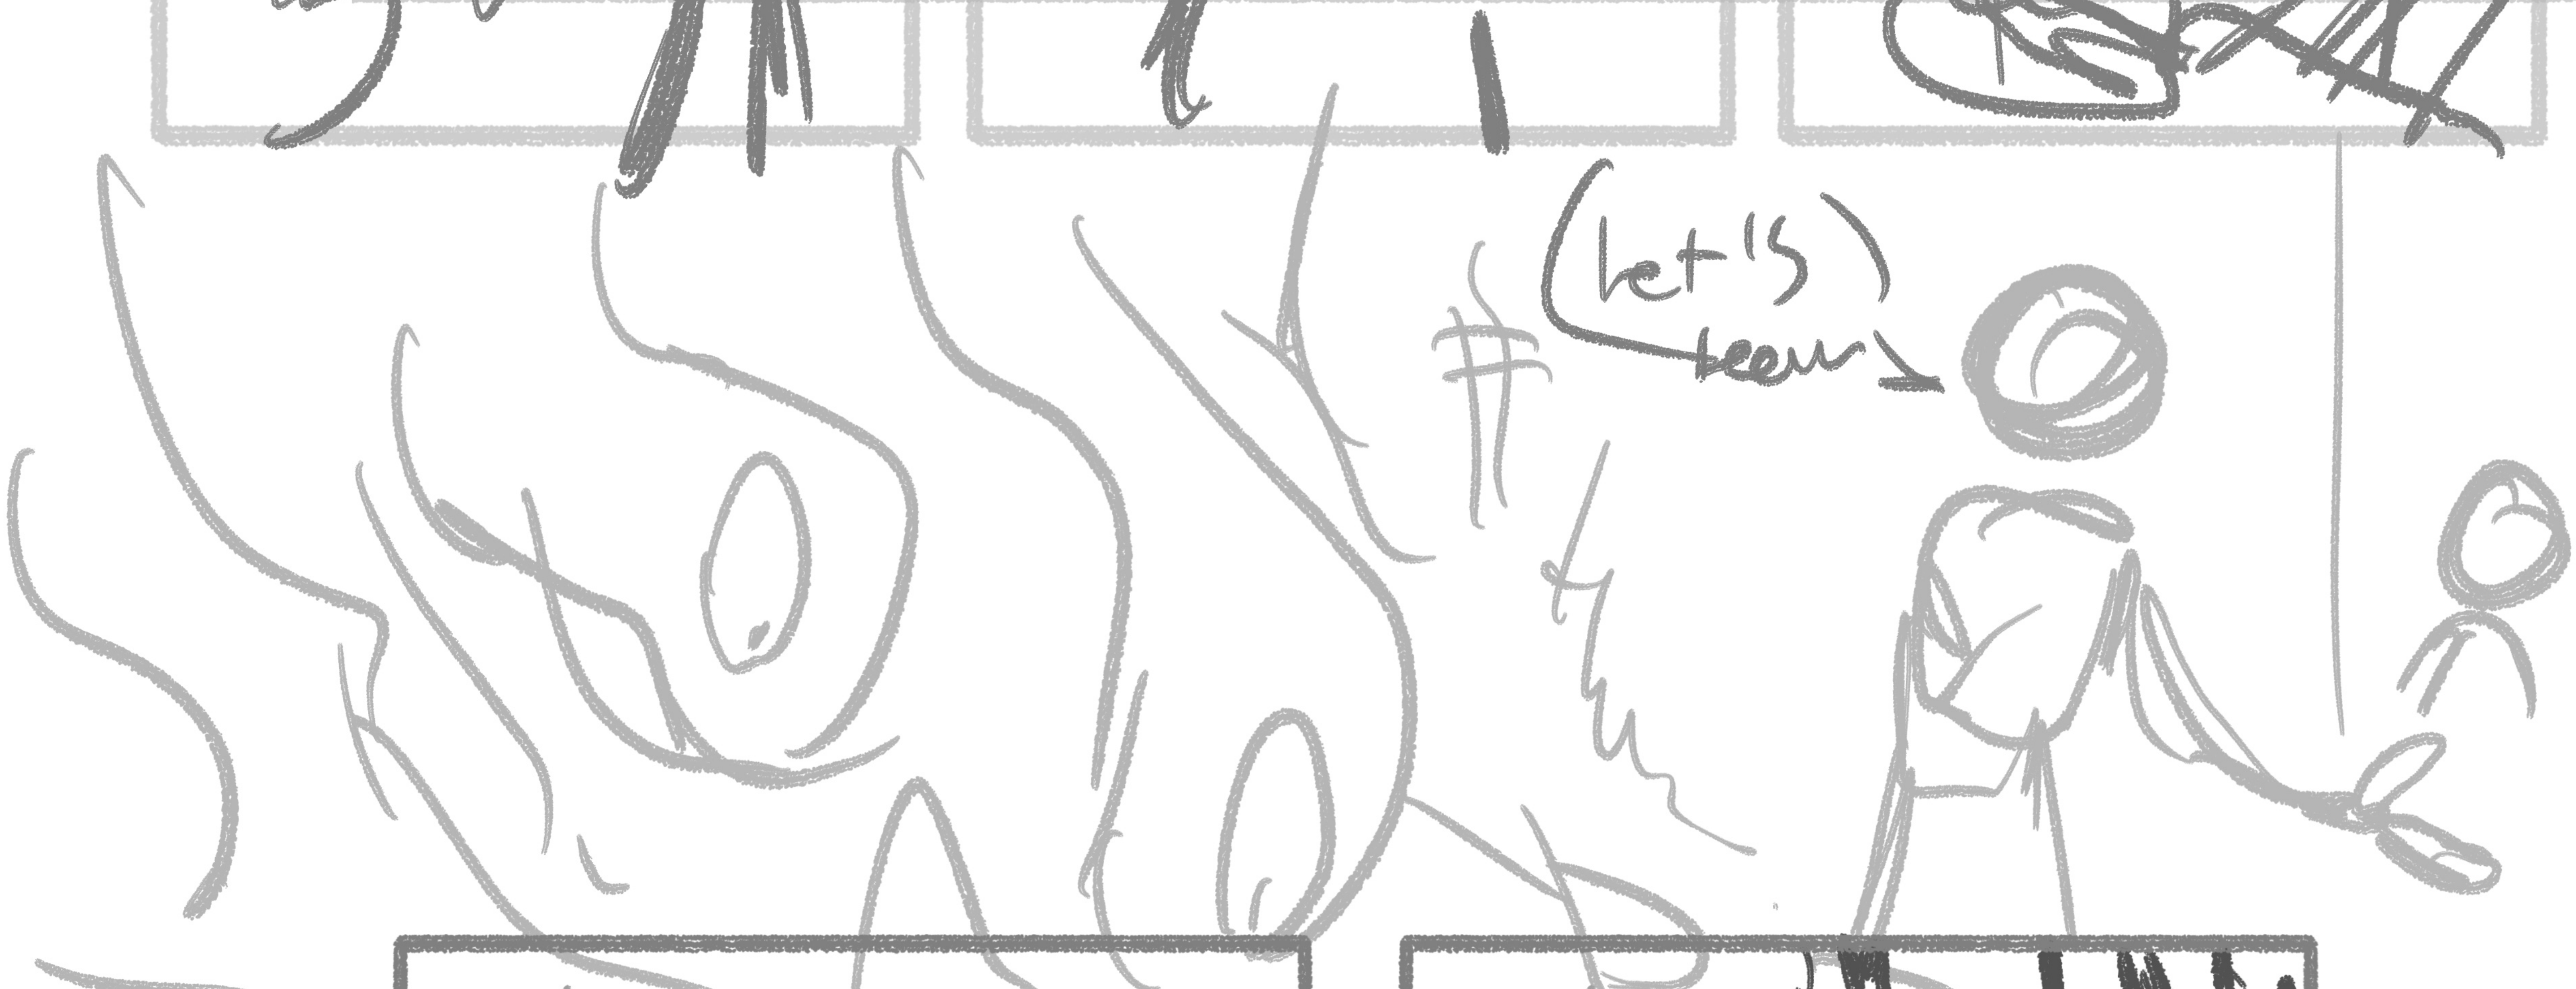

you.. you
will pay.

for
what you did
to us..

TERIMA KASIH!
